THE LAST BUCCANEER

The Last Buccaneer

Karin Nielsen-Saines

The Last Buccaneer:

The Last Buccaneer: The Trustees of Mrs A. ,2020-09-28 One dark moist winter afternoon in the year of our Lord 1708 I chanced upon Brandon Pomfrett as he was on his way to visit me Brandon who was my school fellow was now clerk in his uncle s warehouse in Bristol I was an humble schoolmaster in the same famous city not discontented with my lot and not contented either But Pomfrett chafed in his shackles twas chiefly his dislike of tedium that drove him to seek my society for want of a better and that was presently to drive us both farther perhaps than we ever thought to go We turned down the narrow alley with the ancient houses leaning foreheads across that led to my lodging A strong hoarse voice arose out of the dusk singing All a sailing to the stars Ye gentlemen Jack tars We ll meet again at Fiddler s Green All up among the stars bellowed the voice and a burly man with something of a seafaring air about him came rolling up the causeway We drew aside to let him pass but he halted abruptly in front of us Asking your pardon gentlemen says he but could you tell me if I was shaping my course anyways near right for the Burning Bush kept by a man of the curi s name of Gamaliel Not said the stranger that I ain t been here before nor that I don t know the course but if a man s liquor runs from his legs to his head what s that poor seaman to do I reckon I could fetch him in time but time is well now shipmates you know what time is no one better by the looks of you ended the mariner apparently with some obscure design of complimenting us The stranger laying his thick brown hand familiarly on Pomfrett s arm as he spoke we could not but remark a great ruby that glowed in a gold setting upon his little finger a strange ornament for a merchant seaman We ll show you the way sir says Pomfrett whose curiosity was perhaps aroused by the sight of the ring Now the Burning Bush had an ill reputé as a crimp s ken Gamaliel s was no place for the reputable and it behooves a schoolmaster to make at least a pretence of piety wherefore I hung back Oh be hanged said Pomfrett I know Gamaliel he does business at the warehouse Come along Ay ay the mariner broke in heave ahead shipmate never spoil a merry meeting a tot of rum will set you as brisk as a bee Why says he you and me and you I should say him but meaning polite we three I reckon will be as thick as thieves before the night s out Crack on shipmates for the port o call And turning sharp to the left down a narrow passage we came to the Burning Bush a low browed tavern with small latticed windows that gave no hint of the great extent of the rambling premises behind them and entered the sanded parlour where Mr John Gamaliel was standing with his back to a bright fire A little thin eager man was John Gamaliel his nose was hooked his fingers crooked inward like a sailor s a sailor he had been his body had a forward droop like a fish hook
