The Last Day The Final Warning:

The Complete Idiot's Guide to the Last Days Richard H. Perry, 2006-11-07 Get ready for Judgment Day For centuries humans have dreaded and anticipated the end of the world These fears fueled by natural disasters famines world wars and the writings of people like Nostradamus and Jeane Dixon have left us with more questions than answers In **The Complete Idiot's Guide to the Last Days** Richard H Perry goes to the definitive source on the subject the Bible itself While the book is as exciting as an action adventure novel the author's primary source is the Bible and he guides his readers to an understanding of the Last Days by using related Scripture Covers Bible basics and the Signs of the Times Includes timelines of every stage leading up to the Last Days and after

The Revelations And Warnings Of Jesus To His Church Albert Heaney, 2018-09-25 Given that Jesus has issued a warning that in the end times the church will be infiltrated with false prophets that will mislead many and given that the book of Revelation was given to reveal future events in the end times and given that various interpretations of prophesies in the book are given by present day biblical scholars this book attempts to clarify an understanding of the revelations provided in the book by closely adhering to the messages given and avoiding giving interpretations that are not explicitly provided in scripture It is important that the church becomes aware of the messages God has given to the church of our day so that it can be prepared to face the future and be ready to endure to the end The author believes that the book of Revelation was not given as a puzzle to be decoded by scholars but rather as a series of messages that can be understood by ordinary people so as to open their eyes as to all that God has prepared for those who love Him

God's Mighty Warriors in the Last Days Dr. Donald Bell, 2014-07-29 The mission of this book is to provide an understanding of these times by looking at biblical prophecy through twenty first century eyes This book is designed to reach out to Christians who sigh and groan over the ongoing abominations being committed in our country with the hope of raising up strong strategic leaders who will guide many to prepare for the challenging events that will precede the second coming of our Lord The book's contents provide us with an in depth study of the Book of Revelation designed to be a serious field guide to help prepare Christian warriors for the great tribulations which will precede the coming of the Lord Jesus Christ to restore His kingdom on Earth We are on the verge of devastating events that will create great fear and chaos throughout the world and especially in our comfort seeking nation We are no longer free to play the role of civilians for dark times are coming which will open up opportunities to be a strong light for the Kingdom of God in the midst of growing darkness Those who hear the call and seriously prepare will be among the warrior spirited Christians who will be the Lord's anointed witnesses during the great tribulation
