The Last Five Years:

The Justice Law of the Last Five Years William Dickinson, 1818 *Five Years of Bad Coffee* Nelson Christensen, 2005-11

Prison is in many ways not as bad as one expects and in some ways it is worse It was different for me as a white 58 year old professional with no prior record than it was for many of my younger fellow inmates In a strictly physical sense prison is generally not dangerous or brutal You can safely drop the soap Just don't bend over to pick it up It's every middle class American's worst nightmare One day author Nelson Christensen was a successful and respected attorney The next he is charged with fraud and embezzlement and is on his way to several years in prison Landing first in a tough and nasty high security prison then in a remote forest labor camp and finally herding cows on a prison farm Christensen lives in close confinement and works with men of all races most of them half his age He is beat up twice by fellow inmates for comments he makes from his smart ass lawyer's mouth After resolving to do good time Christensen decides to make the best of his situation He works hundreds of hours with significant success in preparing appeals and petitions for his fellow prisoners He also writes songs and poems about his experience and is a popular entertainer among his peers and the staff *Five Years of Bad Coffee* is an upbeat inspiring story about a man who resolves to face the punishment for his crimes and in the end comes out a better person from the experience
