invading their territory The task was not easy as one missionary was speared and six others shot with seven foot long arrows during the years it took to convince the aggressive Yuqu to settle down During those years numerous pioneer settlers lost their lives to Indian arrows and many Yuqu were gunned down by the settlers and loggers Without the timely intervention of the missionaries the tribe would soon have ceased to exist Three small bands of the jungle dwellers numbering about ninety people were preserved but at the cost of great physical and mental hardships to the missionary team Through it all the missionaries understood that it was a unique privilege to have a part in what God was doing as He used them to show His love to the Yuqu people
