The Last Of Days:

The Last Days According to Jesus R. C. Sproul, 2000-10 Analyzes what Jesus said about when he would return and the last days would arrive as in Matthew 24 34 Defends the trustworthiness of Jesus teachings **The Message for the Last Days** K.J. Soze, 2019-06-17 This award winning book examines the foundation of Bible prophecy brought forward from the Old Testament to the New The Message for the Last Days is a comprehensive look back to the foundation of God's word as it secures the reality of the gospel The Future is Revealed by Understanding the Past *Hope in the Last Days* Dave Williams, 2017 Understand how ancient biblical prophecies are coming to pass in our day how coming prophetic events will impact you and how there is hope for all followers of Christ Today there is a tremendous interest in Bible prophecy particularly because end time events prophesied long ago are coming to pass in an extraordinary manner Hope in the Last Days reveals based on prophecy fulfilled and yet to be fulfilled that very shortly the world will reel into its deepest hour of torment and agony Dave Williams encourages you with the truth of how coming events will affect you and your loved ones and what God has planned as a way of escape for followers of Jesus Christ Signposts of the Last Days Bill Goodwin, 2012-06-07 SIGNPOSTS of The Last Days is not an attempt to sensationalize predicted events from prophecy implying they will happen in a particular manner Remember that when Jesus came the first time all but two people were looking for a different kind of Messiah than the One they got Instead you will find the Biblical basis for twelve predicted events of the Last Days This book is written to review some of the available passages concerning these events that will lead to the end of the Last Days and how they relate to each other They are arranged in the order they are expected to happen It also is designed to relate coming events to the past times in which God has presented Himself to the world using different people This is your opportunity to separate the modern day scenarios seemingly written for Hollywood from what we might realistically expect should we be alive to see it all unfold Please read them all with the understanding that there may be fewer than two individuals who get close to the actual truth this time around **The Last Days of Hitler** Hugh R Trevor-Roper, 1978-09-28 **The Last Days Are Left Behind** James Ellis, 2008-06 Have you been wondering as a Christian or non Christian what many think and expect will happen in the last days or end times with all the talk and focus in the headlines and some churches about our future And with all the events taking place in the Middle East especially Israel And Iran Are you confused because of various end time scenarios and conflicting opinions promoted through popular books on prophecy the Left Behind series televangelists preachers and others speaking of a great tribulation rapture Armageddon Apocalypse the destruction of the earth a new heaven and earth a second coming and a millennium There has been an overload of teaching and information about these things over the last century however sincere and cloaked in good intentions yet with long held and deep seated traditions and doctrines all borne of a lack of accurate knowledge particularly the Hebrew and Greek and information based on compelling evidence Would you like to know what the Bible actually says about all these

issues For God's Word itself Let Scripture Interpret Scripture and the Holy Spirit are the only necessary interpreters The Last Days Are Left Behind will challenge your thinking help to erase the confusion and provide clarity regarding the present day purpose of God Author James Ellis demonstrates end time truth based logically on solid evidence after a linguistically accurate biblically consistent and intellectually honest examination of the Bible's prophetic passages and verses the original languages Hebrew and Greek the social cultural and historical context of Scripture and the relevance of the audience spoken or written to in God's Word
