The Last Of The Best:

America - The Last Best Hope William J. Bennett, 2008-04 Respected scholar Bennett reacquaints America with its heritage in this engaging narrative that slices through the cobwebs of time memory and prevailing cynicism to reinvigorate America with an informed patriotism **The Last Best of All Times** Robert A. Semenza, 2007 Robert Semenza has always considered himself fortunate to have been brought up in what may have been in his mind the last best of all times an era that spanned only a little more than a decade and a half from the early forties to the midfifties from World War II to the Korean police action from FDR to Harry the buck stops here Truman to Ike He was even more blessed to be raised in an environment where he was surrounded by a wealth of love and warmth from our parents and a seemingly unlimited number of relatives and piasians however the adults in our lives were there only when we needed them sort of a Charlie Brown type of existence but without his anxiety He felt that all his wonderful memories would be lost forever and wanted to preserve them for the generations to follow His tale is told in a self effacing way and from the perspective of a young boy being raised in the West a neighborhood in New Rochelle New York of Italians and colored people you never called them blacks or African Americans unless you were prepared for a fight and the rest of civilization referred to simply as the Americans It tells of his Tom Sawyer Huck Finn type of youthful adventures and mishaps centered around a cast of colorful and unforgettable characters that roamed the streets of the West from the likes of the Goat Man who would proudly parade his goats down Union Avenue and whose route was undeniably marked by a trail of small round soft black pellets which the goats expelled as they merrily strolled to their noonday repast presumably to make more pellets to the Iron Horse to Louie Chicken Breast and to a whole host of other characters As he explains they were just there and accepted as they were except that they like everyone else in the neighborhood had a nickname which was generally linked to their physical appearance which in each case was obvious He has attempted the impossible task of trying to list all of these nicknames his nickname was Chesty the reader will learn why His personal memories transport the reader back to that time and to his boyish recollections of his family the school the church the Boys Club the games they invented and the special joys brought by each season of the year www.readerscircle.org

Homesteading in the Last Best West Elaine Melby Ayre, 2022-03-30 THE AUTHOR TOOK HER GRANDFATHER JB HANSEN S memoir written before his death in the mid sixties and by augmenting it with a variety of interesting primary sources and her own personal comments she brings new life to the realities of southeastern Saskatchewan homesteading in the Rural Municipality of Souris Valley 7 in the first half of the twentieth century This will give readers of today a better understanding of everyday life in those homesteading days Many examples show changes in the forms of travel cost of living farming methods food preparation and daily activities all to help us understand this history and serve to inspire us in dealing with the problems of our day Their personal stories show they found ways to thrive and have good times in spite of the challenges of the times **The Last Best Days of Summer** Valerie Hobbs, 2010-04-27 For twelve year old Lucy Crandall

the last week of August is the most perfect time in the world It s the week she gets to spend with Grams at the lake house canoeing baking cookies and glazing pots in Grams s potting shed Grams has a way of making Lucy feel centered like one of the pots on her kick wheel perfect steady and completely at peace But this summer Grams doesn t seem to be exactly the person she once was And as the week turns into a roller coaster of surprises some good some awful Lucy can t help but wonder Will things ever be centered again

America: The Last Best Hope (Volume III) William J. Bennett,2011-10-11 Author historian and educator William J Bennett examines America s last two decades Twenty years ago John McCain was serving his second year in the Senate and Colin Powell had just been promoted to chairman of the Joint Chiefs of Staff There was no Fox News Channel no American Idol Saddam Hussein and the Ayatollah Ruholla Khomeni ruled Iraq and Iran respectively George W Bush was the fairly unnoticeable son of the then president If you asked someone to email me you would have received a blank stare and Amazon was a forest in South America Finally 20 years ago a young man named Barack Obama was elected the first black president of the Harvard Law Review The two decades from 1988 to 2008 have proved to be some of the most pivotal in America s history Based on a lifetime of experience in government and education William J Bennett defines the events that shaped American history during the final years of the century

The Last Best Place? Leah Schmalzbauer, 2014-08-27 Southwest Montana is beautiful country evoking mythologies of freedom and escape long associated with the West Partly because of its burgeoning presence in popular culture film and literature including William Kittredge's anthology *The Last Best Place* the scarcely populated region has witnessed an influx of wealthy white migrants over the last few decades But another largely invisible and unstudied type of migration is also present Though Mexican migrants have worked on Montana's ranches and farms since the 1920s increasing numbers of migrant families both documented and undocumented are moving to the area to support its growing construction and service sectors The Last Best Place asks us to consider the multiple racial and class related barriers that Mexican migrants must negotiate in the unique context of Montana's rural gentrification These daily life struggles and inter group power dynamics are deftly examined through extensive interviews and ethnography as are the ways gender structures inequalities within migrant families and communities But Leah Schmalzbauer's research extends even farther to highlight the power of place and demonstrate how Montana's geography and rurality intersect with race class gender family illegality and transnationalism to affect migrants well being and aspirations Though the New West is just one among many new destinations it forces us to recognize that the geographic subjectivities and intricacies of these destinations must be taken into account to understand the full complexity of migrant life **The Last Best Hope** Jack Sholl, 2012-05-24 Throughout history wars in Eastern Europe have claimed the lives of countless numbers of innocent people When a genocidal bloodbath erupts in the Balkans amid the fall of Soviet Communism and its satellite countries an unlikely American seizes the opportunity to return to the land of his birth to end the carnage and corruption that has ripped his native country apart at the seams and created merciless brutality between ancient warring enemies New found hope lies in the hands of a native son come home in this screenplay of political intrigue international diplomacy and economic and corporate chicanery Freedom and democracy triumph over totalitarianism in this fictional portrait of courage love and determination in the largest and deadliest mass murder in Europe since the horrors of WWII **The Last Best Cure** Donna Jackson Nakazawa, 2013-02-21

One day Donna Jackson Nakazawa found herself lying on the floor to recover from climbing the stairs That s when it hit her She was managing the symptoms of the autoimmune disorders that had plagued her for a decade but she had lost her joy As a science journalist she was curious to know what mind body strategies might help her As a wife and mother she was determined to get her life back Over the course of one year Nakazawa researches and tests a variety of therapies including meditation yoga and acupuncture to find out what works But the discovery of a little known branch of research into Adverse Childhood Experiences causes her to have an epiphany about her illness that not only stuns her it turns her life around Perfect for readers of Gretchen Rubin s The Happiness Project Nakazawa shares her unexpected discoveries amazing improvements and shows readers how they too can find their own last best cure [The Last Best Hope](#) Joe Scarborough,2010 Five years ago Scarborough stood alone in predicting the collapse of the Republican majority and the economic chaos that has shaken the country Now the author issues a challenge to his own political party reform or die

The Last Best Hope Ronald Reagan,2016 From the time he arrived on the political scene in 1964 throughout his presidency and beyond Ronald Reagan used his speeches to inspire and reinvigorate America When he spoke Reagan said he was preaching a sermon The American people saw his vision of America and his dreams for the future and they overwhelmingly responded he was re elected in 984 by the largest number of electoral votes in the nation s history Here in this collection of twenty eight speeches spanning the Reagan era readers can find inspiration in Reagan s sermons From his first speech in the political arena in 1964 to his Last Letter to America informing Americans of his Alzheimer s disease Ronald Regan s words show a profound belief in God freedom individualism limited government and his great love for his country In addition to an introduction by Reagan s son Michael Reagan each speech features an informative introduction which puts the speech into historical context making The Last Best Hope the perfect entr e into the influence of one of the major figures of the 20th century
