**The Last Sex Manual** Ronald J. Pion, Jerry Hopkins, 1977      **Sex Manual for Those Married Or about to be** George Lombard Kelly, 1953      *How to Do It* Rudolph M. Bell, 2024-05-31 How to Do It shows us sixteenth century Italy from an entirely new perspective through manuals which were staples in the households of middlebrow Italians merely trying to lead better lives Addressing challenges such as how to conceive a boy the manuals offered suggestions such as tying a tourniquet around your husband s left testicle Or should you want to goad female desires throw 90 grubs in a liter of olive oil let steep in the sun for a week and apply liberally on the male anatomy Bell s journey through booklets long dismissed by scholars as being of little literary value gives us a refreshing and surprisingly fun social history Lively and curious reading particularly in its cascade of anecdote offered in a breezy cozy journalistic style Lauro Martines Times Literary Supplement Bell s fascinating book is a window on a lost world far nearer to our own than we might imagine How pleasant to read his delightful informative and often hilarious book Kate Saunders The Independent An extraordinary work which blends the learned with the frankly bizarre The Economist Professor Bell has a sly sense of humor and an enviably strong stomach He wants to know how people actually behaved not how the Church or philosophers or earnest humanists thought they should behave I loved this book Christopher Stace Daily Telegraph      **Sexology** ,1975      Eros Bruce S Thornton, 2018-02-12 Eros The Myth of Ancient Greek Sexuality is a controversial book that lays bare the meanings Greeks gave to sex Contrary to the romantic idealization of sex dominating our culture the Greeks saw eros as a powerful force of nature potentially dangerous and in need of control by society Eros the Destroyer not Cupid the Insipid is what fired the Greek imagination The destructiveness of eros can be seen in Greek imagery and metaphor and in their attitudes toward women and homosexuals Images of love as fire disease storms insanity and violence top 40 song clich s for us locate eros among the unpredictable and deadly forces of nature The beautiful Aphrodite embodies the alluring danger of sex and femmes fatales like Pandora and Helen represent the risky charms of female sexuality And homosexuality typifies for the Greeks the frightening power of an indiscriminate appetite that threatens the stability of culture itself In Eros The Myth of Ancient Greek Sexuality Bruce Thornton offers a uniquely sweeping and comprehensive account of ancient sexuality free of currently fashionable theoretical jargon and pretensions In its conclusions the book challenges the distortions of much recent scholarship on Greek sexuality And throughout it links the wary attitudes of the Greeks to our present day concerns about love sex and family What we see finally are the origins of some of our own views as well as a vision of sexuality that is perhaps more honest and mature than our own dangerous illusions      **New York Magazine** ,1993-03-15 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while

celebrating New York as both a place and an idea      **New York Magazine** ,1972-11-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      **Cohabiting Couples and Cold Feet** Robert W. Prichard,2009-01-01 Clergy today are faced with a profound shift in American attitudes about marriage that affects the role they play with each couple Our society at large today has strikingly different attitudes from those of just fifty years ago Couples today are more likely to have cohabited before marriage more likely to have children born out of wedlock more likely to be married outside of the church and more likely to be previously divorced than were their counterparts of the mid 20th century This new pastoral resource grounded in real life examples will be an important new pastoral tool for clergy and seminarians in the Episcopal Church and other mainline Protestant churches It is organized chronologically beginning with how to engage the couple making a first time contact with a member of the clergy It next unpacks the marriage rite itself within contemporary and traditional viewpoints Finally the book addresses the critically important application of long term support for the couple throughout their married lives      **Encyclopedia of Sex and Sexuality** Heather L. Armstrong,2021-03-01 Providing a comprehensive framework for the broad subject of human sexuality this two volume set offers a context of historical development scientific discovery and sociopolitical and sociocultural movements The broad topic of sex encompassing subjects as varied as sexuality sexual and gender identity abortion and such crimes as sexual assault is one of the most controversial in American society today This two volume encyclopedic set provides readers with more than 450 entries on the subject offering a comprehensive overview of major sexuality issues in American and global culture Themes that run throughout the volumes include sexual health and reproduction sexual identity and orientation sexual behaviors and expression the history of sex and sexology and sex and society Entries cover a breadth of subjects such as the major contributors to the field of sexology the biological psychological and cultural dimensions of sex and sexuality and how the modern day political climate and the government play a major role in determining attitudes and beliefs about sex Written in clear jargon free language this set is ideal for students as well as general readers      **Archetypes in Japanese Film** Gregory Barrett,1989 This study examines the significance of the archetypal heroes and heroines of Japanese cinema and traces both their prior development in literature drama and folklore and their subsequent variations in popular culture      **Sex Guides** Patty Campbell,2017-04-07 The history of the sex guide for adolescents documents the quite unconscious movement of Western culture s ideas about sex and youth revealing the heritage of our own sexual beliefs and codes of behaviour The first section of this book first published in 1986 traces the development of the sex guide examining 400 books from 1892 to the 1980s The second section comprises a detailed analysis of the patterns content and usefulness of all the
