Hornfischer, 2021-10-20 Adapted from the naval history classic and New York Times bestseller *The Last Stand of the Tin Can Sailors* pieces together the action of the Battle off Samar bringing to life a riveting story of heroism against daunting odds duty and sacrifice in a way never seen before In October 1944 Allied forces began landing on the Philippine island of Leyte Quickly assessing the threat of the Allied invasion the Japanese navy sought to counterattack But with the island protected by the full strength of Admiral William F Halsey's Third Fleet a direct attack was nearly impossible Undeterred the Japanese Admiralty deployed their forces engaging the Third Fleet and retreating in a manner that drew the fleet into a hot pursuit However Admiral Halsey had been deceived and the Japanese plan had taken his fleet out of position to defend the American beachhead With the northern route to Leyte open and unguarded the Japanese Center Force a fleet led by the battleship Yamato the largest and most powerful battleship ever constructed seemingly had a clear path to the landing beaches on Leyte Only one thing stood between the Japanese forces and the vulnerable objective Taffy 3 a small task unit from the Seventh Fleet was made up of destroyers destroyer escorts and escort aircraft carriers thirteen ships with little firepower and even less armor On the morning of October 25 1944 Taffy 3 suddenly

became the only obstacle between the Allied landings and the Japanese Center Force Hopelessly outmanned and outgunned Taffy 3 plunged into battle The ensuing action known as the Battle off Samar became one of the greatest last stands in naval history The Last Stand of Tin Can Sailors Estate of James D. Hornfischer,2005 Chronicles the October 1944 battle off Samar between a vastly outnumbered fleet of American warships and a flotilla of the Japanese Navy a struggle that changed the course of World War II in the Pacific *World War II at Sea* Craig L. Symonds,2018-04-02 Author of Lincoln and His Admirals winner of the Lincoln Prize The Battle of Midway Best Book of the Year Military History Quarterly and Operation Neptune winner of the Samuel Eliot Morison Award for Naval Literature Craig L Symonds has established himself as one of the finest naval historians at work today World War II at Sea represents his crowning achievement a complete narrative of the naval war and all of its belligerents on all of the world s oceans and seas between 1939 and 1945 Opening with the 1930 London Conference Symonds shows how any limitations on naval warfare would become irrelevant before the decade was up as Europe erupted into conflict once more and its navies were brought to bear against each other World War II at Sea offers a global perspective focusing on the major engagements and personalities and revealing both their scale and their interconnection the U boat attack on Scapa Flow and the Battle of the Atlantic the miracle evacuation from Dunkirk and the pitched battles for control of Norway fjords Mussolini s Regia Marina at the start of the war the fourth largest navy in the world and the dominance of the Kid Butai and Japanese naval power in the Pacific Pearl Harbor then Midway the struggles of the Russian Navy and the scuttling of the French Fleet in Toulon in 1942 the landings

in North Africa and then Normandy Here as well are the notable naval leaders FDR and Churchill both self proclaimed Navy men Karl Dönitz François Darlan Ernest King Isoroku Yamamoto Erich Raeder Inigo Campioni Louis Mountbatten William Halsey as well as the hundreds of thousands of seamen and officers of all nationalities whose lives were imperiled and lost during the greatest naval conflicts in history from small scale assaults and amphibious operations to the largest armadas ever assembled Many have argued that World War II was dominated by naval operations few have shown and how and why this was the case Symonds combines precision with story telling verve expertly illuminating not only the mechanics of large scale warfare on and below the sea but offering wisdom into the nature of the war itself Ship of Ghosts James D.

Hornfischer,2009-03-25 NEW YORK TIMES BESTSELLER Son we're going to Hell The navigator of the USS Houston confided these prophetic words to a young officer as he and his captain charted a course into U.S. naval legend Renowned as FDR's favorite warship the cruiser USS Houston was a prize target trapped in the far Pacific after Pearl Harbor Without hope of reinforcement her crew faced a superior Japanese force ruthlessly committed to total conquest It wasn't a fair fight but the men of the Houston would wage it to the death Hornfischer brings to life the awesome terror of nighttime naval battles that turned decks into strobe lit slaughterhouses the deadly rain of fire from Japanese bombers and the almost superhuman effort of the crew as they miraculously escaped disaster again and again until their luck ran out during a daring action in Sunda Strait There hopelessly outnumbered the Houston was finally sunk and its survivors taken prisoner For more than three years their fate would be a mystery to families waiting at home In the brutal privation of jungle POW camps dubiously immortalized in such films as *The Bridge on the River Kwai* the war continued for the men of the Houston a life and death struggle to survive forced labor starvation disease and psychological torture Here is the gritty unvarnished story of the infamous Burma Thailand Death Railway glamorized by Hollywood but which in reality mercilessly reduced men to little more than animals who fought back against their dehumanization with dignity ingenuity sabotage will power and the undying faith that their country would prevail Using journals and letters rare historical documents including testimony from postwar Japanese war crimes tribunals and the eyewitness accounts of Houston's survivors James Hornfischer has crafted an account of human valor so riveting and awe inspiring it's easy to forget that every single word is true **BONUS** This edition contains an excerpt from James D. Hornfischer's *Neptune's Inferno* Valor and Courage Benjamin J. Hruska,2021-07-06 Recounts the stories of the USS Block Island CVE 21 and CVE 106 and their crews many of whom served on both ships in the Atlantic and Pacific theatres Chronicles of Oklahoma ,2010 **Give Me a Fast Ship** Thomas J. Cutler,2025-10-21 Award winning author Thomas J. Cutler offers an in depth and inspiring look at the truly heroic story of Ernest Evans and the crew of USS Johnston during the Battle of Leyte Gulf in October 1944 The term hero is overused today but the story of Ernest Evans and the crew of USS Johnston DD 557 during the epic Battle of Leyte Gulf in October 1944 is one of true heroism that may be equaled but never surpassed in the annals of American naval history Undaunted by a vastly superior Japanese task force bearing down on

their ship Commander Evans crew laid down a smoke screen launched all torpedoes and opened fire with the main battery of five 5 inch guns diverting the Japanese fleet's attention from the vulnerable escort carriers under their protection Evans' courageous leadership earned him a posthumous Medal of Honor and his indomitable fighting spirit made him a true legend in the U S Navy This inspiring book offers an in depth look at Evans the Johnston and the ship's crew Award winning author Thomas J Cutler relies heavily on interviews he conducted with surviving crew members as well as his own experiences while serving as an enlisted man in a similar destroyer Readers can almost feel the sting of salt spray on their faces as Cutler presents a gripping account of Johnston's year of service from her commissioning to her sinking off Samar in October 1944 Often reading like a novel this is a fascinating and poignant history of not only the ship and the crew but of her Native American skipper who forced to retreat in the early days of the war fulfilled his commissioning day promise to never again run from the enemy Evans was a 1935 Naval Academy graduate serving as executive officer of the aging destroyer USS Alden in the far off Asiatic Fleet when the Japanese attacked Pearl Harbor Left virtually behind the lines as the Japanese rampaged their way around the Western Pacific Alden was among only four U S warships to escape in the aftermath of the Battle of the Java Sea in February 1942 Spending the next year in frustratingly mundane operations until given command of the newly built Fletcher class destroyer Johnston Evans then led his ship in gunfire missions during island hopping assaults in the Marshalls Carolines and Marianas before Johnston faced her ultimate challenges in the Philippines A story for the ages readers will experience the tedium and the terror of life at sea the unique challenges of naval combat and the horrors of trying to survive while adrift in hostile waters They will know the terrible waste and the agonies of war but will be awed by what human beings can do in the face of great adversity and in the presence of inspirational leadership The causes for which these men fought and sacrificed have faded with time the machines they used to carry out their deadly business are now rusted relics of another era and the waters show no trace of their wakes But the glory of their deeds will never be forgotten
