Notes From the Last Testament Michael Deibert,2005-10-04 Notes from the Last Testament by veteran reporter Michael Deibert is a riveting narrative account of the events leading up to and including the overthrow of Haitian President Jean Bertrand Aristide A fearless correspondent and a meticulous researcher Deibert traces the rupturing of the social democratic coalition that originally brought Aristide to power and that had been the fruit of years of opposition to the dictatorships and military juntas From chaotic scenes of frenzied mayhem on the streets of the bidonvilles of Port au Prince with their armed gangs and burning intersections to heated debates in the halls of power these dramatic events throw into stark relief the obstacles facing the world s nascent democracies the trend of first world military intervention in third world affairs and the dual legacies of slavery and colonialism In a remarkable and deeply humane synthesis of on the ground perspectives and exhaustive research Deibert sets vivid personal testimonies alongside an analysis of the country s rich history that reaches back to Haiti s first days as a colony to the time of the rebellion led by the former slave Toussaint Louverture and extends to the present ultimately exploring how Aristide once a beacon of populism and democratic aspirations came to embody brutality and misrule in the tradition of his predecessors Along the way Deibert introduces us to the real heroes of the Hatian people s struggle for a just and independent society free from violence and corruption **The Karmapas and Their**

African Pentecostalism, the Bible, and Cultural Resilience Biri, Kudzai,2020-04-30
 This volume based on a PhD thesis submitted to the University of Zimbabwe investigates the resilience of Shona religion and culture among ZAOGA Pentecostal Christians Whereas the Pentecostal ideology suggests that old things have passed away it appears that old things continue to have high significance for the new The book demonstrates how belief in avenging spirits witches and witchcraft value of words spoken prior to death the role status and significance of women belief in unnatural events liturgy and salvation have remained relevant to the lives of ZAOGA Shona converts The patterns of continuity discontinuity extension collaboration contradiction re interpretation and rejection between Shona traditional religion and culture and ZAOGA are explored challenging the framing of African Pentecostalism as a mere imitation and parroting of US theology The conclusion is that while ZAOGA self consciously presents itself as a sophisticated trans national and progressive Pentecostal movement members continue to wrestle with Shona indigenous beliefs and practices An African womanist framework is adapted to challenge ZAOGA to promote the well being of women
