**The Last Viking** Don Hollway,2021-09-02 The Last Viking is a masterful and pulse pounding narrative that transports the reader into the middle of the action Carl Gnam Military Heritage Harald Sigurdsson burst into history as a teenaged youth in a Viking battle from which he escaped with little more than his life and a thirst for vengeance But from these humble origins he became one of Norway s most legendary kings The Last Viking is a fast moving narrative account of the life of King Harald Hardrada as he journeyed across the medieval world from the frozen wastelands of the North to the glittering towers of Byzantium and the passions of the Holy Land until his warrior death on the battlefield in England Combining Norse sagas Byzantine accounts Anglo Saxon chronicles and even King Harald s own verse and prose into a single compelling story Don Hollway vividly depicts the violence and spectacle of the late Viking era and delves into the dramatic events that brought an end to almost three centuries of Norse conquest and expansion

The Last Viking Queen Janelle Taylor,2011-10-24 He saved her life and she gave him a throne Joined together by royal decree the Princess Alysa and her beloved Prince Gavin share a bond of power and passion that no man can tear asunder But when their kingdom on the enchanted isle of Britain is attacked Alysa mounts her noble steed and joins her warrior army against the northern invaders who would divide her peaceful realm Defiant and unafraid Alysa battles the barbaric Norsemen with a bold seductive plan that will sweep her into the arms of her most dangerous enemy before she can return to her land and the lover whose searing caresses will burn in her heart forevermore

**LEGEND OF THE LAST VIKINGS - Free Alternate Ending** John Halsted,2017-10-23 In 1066 upon the death of Edward the Confessor Harald Hadraada King of Norway challenged for the crown of England claiming it was his through his bloodline He led a large force of over 400 longships to England and after a few initial victories was defeated during the Battle of Stamford Bridge near York by Harold Goodwinson Only 24 longships returned to Norway Two weeks later Harold Goodwinson and his army exhausted by the forced march from York to Hastings were defeated William the Conqueror And the rest they say is history Or is it Questions remain What happened to the Vikings after Stamford Bridge Where did they go What did they do Well Legend of

the Last Vikings is just one possibility But why an Alternate Ending When I started researching the book I was amazed to discover that the Silk Route was not just one route but instead a whole network of routes reaching from Eastern Europe and criss crossing Asia As such I had to decide which of these routes my characters would travel along Before I could make this decision I had to research the routes In doing so I found so much fascinating information on each trying to decide which route to travel was not easy Even though I eventually settled upon a route I did not want to waste potential stories so decided to write an alternate ending which in effect gives the reader a two for one Synopsis Chapters 1 33 I was going to give a summary of the chapters 1 to 33 but have decided that too much action adventure character building and meaning would be lost in doing so so I have kept this to a minimum by providing the following synopsis On returning home to Norway after defeat at Stamford Bridge in 1066AD our hero Ulf Uspakson herald to King Harald Hadrada realises an era is over Then he remembers the story of a Swedish Viking Adventurer Yngvar Vittfarne Yngvar the Far Travelled who went missing on a journey to the East and in a last fling of youth decides to try and trace him somewhere on the Silk Route No easy task The alternate ending starts at Chapter 34 with the conclusion of the adventure in China s Taklamakan desert or is it After leaving Shanguo and crossing the Tien Shan mountains the crew as I affectionately call this motley group follow the course of the Jaxartes River Syr Darya to the Aral Sea in Kazakhstan They then cross the Karakum and Barsuki deserts they loop around the top of the Aral sea Approaching Astrakhan from the North East they are tired and weary after such an arduous journey As always trouble awaits and the crew will have to summon physical and mental strength from reserves hidden deep within themselves About the Book Itself A finalist in the Foreword Magazine Book of the Year Competition It has a 4 Star Amazon rating and reviews of the book can be found on the Amazon page as well     *The last of the Vikings* Charles Young (maj.),1895     The Tale of King Harald Thomas J. T. Williams,2014 An illustrated adventure telling the story of King Harald Sigurdsson the last king of the Vikings Based on a true story Harald s adventure takes him from a frightened teenager to wealthy and powerful warrior and finally to a ruthless and tyrannical king whose ambition leads him to a futile yet glorious death at the battle of Stamford Bridge in 1066 In this exciting and action packed story Harald journeys across the world from Scandinavia to Russia Byzantium Sicily Turkey Palestine and finally England Travelling overland and by sea he gathers wealth recongition and power and along the way meets a range of famous and flamboyant historical figures including Cnut the Great Prince Jaroslav of Kiev the Empress Zoe and King Harold of England     **The Last Viking** Stephen R. Bown,2012 One hundred years have passed since Robert Falcon Scott s beleagured expeditionary team arrived at the South Pole only to find that they had been beaten by the Norwegian explorer Roald Amundsen The most feted explorer of his generation Amundsen counted the discovery of the Northwest Passage in 1905 as well as the North Pole amongst his greatest achievements In the golden age of polar exploration Amundsen whose revolutionary approach to technology transcends polar and nautical significance was a titan among men However until now his story has rarely featured as more than a footnote to

Scott's tragic failure. Reviled for defeating Scott but worshipped by his men, Amundsen was pursued by women and creditors throughout his life before disappearing on a rescue mission for the Italian Fascist who had set off in an airship to claim the North Pole for Mussolini. The Last Viking is the life of a visionary and a showman who brought the era of Shackleton to an end, put the newly independent Norway on the map and was the twentieth century's brightest trailblazing explorer. Against the backdrop of the race to conquer the most inhospitable corners of the earth, The Last Viking stands alongside The Worst Journey in the World for its grim immediacy of heroism and hardship. Bestriding the generation defined by adventure and the unquenchable desire for discovery, it is the mesmerising story of courage, misery, friendship and the ultimate price paid for immortality.

**Last Viking** Terry Deary, 2005. Adventure fiction. The Viking invaders have arrived to make Emma and her fellow villagers slaves. Will they be able to outwit the raiders and escape? This book features a gripping narrative with stacks of fun facts aimed at reluctant readers. Illustrations appear on almost every page.

**Vikings - Final Secrets Revealed** World History, 2025-05-06. In the past 50 years, significant progress has been made in mapping and understanding Scandinavia during the Viking Age. Archaeologists and historians have carefully studied various sources such as ancient postholes and thousand-year-old grape seeds in their efforts to uncover the truth about the Viking world. This work is crucial because the Vikings did not document their history, and what we know is based on exaggerated accounts from monks and sagas. However, with the help of patience and modern technology, researchers are slowly piecing together the puzzle. While considerable progress has been made, there are still unanswered questions. World History invites you on a fascinating journey to bygone eras, allowing you to explore the greatest events in history. Take a trip back in time to the frontlines of World War 2, to the Viking raids, and to the religious rituals of ancient Egypt. World History is for everyone who would like to know more about the exciting and dramatic events of the past.

*The Vikings* Robert Livesey, 2019-10-01. Meet these daring men and women who first discovered Canada. Who were they? Where did they travel? What gods inspired them? Where did they live? How did they dress? What sports did they play? Play a Viking board game. Write with the Viking alphabet. Find the North Star. Make a Viking helmet. And much, much more.

**Vikings** Kim Hjardar, 2020-01-10. A concise history of the Vikings and their time by the Norwegian historian and author of *Vikings at War*. From the ninth to the eleventh century, Viking ships landed on almost every shore in the Western world. Viking ravages united the Spanish kingdoms and stopped Charlemagne and the Franks' advance in Europe. Employing sail technology and using unpredictable strategies, the Vikings could strike suddenly, attack with great force, then withdraw with stolen goods and captives. Wherever Viking ships roamed, enormous suffering followed in their wake, but the encounters between cultures changed both European and Nordic societies. This short history of the Vikings introduces readers to this highly influential medieval society. Here you will learn how Vikings raided across Europe and even America, with fascinating information about their ships, weapons, armor, and unique way of life.

Tau Zero Poul Anderson, 2018-09-18. This Hugo Award finalist is justifiably regarded as a classic. SFReviews.net is the tale of

an epic space voyage where time dilation goes horribly wrong Aboard the spacecraft Leonora Christine fifty crewmembers half men and half women have embarked on a journey of discovery like no other to a planet thirty light years away Since their ship is not capable of traveling faster than light the crew will be subject to the effects of time dilation and relativity They will age five years on board the ship before reaching their destination but thirty three years will pass on Earth Experienced scientists and researchers they have come to terms with the time conditions of their space travel Until the Leonora Christine passes through an uncharted nebula which damages the engine making it impossible to decelerate the ship on the second half of their trip To survive the crewmembers have no choice but to bypass their destination and continue to accelerate toward the speed of light But how will they keep hope alive and maintain order as they hurtle deeper into space with time passing more and more rapidly and their ultimate fate unknown With its combination of mind blowing hard science and compelling human drama Tau Zero is the ultimate hard science novel Mike Resnick      **Genesis** Poul
