Cyclical Time & Ismaili Gnosis Henry Corbin, 2013-01-11 First published in 1983 The volume Cyclical Time and Ismaili Gnosis brings together in English translation three of Henry Corbin's richest and most complex studies originally presented at the Eranos conferences of 1951 and 1954 and another conference in 1956 Each of these three relatively early studies is built around a complex highly creative comparison of the phenomenological correspondences between texts often highly fragmentary from a vast range of spiritual traditions from late Antiquity including Manichaeism and the sects of Sassanid Iran all gnostic in the root Greek sense of that term favoured by Corbin though not in the narrower historical sense used by most contemporary scholars and comparable spiritual themes in an equally wide range of Islamic texts eventually preserved in the later Ismaili Shi'i tradition *God's Providence and Life's Lessons* Norma K. Riggs, 2009-11 Prayer is the most vital part of a Christian's life We must keep an open line of communication with God Everyone finds themselves in moments of trials and temptations and only God has the perfect way of escape Do you struggle with spiritual pain double mindedness insecurity fear hopelessness unforgiveness disobedience hurt loneliness rejection discouragement anger or a host of other imperfections Prayer will help God wants to be your comfort and guide There is pardon and protection in prayer God is the main character of prayer not us We must bring our petitions to Him not our wants and persuasions The excitement of the Christian walk is to find God's will and ask Him for it The prayers in this book are full of faith and praise and have brought healing and comfort to many Pray them verbatim or use them as a pattern for your own needs Victory comes to those who pray The privilege and responsibility of prayer belongs to those who are saved Life's Lessons is a group of short stories that introduce people to Jesus our Savior and Lord through everyday living Even if one has not read the Bible everyday life testifies to the sovereignty of God For God so loved the world that He gave His only begotten Son that whoever believes in Him should not perish but have everlasting life John 3:16 And if we know that He hears us whatever we ask we know that we have the petitions that we have asked of Him I John 5:15 Norma K Riggs is a happily married mother and grandmother living in Windsor Virginia She holds the degree of Bachelor of Theology from the International College of Bible Theology Besides
