*American Anthropology in Micronesia* Robert C. Kiste,Mac Marshall,1999-01-01 American Anthropology in Micronesia An Assessment evaluates how anthropological research in the Trust Territory has affected the Micronesian people the U S colonial administration and the discipline of anthropology itself Contributors analyze the interplay between anthropology and history in particular how American colonialism affected anthropologists use of history and examine the research that has been conducted by American anthropologists in specific topical areas of socio cultural anthropology Although concentrating largely on disciplinary concerns the authors consider the connections between work done in the era of applied anthropology and that completed later when anthropology was pursued mainly for its own sake The focus then returns to applied concerns in more recent years and issues pertaining to the relevance of anthropology for the world of practical affairs It will be of essential interest to students and scholars of Pacific Islands studies and the history of anthropology

**The Typhoon of War** Lin Poyer,Suzanne Falgout,Laurence Marshall Carucci,2000-11-01 World War II was a watershed event for the people of the former Japanese colonies of Micronesia The Japanese military build up the conflict itself and the American occupation and control of the conquered islands brought rapid and dramatic changes to Micronesian life Whether they spent the war in caves and bomb shelters in sweet potato fields under armed Japanese guard or in their own homes Micronesians who survived those years recognize that their peoples underwent a major historical transformation Like a typhoon the war swept away a former life The Typhoon of War combines archival research and oral history culled from more than three hundred Micronesian survivors to offer a comparative history of the war in Micronesia It is the first book to develop Islander perspectives on a topic still dominated by military histories that all but ignore the effects of wartime operations on indigenous populations The authors explore the significant cultural meanings of the war for Island peoples for the events of the war are the foundation on which Micronesians have constructed their modern view of themselves their societies and the wider world Their recollections of those tumultuous years contain a wealth of detail about wartime activities

local conditions and social change making this an invaluable reference for anyone interested in twentieth century Micronesia Photographs maps and a detailed chronology will help readers situate Micronesian experiences within the broader context of the Pacific War    **All Hands** ,1950    **Wisconsin Library Bulletin** ,1950    Library Journal Melvil Dewey,Richard Rogers Bowker,Frederick Leypoldt,L.
