of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

The Kingis Quair Together with a Ballad of Good Counsel James I. (Scotland, King), 1911

English Writers Henry Morley, 1890

The Long Fifteenth Century Helen Cooper, Sally Mapstone, 1997

The Long Fifteenth Century is intended as a companion volume to Douglas Gray's ground breaking Oxford Book of Late Medieval Verse and Prose and incorporates a bibliography of his published writings Gray's anthology revolutionized critical appreciation of English and Scottish literature of the long fifteenth century from the death of Chaucer to the Reformation but the literature of the period as a whole remains much under read undervalued and under studied The contributors to this volume all leading scholars in the field bring to the fore the power of underrated writers restore to the period writings often attributed to other centuries open up new possibilities in neglected genres offer radical rereadings of some more familiar works and demonstrate how closely the literature of the period is bound up with political and social conditions Written in honour of Douglas Gray to mark his long and distinguished tenure of the J R R Tolkien Professorship of English Literature and Language at Oxford university the 15 essays in this volume portray the long fifteenth century as a major period of literature in its own right They provide a comprehensive survey of fifteenth century literature in print from the morality play to the ballad verse forms to prose romances including Chaucer Lydgate Skelton and Hoccleve along with essays on the Middle French Poets and Scottish writings of the period
