The Kinks Greatest Hits:

The Kinks Greatest Hits (Songbook) The Kinks,2003-02-01 Piano Vocal Guitar Artist Songbook A must for all Kinks fans this super collection assembles 14 huge hits from these highly influential British Invaders All Day and All of the Night Ape Man Come Dancing Don't Forget to Dance Lola Rock N Roll Fantasy See My Friends Set Me Free Sleepwalker Sunny Afternoon So Tired of Waiting for You Waterloo Sunset Who'll Be the Next in Line You Really Got Me **33 1/3 Greatest Hits, Volume 1** David Barker,2006-09-12 The writings in this book are extracted from volumes 1 through 20 of our 33 1/3 series short books about individual albums In here you'll find a wide variety of authors albums and approaches to writing about those albums So sit back put on your headphones cue up your favourite songs and let our writers transport you to a time when Dusty Springfield headed south to Memphis to record a pop soul classic The Kinks almost fell to pieces and managed to make their best album while doing so Joy Division and their mad brilliant producer created a debut record that still sounds painfully hip today James Brown mesmerized a sell out crowd at the Apollo in the midst of the Cuban Missile Crisis The Rolling Stones shackled up in the South of France and emerged with one of the best double albums ever The Ramones distilled punk rock into its purest most enduring essence 33 1/3 Greatest Hits Volume 1 it's like a compilation album without the filler The Kinks Greatest Hits Kinks (Musical group),2003 For voice and piano with chord symbols and guitar chord diagrams Kinks Greatest Hits , **Capsule Overviews of Favorite Albums** Martin Winfree,2025-02-12 The hundreds of albums that I salvaged from Hurricane Katrina are gradually being passed along to a friend and the paragraphs that I gave him along with the first 399 LPs provide the genesis for Capsule Overviews of Favorite Albums I have written the stories behind the albums and the recording artists along with commentary on particular songs and other works by the same recording artists My goal is to flesh out information on the greatest music ever recorded particularly for younger people who didn't grow up with these records While not comprehensive the sections in the book give a good overview of the rock music scene over the past half century or so along with musicians in other genres that appeal to me *My Favorite Records* Daniel Braun,2019-04-11 There are hundreds of records that I have loved over the course of my life Some of these records have faded into the depths of my subconscious Fortunately most of them have stayed with me year after year remaining fresh in my memory alive in my heart I compiled my first Favorites List in 1983 and it contained about 600 recordings Most of the records on the original list are still there today My current list consists of about 900 recordings And the list is still growing as I continue to be introduced to more music You may be familiar with Rolling Stone's 2004 cover story The 500 Greatest Songs of All Time This is certainly a comprehensive compendium on the subject so why should I bother writing this book Because I'm taking a different approach a personal approach There's a difference between the greatest songs as determined by professional music critics and someone's favorite records I'm not a music critic or a musicologist I'm just a guy who loves good music Nonetheless I believe my opinions have value because of the strong

connection I have with each record The primary purpose of this book is to draw us together using our favorite music as the catalyst In the process of getting to know someone a commonly asked question is What kind of music do you like His or her answer usually reveals something about their personality Not only will you learn what my favorite records are you will learn about me why I like these songs and how I came to discover them I m hoping to create conversations not only between you and I but between all American music lovers Thousands upon thousands of songs have been recorded over the past 60 years I ve been an avid listener for most of my life but there are still a lot of hidden treasures out there I d love to find I m hoping you by sharing your favorites with me will help me to find them I m also hoping that I will inspire you to listen to some of my favorites There is a treasure trove of great music out waiting to be enjoyed *Great Western Highway* Anthony Macris,2012
