Bony and the White Savage Arthur W. Upfield,2022-08-16 In *Bony and the White Savage* Arthur W Upfield masterfully

weaves an intricate narrative that deftly explores themes of race identity and justice amidst the stark Australian landscape. Employing a distinctive literary style that marries straightforward prose with vivid descriptions, Upfield creates a captivating atmospheric tension as his Indigenous detective Napoleon Bonaparte Bony navigates the complexities of colonial society while investigating a chilling murder. This novel stands as a poignant commentary on the intersecting lives of white settlers and Indigenous Australians during a time of significant cultural tension, revealing both the savagery and humanity inherent in both worlds.

Arthur W Upfield, a pioneering figure in Australian crime fiction, drew upon his deep admiration for Indigenous culture and his experiences living in remote Australia to create the character of Bony, a half White half Aboriginal detective with a keen sense of justice. Upfield's own life was shaped by his interactions with Indigenous Australians, further informing his nuanced portrayal of race relations and the colonial experience, aspects that resonate powerfully in this novel. For readers seeking an engaging detective story that transcends the genre to confront broader societal issues, *Bony and the White Savage* is an essential addition to the canon of Australian literature. Upfield's compelling narrative and rich thematic explorations invite readers to ponder deep questions of morality and belonging, making it a thought-provoking read for both crime fiction enthusiasts and those interested in the complexities of Australian identity.

The 1920s Tamás Bényei, Shene Boskani, Nick Hubble, 2025-07-24

The particularity of 1920s British fiction has become obscured by an academic focus on modernism. This book takes a fresh approach to the decade by examining both canonical writers such as Virginia Woolf and E M Forster as well as less widely studied writers such as A A Milne and Naomi Mitchison. From the aftermath of First World War to the Great Depression of 1929 and its political consequences, the 1920s were a decade marked by radical social change. Internationally, there was an ongoing shift of global power, and nationally, Britain was adjusting to the aftermath of First World War, no longer being the dominant imperial power in the world and to the introduction of universal male suffrage and votes for women over thirty, which was extended to those over twenty-one in 1928. This volume relates the British fiction of the decade to these contexts in order to reassess and explain trends of the period, such as war books, fantastic romance, literary modernism, and new expressions of gender and sexuality. A major critical re-evaluation of the decade, the book covers such writers as Agatha Christie, E M Forster, Ethel Mannin, Somerset Maugham, R H Mottram, D H Lawrence, Wyndham Lewis, A A Milne, Hope Mirrlees, Naomi Mitchison, Dorothy Richardson, and Virginia Woolf, among others, illustrating how their key themes and concerns fit within the social and political circumstances of the decade.
