*Abhishek Majumdar Collected Plays* is the essential introduction to the playwright's beloved work

**The Theatre and the State in Singapore** Terence Chong, 2012-07-26 This book provides a comprehensive examination of the contemporary English language theatre field in Singapore It describes Singapore theatre as a politically dynamic field that is often a site for struggle and resistance against state orthodoxy and how the cultural policies of the ruling People's Action Party PAP have shaped Singapore theatre The book traces such cultural policies and their impact from the early 1960s and shows how the PAP used theatre and arts and culture more widely as a key part of its nation building programme Terence Chong argues that this diverse theatre community not only comes into regular conflict with the state but often collaborates with it depending on the rewards at stake not to mention the assortment of intra communal conflicts as different practitioners and groups vie for the same resources It goes on to explore how new forms of theatre especially English language avant garde theatre represented resistance to such government cultural control how the government often exerts its power behind the scenes to preserve its moral legitimacy and conversely how middle class theatre practitioners resistance to state power is strongly influenced by class and cultural capital Based on extensive original research including interviews with theatre directors and

other theatre professionals the book provides a wealth of information on theatre in Singapore overall and not just on theatre state relations      *Key Concepts in Drama and Performance* Kenneth Pickering, 2010-05-06 An invaluable companion which enables the reader to acquire and understand a vocabulary for discussion and critical thinking on all aspects of the subject The clear explanations of the concepts support students in their practical and theoretical explorations of the subjects and offer insights for research and reflective writing      **The Methuen Drama Handbook of Gender and Theatre** Sean Metzger, Roberta Mock, 2023-12-28 Shortlisted for the 2024 TaPRA Edited Collection Prize This is a guide to contemporary debates and theatre practices at a time when gender paradigms are both in flux and at the centre of explosive political battlegrounds The confluence of gender and theatre has long created intense debate about representation identification social conditioning desire embodiment and lived experience As this handbook demonstrates from the conventions of early modern English Chinese Japanese and Hispanic theatres to the subversion of racialized binaries of masculinity and femininity in recent North American African Asian Caribbean and European productions the matter of gender has consistently taken centre stage This handbook examines how critical discourses on gender intersect with key debates in the field of theatre studies as a lens to illuminate the practices of gender and theatre as well as the societies they inform and represent across space and time Of interest to scholars in the interrelated areas of feminist gender and sexuality studies theatre and performance studies cultural studies and globalization and diasporic studies this book demonstrates how researchers are currently addressing theatre about gender issues and gendered theatre practices While synthesizing and summarizing foundational and evolving debates from a contemporary perspective this collection offers interpretations and analyses that do not simply look back at existing scholarship but open up new possibilities and understandings Featuring essential research tools including a survey of keywords and an annotated play list this is an indispensable scholarly handbook for anyone working in theatre and performance      **Theatre and Dictatorship in the Luso-Hispanic World** Diego Santos Sánchez, 2017-11-06 Theatre and Dictatorship in the Luso Hispanic World explores the discourses that have linked theatrical performance and prevailing dictatorial regimes across Spain Portugal and their former colonies These are divided into three different approaches to theatre itself as cultural practice as performance and as textual artifact addressing topics including obedience resistance authoritarian policies theatre business exile violence memory trauma nationalism and postcolonialism This book draws together a diverse range of methodological approaches to foreground the effects and constraints of dictatorship on theatrical expression and how theatre responds to these impositions      [The World Encyclopedia of Contemporary Theatre](#) Katherine Brisbane, Ravi Chaturvedi, Ramendu Majumdar, Chua Soo Pong, Minoru Tanokura, 2005-08-16 This volume features over 250 000 words and more than 125 photographs identifying and defining theatre in more than 30 countries from India to Uzbekistan from Thailand to New Zealand and featuring extensive documentation on contemporary Chinese Japanese Indian and Australian theatre      **World Encyclopedia of**

**Contemporary Theatre** Irving Brown (Consulting Bibliographer), Natasha Rappaport (Bibliographer), Don Rubin (General Editor), Rosabel Wang (Consulting Bibliographer), 2013-10-11 An annotated world theatre bibliography documenting significant theatre materials published world wide since 1945 plus an index to key names throughout the six volumes of the series *The Theatre*, 1900 *The Oxford Handbook of Modern Irish Theatre* Nicholas Grene, Chris Morash, 2016-07-28 The Oxford Handbook of Modern Irish Theatre provides the single most comprehensive survey of the field to be found in a single volume Drawing on more than forty contributors from around the world the book addresses a full range of topics relating to modern Irish theatre from the late nineteenth century to the most recent works of postdramatic devised theatre Ireland has long had an importance in the world of theatre out of all proportion to the size of the country and has been home to four Nobel Laureates Yeats Shaw and Beckett Seamus Heaney while primarily a poet also wrote for the stage This collection begins with the influence of melodrama and looks at arguably the first modern Irish playwright Oscar Wilde before moving into a series of considerations of the Abbey Theatre and Irish modernism Arranged chronologically it explores areas such as women in theatre Irish language theatre and alternative theatres before reaching the major writers of more recent Irish theatre including Brian Friel and Tom Murphy and their successors There are also individual chapters focusing on Beckett and Shaw as well as a series of chapters looking at design acting and theatre architecture The book concludes with an extended survey of the critical literature on the field In each chapter the author does not simply rehearse accepted wisdom all of the contributors push the boundaries of their respective fields so that each chapter is a significant contribution to scholarship in its own right *The Drama of South Africa* Loren Kruger, 2005-11-01 The Drama of South Africa comprehensively chronicles the development of dramatic writing and performance from 1910 when the country came into official existence to the advent of post apartheid Eminent theatre historian Loren Kruger discusses well known figures as well as lesser known performers and directors who have enriched the theatre of South Africa She also highlights the contribution of women and other minorities concluding with a discussion of the post apartheid character of South Africa at the end of the twentieth century **City Stage** Mike Ingham, Xu Xi, 2005-06-01 City Stage is an anthology of recent Hong Kong English language drama written for Hong Kong performers and audiences All the plays were written in the last ten years and so capture and reflect the fast developing multiculturalism of the Hong Kong scene a somewhat paradoxical phenomenon in view of the 1997 return to China Mainland sovereignty The richness and diversity of the subject matter the wide range of theatre styles from the naturalistic to the highly stylized and quite simply the engaging quality of the dramatic writing all make this anthology both an essential adjunct to the 2001 prose fiction and poetry collection City Voices and at the same time a ground breaking independent record of an incredibly fertile period in Hong Kong's recent creative life history Thematically speaking whilst all plays have their unique voice and subject matter it is accurate to say that the quest for personal and communal identity is a theme that goes to the heart of all present selections The anthology is important in that

it epitomizes the increasing interconnectedness of previously segregated facets of Hong Kong culture indicating the very welcome tendency towards more open dialogue between Chinese and non Chinese practitioners and audiences The anthology contains the complete texts of the shorter plays and strategically selected excerpts from the longer plays All the texts in this collection were written as English language versions for performance rather than literary translations although for some a Chinese language text was also written
