

Lectures on Wisdom & Folly

1:8-9:18

- ▶ Both "Wisdom" & "Folly" are feminine nouns in the Hebrew language.
- ▶ Thus the use of the literary device, "My son, listen to my words," is intentional. All readers/hearers are the "son" (masculine) who is courted by two women (feminine "Wisdom" & "Folly"). At the end of these lectures all must choose which woman to be with. Wisdom brings stability and well-being; Folly offers quick experiences and tragic ends.
- ▶ The "lectures" are carefully planned & written:

The Language Of Wisdom And Folly:

The Language of Wisdom and Folly Irving J. Lee, 1949 The Language of Wisdom and Folly Irving J. LEE, 1977 The Language of Wisdom and Folly. Background Reading in Semantics. Edited and with an Introduction by I. J. Lee Irving J. LEE, 1949 Revolutionary Histories W. Verhoeven, 2016-01-12 In this collection of interdisciplinary essays historians and literary critics from both sides of the Atlantic analyse some of the most significant watersheds and faultlines that occurred in the period 1775 1815 a crucial era in the history of Euro Americans relations Tracing complex patterns of intellectual and cultural cross pollination between the Old and the New World between pre and post Revolutionary cultures the essays aim to increase our awareness of the degree to which the emergence of cultural nationalism in this period was essentially a transatlantic process a process that was itself part of a larger circumatlantic cultural continuum The New American Bible Revised Edition Confraternity of Christian Doctrine, 2011 The NABRE Compact Edition is a light and portable version of Oxford's popular Catholic Bible Compact size and supremely affordable value make this paperback edition perfect for school and church use The Compact Edition is available in three attractive bindings black duradera with a zipper closure black blue pacific duvelle and paperback Printed on smooth durable paper in a clear typeface and easy to navigate format the NABRE Compact Edition is easy to use and fits perfectly in a purse or bag This slim portable edition is packed with all the same trusted features that have made Oxford New American Bible volumes the best Bible versions available The New American Bible Revised Edition The New American Bible Revised Edition NABRE brings to culmination the work of nearly 100 scholars including translators editors and a subcommittee of Catholic bishops who provided extensive review of the biblical text over a period of many years The NABRE is the first major amendment to the New American Bible translation since 1991 It features The first update of the Old Testament since 1970 taking into account recent archaeological and textual discoveries Complete revision of the Psalter *British Drama 1533-1642: A Catalogue* Martin Wiggins, Catherine Richardson, 2012-09-13 Volume 3 covers the years 1590 1597 and sees the start of Shakespeare's career as a dramatist **Hebel, Joy, and the Fear of God** Ryan Ball, 2025-04-25 Is life vanity Does time erase our meaning Are the evils of society and one's lot inescapable Are we consigned to scavenge for scraps of enjoyment in our fleeting existence In the end does anything even matter With refreshingly brutal honesty Qoheleth the primary speaker in the book of Ecclesiastes delves into life's difficulties evils and mysteries But he does not stay there In *Hebel Joy and the Fear of God* Ryan Ball investigates Qoheleth's primary motifs and demonstrates a narrative progression in which Qoheleth's failed endeavors become the context for his instruction for life Succumbing neither to a meaningless existence nor to a hedonistic resignation Qoheleth offers hard earned wisdom rooted in his inherited wisdom tradition and covenantal faith In a striking and welcome departure from the majority of scholarship this book offers a Qoheleth that complements the rest of the Old Testament writers as he stands in the canon as a faithful witness

Fortress Commentary on the Bible Margaret Aymer, Cynthia Briggs Kittredge, David A. Sánchez, 2014-10-01 The

Fortress Commentary on the New Testament presents a balanced synthesis of current scholarship. The contributors bring a rich diversity of perspectives to the task of connecting solid historical critical analysis of Scripture with sensitivity to theological, cultural, and interpretive issues arising in our encounter with the text. The volume includes introductory articles, section introductions, and individual book articles that explore key sense units through three lenses: The Text in Its Ancient Context, The Text in the Interpretive Tradition, and The Text in Contemporary Discussion. Comprehensive and useful for preaching, teaching, and research.

Proverbs Christopher B. Ansberry, 2024. Designed for the pastor and Bible teacher, the Zondervan Exegetical Commentary on the Old Testament features today's top Old Testament scholars and brings together commentary features rarely gathered together in one volume. With careful discourse analysis and interpretation of the Hebrew text, the authors trace the flow of argument in each Old Testament book, showing that how a biblical author says something is just as important as what they say. Commentary on each passage follows a clear structure to help readers grasp the flow and meaning of the text.

The Main Idea of the Passage: A one or two sentence summary of the key ideas the biblical author seeks to communicate.

Literary Context: A brief discussion of the relationship of the specific text to the book as a whole and to its place within the broader argument.

Translation and Exegetical Outline: Commentators provide their own translations of each text, formatted to highlight its discourse structure and accompanied by a coherent outline that reflects the flow and argument of the text.

Structure and Literary Form: An overview of the literary structure and rhetorical style adopted by the biblical author, highlighting how these features contribute to the communication of the main idea of the passage.

Explanation of the Text: A detailed commentary on the passage, paying particular attention to how the biblical authors select and arrange their materials and how they work with words, phrases, and syntax to communicate their messages.

Canonical and Practical Significance: The commentary on each unit will conclude by building bridges between the world of the biblical author and other biblical authors, and with reflections on the contribution made by this unit to the development of broader issues in biblical theology, particularly on how later Old Testament and New Testament authors have adapted and reused the motifs in question. The discussion also includes brief reflections on the significance of the message of the passage for readers today.

The Zondervan Exegetical Commentary on the Old Testament series is the go-to resource for pastors and Bible teachers looking for deep but accessible study that equips them to connect the needs of Christians today with the biblical text.

Fortress Commentary on the Bible set by Gale A. Yee, Cynthia Briggs Kittredge, David A. Sanchez, Hugh R. Page Jr., Margaret Aymer, Matthew J. M. Coomber, 2015-06-02. Introductory articles in each volume discuss the dramatic challenges that have shaped contemporary interpretation of the Bible. Commentary articles set each book of the Old and New Testaments and the Apocrypha in its historical and cultural context, discuss the themes in each book that have

proven most important for the Christian interpretive tradition and introduce the most pressing questions facing the responsible use of the Bible today The writers are renowned authorities in the historical interpretation of the Old and New Testaments sensitive to theological and cultural issues arising in our encounter with the text richly diverse in social locations and vantage points representing a broad array of theological commitment Protestants Catholics Jews and others and alive to the ethical consequences of interpretation today A team of six scholar editors and seventy contributors provides clear and concise commentary on key sense units in each book of the Old Testament Apocrypha and New Testament Each unit is explored through the lenses of three levels of commentary based on these critical questions The result is a commentary that is comprehensive and useful for gaining insights on the texts for preaching teaching and research In addition to the commentary essays on each book the volumes also contain major essays that introduce each section of Scripture and explore critical questions as well as up to date and comprehensive bibliographies for each book and essay
