*The Last Continent* Terry Pratchett, 2009-10-13 If you are unfamiliar with Pratchett's unique blend of philosophical badinage interspersed with slapstick you are on the threshold of a mind expanding opportunity Financial Times Chaos ensues when Discworld's deliciously hapless wizard Rincewind goes walking about in the Down Under in this wonderfully witty satire from legendary internationally bestselling author Sir Terry Pratchett There's big trouble at the Unseen University Ankh Morpork's prestigious and only institute of higher learning A professor is missing and the one person who can find him is not only the most bumbling magician the school ever produced he's currently stranded in Fourecks Discworld's last and unfinished continent The down under is hot so hot and it's dry so dry though it's rumored there was once this thing called The Wet but no one believes that Practically everything here that's not poisonous is venomous Discworld's most inept wizard and his companion Luggage are eager to get home but first Rincewind has to survive a pushy mystical kangaroo trickster named Scrappy and a mob of Fourecks hooligans determined to hang him All his problems would be solved if he could just make it rain for maybe the first time ever And if the time traveling professors from UU working on rescuing him can get to the right millennium The Discworld books can be read in any order but *The Last Continent* is the sixth book in the Wizards collection and the 22nd Discworld book The other books in the Wizards collection include *The Color of Magic* *The Light Fantastic* *Sourcery* *Eric* *Interesting Times* *Unseen Academicals*

**The Last Continent** Terry Pratchett, 1999-07-20 On the Discworld's last continent it's hot It's dry very dry There was this thing once called the Wet which no one now believes in Practically everything that's not poisonous is venomous But it's the best bloody place in the world all right And it'll die in a few days except Who is this hero striding across the red desert Champion sheep shearer horse rider road warrior beer drinker A man in a hat whose Luggage follows him on little legs Yes all this place has between itself and wind blown doom is Rincewind the inept wizard He's the only hero left Still no worries eh

*The Last Continent* Terry Pratchett, 2016-11-22 On the Discworld's last continent it's hot It's dry very dry There was this thing once called the Wet which no one now believes in Practically everything that's not poisonous is venomous But it's the best bloody place in the world all right And it'll die in a few days except Who is this hero striding across the red desert Champion sheep shearer horse rider road warrior beer drinker A man in a hat whose Luggage follows him on little legs Yes all this place has between itself and wind blown doom is Rincewind the inept wizard He's the only hero left Still no worries eh

**The Last Continent** Terry Pratchett, 2014-04-29 There's big trouble at the Unseen University Ankh Morpork's lone institute of higher learning A professor is missing and the one person who can find him is not only the most inept magician the school ever produced but currently stranded on the unfinished down under continent of Fourecks As the UU faculty tries to bring him back Rincewind is having troubles of his own thanks to a pushy mystical kangaroo trickster named Scrappy and a mob of Fourecks hooligans who are out to hang him All his problems would be solved if he could just make it rain for the first time ever And if the time traveling professors can

get to the right millennium      *Unseen Academicals* Terry Pratchett, 2009-11-10 We play and are played and the best we can hope for is to do it with style Football has come to the ancient city of Ankh Morpork And now the wizards of Unseen University must win a football match without using magic so they're in the mood for trying everything else To do this they recruit an unlikely group of players Trev a street urchin with a talent for kicking a tin can Glenda the night chef who makes a mean pie Juliet the kitchen hand turned world's greatest fashion model and the mysterious Mr Nutt who has something powerful and dark locked away inside him And the thing about football the important thing about football is that it is not just about football Here we go here we go here we go This isn't just football it's Discworld football Or to borrow another phrase it's about life the Universe and everything The Times No one mixes the fantastical and mundane to better comic effect Daily Mail *Unseen Academicals* is the seventh book in the Wizards series but you can read the Discworld novels in any order

**Subcreation: Fictional-World Construction from J.R.R. Tolkien to Terry Pratchett and Tad Williams** Stefanie Schult, 2017-01-26 The doctoral thesis argues that the term Subcreation with its revised and broadened definition in part differing from J R R Tolkien's original term sub creation may be used for the discussion of the making of fictional worlds in literary discourse The successful conception of a fictional world depends on the reader's willing suspension of disbelief This depends both on the author and his skilled composition of the world and all its aspects as well as on the reader's acceptance of this invented fictional world The author needs to create a narrative with an inner consistency which is crucial to achieving the effect of the reader's immersion in the fictional world The fundamental aspects that an author needs to realize to achieve successful Subcreation have been structured into and analysed in four categories Language and Linguistic Variation Physiopoeia Anthropoeia and Mythopoeia Furthermore this thesis shows that as contemporary examples of fantastic literature both Tad Williams's and Terry Pratchett's fictional worlds are successfully

created through the realization of these aspects of Subcreation Apart from commenting on the success of the subcreative process this thesis also remarks upon the cultural influences both authors include in their writings While both may be considered Anglophone in a general categorization Pratchett s Discworld retains a feeling of Britishness that is not to be found in Williams s Otherland The thesis proposes several approaches to Subcreation that may be studied subsequently So for example it may be possible to determine the success of an author s Subcreation by collecting empirical data Apart from literary works this field of studies may also include other media **The Last Continent** Terry Pratchett,2005 The inept and cowardly wizard Rincewind who habitually runs into trouble as fast as he flees has arrived in Fourecks and distorted the space time continuum He is now the only hero left and he must save the day before the whole place dries up and blows away
