# The Last Great Cause

**Jay P. Corrin**

## **The Last Great Cause:**

**The Last Great Cause** Stanley Weintraub, 1968      **Spain's Civil War** Daniel S. Davis, 1975 Examines the causes events and aftermath of the three year struggle between the opposing forces in the Spanish Civil War      *FDR and the Spanish Civil War* Dominic Tierney, 2007-07-02 Provides new understanding of Franklin Roosevelt's involvement in the Spanish Civil War claiming that he was activist and pro Loyalist      **The Last Great Safari** Corey W. Reigel, 2015-04-22 In *The Last Great Safari East Africa in World War I* military historian Corey W Reigel explores a fascinating and misunderstood theater of operations in the history of the First World War Unprepared for the Great War colonial units combined modern industrial weapons and equipment with traditional African methods to produce a hybrid force Throughout *The Last Great Safari* Reigel challenges myth after myth Were really one million Allied soldiers pulled up from Europe to toil in the tropical sun only to fall victim to local diseases Did the Germans truly become masters of guerrilla warfare and humiliate the British Empire in what appeared a David versus Goliath conflict Reigel brings together traditional military studies and African history to explore the myths fables and stereotypes that have long characterized examinations of this topic from questions as to how German East Africa contributed to the fate of the war to claims respecting significant diversion of resources Racism played a significant role in then prevalent definitions of what constituted military success and in how Africans and Indians were recruited holding more sway in the minds of white armies as a success factor than differences in weapons Reigel points out how modern methods of medicine and transportation ultimately failed only to be replaced by a hybrid of industrial Europe and traditional African solutions for dealing with an especially difficult climate In the end when necessity came to outweigh then current ideas of professionalism did German forces outfight their opponents *The Last Great Safari East Africa in World War I* will interest students of military history African studies and World War I as this tale of colonial warfare within a war of attrition shaped part of Africa's colonial future      **Atatürk** Andrew Mango, 2002-08-26 A superlative and exhaustively researched biography of one of the most complex and controversial figures in twentieth century world history *Library Journal* Mustafa Kemal Atatürk was virtually unknown until 1919 when he took the lead in thwarting the victorious Allies plan to partition the Turkish core of the Ottoman Empire He divided the Allies defeated the last Sultan and secured the territory of the Turkish national state becoming the first president of the new republic in 1923 fast creating his own legend This revealing portrait of Atatürk throws light on matters of great importance today resurgent nationalism religious fundamentalism and the reality of democracy One of the world's most respected specialists on Turkey *The New York Times* Mango gives this man one of the least known nation builders of the last century full treatment from his earliest days to his ascension to power and his death from cirrhosis at the age of 57 Few leaders have so modernized an ancient society instituting radical changes in dress religion government education even the alphabet Mango's admiration for Atatürk doesn't keep him from displaying the dictator's arrogance ruthlessness and authoritarianism his Turkish expertise enables him to flesh out Atatürk's complex life

via sources he translated himself a rounded finely detailed portrait Publishers Weekly Thanks to Andrew Mango's new biography the best in the English language a man both demonized and idolized appears to us in three dimensions The Washington Post A superb biography Dallas Morning News The best concise account I have ever seen of the decline of the Ottoman Empire The narrative is gripping Geoffrey Lewis author of *Modern Turkey* [Revolution, Counterrevolution and Assassination Through World War II](#) Robert C. Cottrell, 2024-12-06 Since the French Revolution the quest for revolutionary transformation and the fear of such change became deeply ingrained in the global landscape through World War II Modern revolutions inspired counterrevolutions that strove to turn back time to an allegedly purer finer more moral period than the upheaval and anarchy linked to a revolutionary epoch Revolutions often occurred through violence and entailed a disruption of existing social economic and political orders Counterrevolutions were equally guilty and frequently more so of horrific bloodletting in the name of restoring law and order often by shredding legal and ethical norms Drawing from a vast array of sources both primary and secondary this first of a two volume set presents a highly detailed narrative of an unholy trinity revolution counterrevolution and assassination Combining intellectual political social and cultural history this book highlights international protagonists movements and ideas supporting the radical or reactionary upheaval of society and the means that have been used to do so *The Christian Repository*, 1859 Issues for 1856 1857 include section called Family visitant conducted by Mrs S R Ford

**English Language (Vol 1) Topicwise Notes for All Banking Related Exams | A Complete Preparation Book for All Your Banking Exams with Solved MCQs | IBPS Clerk, IBPS PO, SBI PO, SBI Clerk, RBI and Other Banking Exams** EduGorilla Prep Experts, 2023-04-29 EduGorilla's English Language Vol 1 Study Notes are the best selling notes for English Language Their content for banking exams is well researched and covers all topics related to English Language The notes are designed to help students prepare thoroughly for their exams with topic wise notes that are comprehensive and easy to understand The notes also include solved multiple choice questions MCQs for self evaluation allowing students to gauge their progress and identify areas that require further improvement These study notes are tailored to the latest syllabus of all banking related exams making them a valuable resource for exam preparation

*Confederate Veteran*, 1895 [Modernism and the New Spain](#) Gayle Rogers, 2012 Drawing on transnational literary studies periodical studies translation studies and comparative literary history *Modernism and the New Spain* illuminates why Spain has remained a problematic space on the scholarly map of international modernisms **Catholic Intellectuals and the Challenge of Democracy** Jay P. Corrin, 2010-12-20 Tracing the development of progressive Catholic approaches to political and economic modernization *Catholic Intellectuals and the Challenge of Democracy* disputes standard interpretations of the Catholic response to democracy and modernity in the English speaking world particularly the conventional view that the Church was the servant of right wing reactionaries and authoritarian patriarchal structures Starting with the writings of Bishop Wilhelm von Ketteler of Germany the Frenchman Fr d rick Ozanam and England's

Cardinal Henry Edward Manning whose pioneering work laid the foundation of the Catholic third way Corrin reveals a long tradition within Roman Catholicism that championed social activism These visionary writers were the forerunners of Pope John XXIII s aggiornamento a call for Catholics to broaden their historical perspectives and move beyond a static theology fixed to the past By examining this often overlooked tradition Corrin attempts to confront the perception that Catholicism in the modern age has invariably been an institution of reaction that is highly suspicious of liberalism and progressive social reform Catholic Intellectuals and the Challenge of Democracy charts the efforts of key Catholic intellectuals primarily in Britain and the United States who embraced the modern world and endeavored to use the legacies of their faith to form an alternative pluralistic path that avoided both socialist collectivism and capitalism In this sweeping volume Corrin discusses the influences of Cecil and G K Chesterton H A Reinhold Hilaire Belloc and many others on the development of Catholic social economic and political thought with a special focus on Belloc and Reinhold as representatives of reactionary and progressive positions respectively He also provides an in depth analysis of Catholic Distributists responses to the labor unrest in Britain prior to World War I and later in the 1930s to the tragedy of the Spanish Civil War and the forces of fascism and communism

**The White House Looks South** William E. Leuchtenburg, 2005-10 Perhaps not southerners in the usual sense Franklin D Roosevelt Harry S Truman and Lyndon B Johnson each demonstrated a political style and philosophy that helped them influence the South and unite the country in ways that few other presidents have Combining vivid biography and political insight William E Leuchtenburg offers an engaging account of relations between these three presidents and the South while also tracing how the region came to embrace a national perspective without losing its distinctive sense of place According to Leuchtenburg each man had one foot below the Mason Dixon Line one foot above Roosevelt a New Yorker spent much of the last twenty five years of his life in Warm Springs Georgia where he built a Little White House Truman a Missourian grew up in a pro Confederate town but one that also looked West because of its history as the entrep t for the Oregon Trail Johnson who hailed from the former Confederate state of Texas was a westerner as much as a southerner Their intimate associations with the South gave these three presidents an empathy toward and acceptance in the region In urging southerners to jettison outworn folkways Roosevelt could speak as a neighbor and adopted son Truman as a borderstater who had been taught to revere the Lost Cause and Johnson as a native who had been scorned by Yankees Leuchtenburg explores in fascinating detail how their unique attachment to place helped them to adopt shifting identities which proved useful in healing rifts between North and South in altering behavior in regard to race and in fostering southern economic growth The White House Looks South is the monumental work of a master historian At a time when race class and gender dominate historical writing Leuchtenburg argues that place is no less significant In a period when America is said to be homogenized he shows that sectional distinctions persist And in an era when political history is devalued he demonstrates that government can profoundly affect people s lives and that presidents can be change makers

**Unpublished Research on Western**

**Europe, Completed and in Progress** United States Department of State. External Research Division, 1962 Beginning in 1954 Apr issue lists studies in progress Oct issue completed studies      *AntiFascism and Memory in East Germany* Josie McLellan, 2004-10-07 *AntiFascism and Memory in East Germany* is a book about remembering and about forgetting about war and about the peace which eventually followed In the unlikely setting of the German Democratic Republic GDR the Spanish Civil War became the subject of a debate which both predated and outlasted the Cold War involving historians veterans politicians censors artists writers and Church activists Examining these multiple memories and interpretations of Spain casts new and unexpected light on the legacy of the Spanish Civil War and the relationship between history and memory under state socialism The ruling Socialist Unity Party made full use of the antifascist legacy as legitimation for a non democratic state But despite dogged attempts at control and censorship the state was unable to silence competing voices All over East Germany International Brigade veterans preserved their version of events in letters to each other in communications with the party in discussions with friends and family around the kitchen table and in memoirs written for the desk drawer For younger East Germans the war retained an undeniably romantic aura From their perspective Spain was a far away land to which they were forbidden to travel the stuff of camp fire singalongs and fantasies of adventure This book dissects the relationship between state sponsored history the lobbying of veterans cultural interpretations of war and the memory traces left behind by marginalised or politically oppositional groups and individuals It is a cultural history of memory under state socialism a social history of veteran groups and their relationship with the state and a political history of communist culture Above all it is the story of how post war Europeans came to terms with the heavy burden of their pre war past      The Structure of Brazilian Development Neuma Aguiar, 1979-01-01 Having experienced a period of crisis the young scholars included in this anthology provide evidence that critical periods can be favorable to the flourishing of the social sciences and that crises in society and the polity may provide new incentives for the profession The authors have used the most critical period of Brazil's change from a liberal to an authoritarian government to further their training in Europe and the United States returning to their country to shed new light on past and current events They have adapted their training to a non liberal environment and combined local research with a universalistic orientation in their analyses of Brazilian social structure This book investigates the roles of the peasantry in Brazilian society past and present It describes the pact established between traditional rural elites and the central government which favored the previous populist style of urban politics but left unaltered the rural social structure In addition to analyzing the political trade offs between the traditional elite and the central government the authors focus on the class structure within which peasant leagues emerged The country's political development is analyzed through a bi polar political structure wherein populist and authoritarian regimes alternate in power Other aspects of the military government's impact are discussed through the use of public policy models aimed at analyzing the output of both liberal and authoritarian regimes Continuity between the current administration and previous

authoritarian governments is shown as well as new developments such as changes in municipal taxation which allow for the emergence of new technical elites The increase in authoritarian legislation is discussed within this analytical framework as is the expansion of entrepreneurial activities This book brings together the analytical result of recent research by a distinguished group of young Brazilian social scientists It is the first book written in English about Brazil by Brazilians and as such represents an extremely important contribution to the literature An up to date selected bibliography on social science research in Brazil from 1960 77 is an essential reference point for all future undertakings Shepard Forman Department of Anthropology University of Michigan *The Communist Party in Spain* VÃctor Alba,1983-01-01 *The Spanish Republic at War 1936-1939* Helen Graham,2002-12-19 This book is a comprehensive 2002 analysis of the Spanish left during the civil war of 1936 9 **Historical Dictionary of the Spanish Civil War** Francisco J. Romero Salvadó,2013-03-14 The Historical Dictionary of the Spanish Civil War covers the history of the war through a chronology an introductory essay appendixes maps and an extensive bibliography The dictionary section has over 600 cross referenced entries on persons places events institutions **Past Imperfect** Tony Judt,2011 Swept up in the vortex of communism French postwar intellectuals developed a blind spot to Stalinist tyranny Albert Camus who had been an authentic moral voice of the Resistance pretended not to know about the crimes and terrors of the Soviet Union Jean Paul Sartre perverted logic to make an apologia for the Soviet invasion of Hungary Simone de Beauvoir called for social change to be brought about in a single convulsion or else not at all Foolish French thinkers suffering self imposed moral anesthesia defended the credibility of the show trials in Stalinized Eastern Europe In a devastating study Judt a professor of European studies at New York University argues that the belief system of postwar intellectuals propped up by faith in communism reflected fatal weaknesses in French culture such as the fragility of the liberal tradition and the penchant for grand theory He also strips away the postwar myth that the small fighting French Resistance was assisted by the mass of the nation *Transatlantic Anarchism during the Spanish Civil War and Revolution, 1936-1939* Morris Brodie,2020-04-08 Between 1936 and 1939 the Spanish Civil War showcased anarchism to the world News of the revolution in Spain energised a moribund international anarchist movement and activists from across the globe flocked to Spain to fight against fascism and build the revolution behind the front lines Those that stayed at home set up groups and newspapers to send money weapons and solidarity to their Spanish comrades This book charts this little known phenomenon through a transnational case study of anarchists from Britain Ireland and the United States using a thematic approach to place their efforts in the wider context of the civil war the anarchist movement and the international left

## Whispering the Strategies of Language: An Mental Quest through **The Last Great Cause**

In a digitally-driven earth wherever monitors reign great and quick interaction drowns out the subtleties of language, the profound secrets and emotional nuances hidden within phrases frequently move unheard. While this might not be the The Last Great Cause full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Last Great Cause eBooks, including some popular titles.

## FAQs About The Last Great Cause Books

**What is a The Last Great Cause PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Last Great Cause PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Last Great Cause PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Last Great Cause PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Last Great Cause PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
