The last picture show, 2006 Performed by Timothy Bottoms Jeff Bridges Ellen Burstyn Ben Johnson Cloris Leachman Randy Quaid Cybill Shepherd Summary Drama of social and sexual mores in small town Texas set in the lull between World War II and the Korean War High schoolers Sonny and Duane are best friends and as graduation approaches they consider their future and the future of their dying town Based on the novel by Larry McMurtry Originally released as a motion picture in 1971 Special features The last picture show a look back documentary [The Great Movies III](#) Roger Ebert, 2024-05-31 Roger Ebert has been writing film reviews for the Chicago Sun Times for over four decades now and his biweekly essays on great movies have been appearing there since 1996 As Ebert noted in the introduction to the first collection of those pieces They are not the greatest films of all time because all lists of great movies are a foolish attempt to codify works which must stand alone But it s fair to say If you want to take a tour of the landmarks of the first century of cinema start here Enter The Great Movies III Ebert s third collection of essays on the cr me de la cr me of the silver screen each one a model of critical appreciation and a blend of love and analysis that will send readers back to the films with a fresh set of eyes and renewed enthusiasm or maybe even lead to a first time viewing From The Godfather Part II to Groundhog Day from The Last Picture Show to Last Tango in Paris the hundred pieces gathered here display a welcome balance between the familiar and the esoteric spanning Hollywood blockbusters and hidden gems independent works and foreign language films alike Each essay draws on Ebert s vast knowledge of the cinema its fascinating history and its breadth of techniques introducing newcomers to some of the most exceptional movies ever made while revealing new insights to connoisseurs as well Named the most powerful pundit in America by Forbes magazine and a winner of the Pulitzer Prize Roger Ebert is inarguably the most prominent and influential authority on the cinema today The Great Movies III is sure to please his many fans and further enhance his reputation as America s most respected and trusted film critic [In a Narrow Grave](#) Larry McMurtry, 2010-06-01 Writing with characteristic grace and wit Larry McMurtry tackles the full spectrum of his favorite themes from sex literature and cowboys to rodeos small town folk and big city slickers First published in 1968 In a Narrow Grave is the classic statement of what it means to come from Texas In these essays McMurtry opens a window into the past and present of America s largest state In his own words Before I was out of high school I realized I was witnessing the dying of a way of life the rural pastoral way of life In the Southwest the best energies were no longer to be found on the homeplace or in the small towns the cities required these energies and the cities bought them I recognized too that the no longer open

but still spacious range on which my ranching family had made its livelihood would not produce a livelihood for me or for my siblings and their kind The myth of the cowboy grew purer every year because there were so few actual cowboys left to contradict it I had actually been living in cities for fourteen years when I pulled together these essays intellectually I had been a city boy but imaginatively I was still trudging up the dusty path that led out of the country

Dirty Real Peter Stanfield,2024-07-06 The story of how the movies assumed a gritty facade in the name of authenticity with working actors transforming into artists poets painters troubadours and filmmakers both on and off screen This is the tale of how Hollywood inspired by the success of Easy Rider sold a cycle of films as the new dirty real Dennis Hopper Peter Fonda Monte Hellman Jack Nicholson Kris Kristofferson and Sam Peckinpah among others parlayed a nostalgia for the gutter and donned bohemian personae pulling on soiled shirts and scuffed boots to better counter the glamour and phoniness of Tinseltown The result was a generation of movies including The Hired Hand Five Easy Pieces Two Lane Blacktop The Last Picture Show and Pat Garrett and Billy the Kid With great care for the historical record and displaying a refined critical acuity Peter Stanfield captures that pivotal moment when Hollywood tried to sell a begrimed vision of itself to the world

Other Hollywood Renaissance Dominic Lennard,2020-09-09 In the late 1960s the collapse of the classic Hollywood studio system led in part and for less than a decade to a production trend heavily influenced by the international art cinema

Reflecting a new self consciousness in the US about the national film patrimony this period is known as the Hollywood Renaissance However critical study of the period is generally associated with its so called principal auteurs slighting a number of established and emerging directors who were responsible for many of the era s most innovative and artistically successful releases With contributions from leading film scholars this book provides a revisionist account of this creative resurgence by discussing and memorializing twenty four directors of note who have not yet been given a proper place in the larger history of the period Including filmmakers such as Hal Ashby John Frankenheimer Mike Nichols and Joan Micklin Silver this more expansive approach to the auteurism of the late 1960s and 1970s seems not only appropriate but pressing a necessary element of the re evaluation of Hollywood with which cinema studies has been preoccupied under the challenges posed by the emergence and flourishing of new media
