compiled for these films during the silent film era were full of the musical clichés of the 1920s composed new scores to over 100 silent films An American Organist in Paris presents Lee Orville Erwin's letters from France to his family in 1930-1931 In these letters Erwin recounts his daily experiences and encounters with some of the 20th century's greatest musicians and teachers He writes of his lessons with Marchal Verd and Boulanger and dinner parties with Olivier Messiaen Erwin's letters not only provide the singular experiences of a young musician but also reflect the common experiences shared by the multitude of American composers who studied in France during this time These letters are extensively footnoted to provide clarity and background information of the locations and personalities discussed A biographical chapter on Erwin which outlines his extensive musical career and impact on the silent film music revival in the 20th century is also included This book will serve as a unique glimpse into the life of one of America's most prolific composers for the theater organ

Translated ... with Explanatory Notes by H. D. Miles Marie Joseph Eugène SUE, 1846 **The Bones of Paris** Laurie R. King, 2013-09-10 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE SACRAMENTO BEE New York Times bestselling author Laurie R King beloved for her acclaimed Mary Russell Sherlock Holmes series consistently writes richly detailed and thoroughly suspenseful novels that bring a distant time and place to brilliant life Now in this thrilling new book King leads readers into the vibrant and sensual Paris of the Jazz Age and reveals the darkest secrets of its denizens Paris France September 1929 For Harris Stuyvesant the assignment is a private investigator's dream he's getting paid to prowl the cafés and bars of Montparnasse looking for a pretty young woman The American agent has a healthy appreciation for la vie de bohème despite having worked for years at the U S Bureau of Investigation The missing person in question is Philippa Crosby a twenty-two year old from Boston who has been living in Paris modeling and acting Her family became alarmed when she stopped all communications and Stuyvesant agreed to track her down He wholly expects to find her in the arms of some up and coming artist perhaps experimenting with the decadent lifestyle that is suddenly available on every rue

and boulevard As Stuyvesant follows Philippa's trail through the expatriate community of artists and writers he finds that she is known to many of its famous and infamous inhabitants from Shakespeare and Company's Sylvia Beach to Ernest Hemingway to the Surrealist photographer Man Ray But when the evidence leads Stuyvesant to the Théâtre du Grand Guignol in Montmartre his investigation takes a sharp disturbing turn At the Grand Guignol murder insanity and sexual perversion are all staged to shocking brutal effect depravity as art savage human nature on stage Soon it becomes clear that one missing girl is a drop in the bucket Here amid the glittering lights of the cabarets hides a monster whose artistic coup de grâce is to be rendered in blood And Stuyvesant will have to descend into the darkest depths of perversion to find a killer sifting through The Bones of Paris BONUS This edition includes an excerpt from Laurie R King's Dreaming Spies Praise for The Bones of Paris Haunting a portrait of the City of Light that glows with the fires of Hell Richmond Times Dispatch A compelling thriller complex more than a little kinky and absolutely fascinating Booklist starred review Highly entertaining Laurie R King perfectly captures the Jazz Age as she explores the City of Light's avenues and alleys The Denver Post Engrossing Readers who enjoy Laurie R King's noteworthy Mary Russell Sherlock Holmes mystery series are in for a surprise BookPage A chilling mystery and a haunting love letter to the Paris of Hemingway's Lost Generation Library Journal The Canadian Short Story Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany
