Sketches Of The Thirties:

Mumford on Modern Art in the 1930s Lewis Mumford, 2007 Superbly crafted little essays Lewis Mumford's New Yorker pieces called *The Art Galleries* well deserve this handsome republication They offer supremely tasteful guided tours of the galleries and museums of Manhattan at the time when the canon of Western art including modernism was being secured against a background of tension between abstraction and realism and between aestheticism and social commitment The essays are a gift for our own troubled times from one of the great humane and versatile critics of the twentieth century they offer the reassurance of urbanity poise and commitment to art as a primary social necessity Alan Trachtenberg Neil Grey Emeritus Professor of English Yale University

Thirty Years After Edwin Forbes, 1993-09-01 Edwin Forbes's *Thirty Years After* is surely one of the most remarkable firsthand accounts of the Civil War ever published Originally issued in 1890 thus the title the lavish oversized book is both a pictorial and a written record of the daily experience of war It contains almost two hundred etchings of Civil War scenes along with twenty equestrian portraits of Union generals such as Grant Sherman McClellan and Custer reproduced from oil paintings The present edition is a facsimile of the original with the addition of an Introduction by William J Cooper Jr who discusses the significance of the books and provides a biographical sketch of Edwin Forbes and information about the role of journalists in the war Forbes born in New York City in 1839 was a staff artist for Frank Leslie's *Illustrated Newspaper* On assignment for the paper Forbes traveled with the federal army from the battle of Cross Keys in 1862 to the siege of Petersburg in 1864 A keen observer Forbes sketched battlefields campsites and other scenes that he later rendered in relief etchings on copper plate Some of the etchings were published in a portfolio in 1876 For the much larger *Thirty Years After* Forbes executed scores of additional etchings and wrote an informative text to go with them The book is divided into dozens of brief chapters with each chapter's text serving to introduce and explain the accompanying illustrations Although Forbes made drawings of officers he was clearly more interested in depicting the common soldier His evocative etchings show such scenes as a regiment marching into camp at nightfall an artillery reserve

rolling into action at Cemetery Hill a cavalry charge at Brandy Station a band of prisoners lined up for execution positioned so that they would tumble directly into their coffins Forbes did not flinch from portraying the full terror and force of combat but he also clearly understood that soldiering was not a one dimensional experience Many of his studies reveal the almost forgotten minutiae of war He shows soldiers engaged in such ordinary activities as preparing meals laundering uniforms avidly reading about events at him whenever newspapers were available and relaxing between skirmishes His illustrations also depict supply trains pontoon bridges army hospitals and slaver cabins In drawings of Confederate soldiers Forbes emphasizes the comradely bond that sometimes could develop between opposing sides A particularly telling etching shows Confederate pickets exchanging tobacco for coffee with their Union counterparts For the modern reader this visually arresting book offers a unique perspective on the Civil War

Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Sketches Of The Thirties : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Sketches Of The Thirties : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
