Elsa J. Radcliffe

Slapdash A Poorly Written Novel:

Slapdash Peter Anthony, 2001 *Slapdash* is a story of a life that wasn't set against the backdrop of an international competition for supremacy in medicine prowess the oft-distracted narrator chronicles the star-crossed paths of the national celebrity who is about to become the oldest living person in history and the young apathetic accountant who convinces the old man to abandon his death wish. In the end, however, everyone dies. But not before remarkable changes take place in personal perspective and relationships thanks to a love interest, a power outage, two simultaneous mental breakdowns, and a chance meeting of Jesus in prison. Throw in an impeccably polite Chinese assassin, an incognito Montana militiaman, the commander of the Joe McCarthy Governmental Complex, and one tray of poached fish, and the stage is set for a remarkable 150th birthday gala with ensuing pandemonium. Yet the pandemonium can be observed long before the first shot is fired through both the characters and narrator's wrestling with topics including life, death, boredom, relationships, and the absurdity of it all in a country which has lost itself in its own complacency.

Telling the Story of Translation Judith

Woodsworth, 2017-08-10 Scholars have long highlighted the links between translating and re-writing, increasingly blurring the line between translations and so-called original works. Less emphasis has been placed on the work of writers who translate and the ways in which they conceptualize or even fictionalize the task of translation. This book fills that gap and thus will be of interest to scholars in linguistics, translation studies, and literary studies. Scrutinizing translation through a new lens, Judith Woodsworth reveals the sometimes problematic relations between author and translator along with the evolution of the translator's voice and visibility. The book investigates the uses and abuses of translation at the hands of George Bernard Shaw, Gertrude Stein, and Paul Auster, prominent writers who bring into play assorted fictions as they tell their stories of translations. Each case is interesting in itself because of the new material analysed and the conclusions reached. Translation is seen not only as an exercise and fruitful starting point; it is also a way of paying tribute, repaying a debt, and cementing a friendship. Taken together, the case studies point the way to a teleology of translation and raise the question: what is translation for? Shaw, Stein, and Auster adopt an authorial posture that distinguishes them from other translators. They stretch the boundaries of the translation proper, their words spilling over into the liminal space of the text; in some cases, they hijack the act of translation to serve their own ends. Through their tales of loss, counterfeit, and hard labour, they cast an occasionally bleak glance at what it means to be a translator. Yet they also pay homage to translation and provide fresh insights that continue to manifest themselves in current works of literature. By engaging with translation as a literary act in its own right, these eminent writers confer greater prestige on what has traditionally been viewed as a subservient art.

Leviathan Paul Auster, 1993-09-01 NATIONAL BESTSELLER A compelling Los Angeles Times novel of friendship, betrayal, estrangement, and the unpredictable intrusions of violence in the everyday from a literary original who is perfecting a genre of his own. and narrative cunning The Boston Globe Six days ago a man blew himself up by the side of a road in northern Wisconsin So begins Peter Aaron's story about his best friend Benjamin Sachs Sachs had a marriage Aaron envied an intelligence he admired a world he shared And then suddenly after a near fatal fall that might or might not have been intentional Sachs disappeared Now Aaron must piece together the life that led to Sachs's death His sole aim is to tell the truth and preserve it before those who are investigating the case invent an account of their own Leviathan is a daring and immensely moving story by an author whom The Times Literary Supplement has called one of America's most spectacularly inventive writers
