

The Christmas sleigh visiting the streets of Atholstone

CHRISTMAS SLEIGH RETURNS

Tijana Stojan

The Atholstone Christmas sleigh is back this year after taking a year's hiatus due to Covid-19 restrictions.

The sleigh will travel around Atholstone on November 29-30 and December 1-2.

Atholstone Lions Club member of 40 years Michael Cook said the sleigh has covered almost every street in Atholstone over the years.

"Father Christmas hands out lollies to the children and

club members sell Lions Christmas cakes and puddings from the sleigh," Michael said.

"Many of the children we saw in the early days now bring their own children."

Many residents look forward to seeing the sleigh and had asked when it would be out on the streets.

Michael said the sleigh was created in the 1980s and was constructed by the late Bob Albrecht who cut the

windows out of pieces of styrofoam.

"He added a music system and the late Bert Lynn made bells out of shell cases," Michael said.

They maintain and touch up the sleigh regularly and redecorate it with new tinsel.

The Lions Club of Atholstone is also looking for volunteers to help with the sleigh. "We need people who are willing to walk around with the sleigh," Michael said.

Sleight Return:

Sleight Return: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Sleight Return : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
