Slim The Standardbearer:

Slim Ronald Lewin,1999 Field Marshal the Viscount Slim was blessed with none of the advantages of wealth and social position that eased the progress of many army officers With only his integrity personality and intellect he rose to the pinnacle of his career **Bill Slim** Robert Lyman,2011-07-20 Bill Slim was one of the greatest British generals of World War II In a

career that stretched from 1914 until 1958 his greatest triumphs came in India and Burma in the long war against the Japanese Thrust into a desperate situation he orchestrated the longest retreat in British Army history in the withdrawal from Burma He then turned on the Japanese in India shattered their army and pursued them to destruction Apart from his great military victories Slim also left a legacy of training and morale building that endures in the British Army to this day This book examines both Bill Slim s military career and his place in military history by examining some of his greatest battles and the strategy and tactics that set him apart from his contemporaries *Infantry* ,2000 **The Challenges of High Command**

G. Sheffield,G. Till,2002-12-13 The command and control of military operations is a difficult art The Challenges of High Command explores British ideas of how this should be done and with the guidance of some of Britain s leading military historians looks at the practicalities of British experience in the First and Second World Wars The contributors cast new light on themes as diverse as the trench warfare of the First World War the conduct of the Gallipoli and Norway campaigns and the command performance of Bomber Harris and Bill Slim The Challenges of High Command concludes with a major review of how military operations should be conducted in the new political and technological conditions of today and includes an informal and frank commentary by General Sir Mike Jackson on his experience in Bosnia and Kosovo *Mailing List*

(Infantry School (U.S.)) ,2000 *The 1945 Burma Campaign and the Transformation of the British Indian Army* Raymond A. Callahan ,Daniel Marston,2021-01-28 In 1945 the Indian British XIV Army inflicted on the Imperial Japanese Army in Burma the worst defeat in its history That campaign the most brilliant and original operational maneuver conducted by any British general in the twentieth century largely forgotten until now is a full and fresh account utilizing a full range of materials from personal accounts to archival holdings including the bits the official historians left out such as the attempt by a jealous British Guards officer to have Slim sacked at the conclusion of the campaign After the retreat from Burma in 1942 Lieutenant General Sir William Slim commander of the British XIV Army played a crucial role in the remarkable military renaissance that transformed the Indian Army and then with that reborn army won two defensive battles in 1944 and in the 1945 campaign shredded his Japanese opponents Behind this dramatic story was another the war marked the effective end of the Raj This great transformation was of course brought about by many factors but not the least of them was the Indianization of the Indian Army s officer corps under the pressure of war As Slim s great victory signposted the change from the army Kipling knew to a modern army with a growing number of Indian officers the praetorian guard of the Raj evaporated Every Indian officer worth his salt is a nationalist the Indian Army s commander in chief Claude Auchinleck said as the XIV Army took

Rangoon The Burma campaign may not have contributed in a major fashion to the final defeat of Japan but it was of first rate importance in the transformation of South Asia as well as underlining the continuing importance of inspired leadership in complex human endeavors *The Second World War in East Africa, 1940-1941* ,2024-12-16 As a first of its kind this edited collection brings together a variety of chapters dealing with different topics that address where possible most of the participants involved in or affected by the conflict as well as different often neglected aspects of the East Africa campaign of the Second World War In doing so this volume not only makes a definite contribution to the broader historiography and to our understanding of a diverse complex Second World War but will also serve as an impetus for further topical research on an important yet neglected campaign of the war

Videssos Cycle: Volume Two Harry Turtledove,2013-04-16 The classic fantasy series from one of alternative history s stalwarts The New Yorker continues in the adventure of a lifetime Harry Turtledove s brilliant re imaginings of major world events have thrilled fans for decades but he first captured readers attention with the Videssos Cycle a unique blend of fantasy and speculative history In this two book volume a Roman legion thrown into another world fights its way through sorcery intrigue and epic conflict THE LEGION OF VIDESSIONS Since the legion was mysteriously transported to this magical realm Roman military tribune Marcus Aemilius Scaurus has valiantly served the rulers of the war torn city of Videssos However Fortune is a fickle goddess Returning in triumph after defeating a well entrenched army of rebel mercenaries Marcus is betrayed by a friend seized as a traitor and dragged before the Emperor Only one person may be able to save him the Emperor s niece But consorting with her could lead to exile or worse SWORDS OF THE LEGION As prisoner of the Emperor Marcus Scaurus is in a desperate situation He stands condemned for treason unless he can reclaim a rebel province from a fanatic usurper without the aid of his Romans Now with just one centurion by his side Marcus sets out to once again do the impossible Soon the fates conspire against the men driving them toward the torture chambers of an evil deathless wizard prince But an audacious last hope rallies behind them the soldiers of the legion are on the march *Air University Quarterly Review* ,1977

Mountbatten, Cold War and Empire, 1945-79 Adrian Smith,2022-11-17 Mountbatten Cold War and Empire 1945 79 focuses upon Admiral Lord Mountbatten as a commanding if controversial figure in the history of Britain and its empire from Churchill s wartime coalition through to the Labour governments of the 1960s and forms a sequel to Mountbatten Apprentice War Lord Written in three parts focusing on the premierships of Churchill and Attlee Eden Macmillan Douglas Home and Wilson this book examines the debates over Mountbatten s record in Southern Asia in 1943 6 and 1947 8 Additional chapters focus on Mountbatten s position at the heart of the British state and his pivotal role at key moments in the immediate post war era most notably the partition of India the Suez Crisis and the renewal of an ostensibly independent nuclear deterrent This book also considers Mountbatten s relationship with Anthony Eden both during and following the Suez Crisis as well as detailing Mountbatten s achievements as First Sea Lord and Chief of the Defence Staff under Harold Macmillan and his immediate successors Smith acknowledges

Mountbatten's centrality to the history of Britain and its empire in the immediate post war era and in doing so presents a fascinating picture of one of the most prominent figures of the 20th century Smith's scrupulous examination of primary sources including those available in the Broadlands Archives results in a thorough examination of a controversial figure by eschewing often baseless speculation about Mountbatten's personal life Smith creates the first comprehensive overview of Admiral Lord Mountbatten's career from 1943 to the mid sixties *Armor*, 1978 The War Against Japan, 1941-1945 John J. Sbrega, 2015-06-12 With over 5 200 entries this volume remains one of the most extensive annotated bibliographies on the USA's fight against Japan in the Second World War Including books articles and declassified documents up to the end of 1987 the book is organized into six categories Part 1 presents reference works including encyclopedias pictorial accounts military histories East Asian histories historiographies Part 2 covers diplomatic political aspects of the war against Japan Part 3 contains sources on the economic and legal aspects of the war against Japan Part 4 presents sources on the military aspects of the war embracing land air and sea forces Religious aspects of the war are covered in Part 5 and Part 6 deals with the social and cultural aspects including substantial sections on the treatment of Japanese minorities in the USA Hawaii Canada and Peru The Lost Battalion Paul Griffin, 2018-10-19 The story of the young Paul Griffin who joined the army in 1940 at the age of 19 and opted for the Indian Army He spent two years guarding the Khyber Pass with his battalion the 3rd 6th Gurkhas before training for warfare with the Chindits for whom he was GIII Ops He helped to evacuate the Broadway stronghold before being re assigned to the invasion of Malaya The Lost Battalion is the 3rd 6th who were almost driven to extinction by being kept too long in the field **Commander in Chief** Eric Larrabee, 2019-10-15 Few American presidents have exercised their constitutional authority as commander in chief with more determination than Franklin D Roosevelt He intervened in military operations more often and to better effect than his contemporaries Churchill and Stalin and maneuvered events so that the Grand Alliance was directed from Washington In this expansive history Eric Larrabee examines the extent and importance of FDR's wartime leadership through his key military leaders Marshall King Arnold MacArthur Vandergrift Nimitz Eisenhower Stilwell and LeMay Devoting a chapter to each man the author studies Roosevelt's impact on their personalities their battles sometimes with each other and the consequences of their decisions He also addresses such critical subjects as Roosevelt's responsibility for the war and how well it achieved his goals First published in 1987 this comprehensive portrait of the titans of the American military effort in World War II is available in a new paperback edition for the first time in sixteen years The 20th Century O-Z Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the

summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography.

Army History, 1989

Japan's Last Bid for Victory Robert Lyman, 2011-12-13 This is an excellent account of a series of very hard fought battles that helped prepare the way for the British re-conquest of Burma. History of War Robert Lyman's deep knowledge and understanding of the war in Burma and the great battles at Kohima and Imphal in 1944 are well known. In this book he uses original documents, published works and personal accounts to weave together an enthralling narrative of some of the bitterest fighting of WWII. Not only does he use British sources for his research but he has also included material from the Naga tribes of north east India on whose land these battles were fought and from Japanese accounts including interviews with Japanese veterans of the fighting. Thus he has been able to produce what is arguably the most balanced history of the battles that were pivotal in ending the Japanese empire.

Fergal Keane, journalist and author of *Road to Bones* *The Siege of Kohima 1944* wrote to the author saying "What a triumph I finished it last night. You have done a wonderful job. I only wish I'd read it before writing my own book." He goes on to say "Robert Lyman is one of the great writers about men and war and in this book he has succeeded in conveying the courage, genius and folly of an epic struggle. I cannot think of a writer engaged in the subject of the Second World War who can match Lyman for his integrity or the soundness of his judgments."

Delivering the Goods Damon Schechter, 2002-12-30 We often think of great battles as having been won by superior strategy, bravery or weaponry. Often however the greatest battles are decided by a much more mundane factor: logistics. *Delivering the Goods* looks at business logistics through the history of successful military logistical operations undertaken by leaders from Alexander the Great to General Norman Schwarzkopf and offers practical guidance on applying proven logistical principles to your business.

Triumph at Imphal-Kohima Raymond A. Callahan, 2017-04-21 In the spring of 1944 on the eastern front of India near the Burmese border the seemingly unstoppable Imperial Japanese Army suffered the worst defeat in its history at the hands of Lieutenant General William Slim's British XIV Army, most of whose units were drawn from the little esteemed Indian Army. *Triumph at Imphal-Kohima* tells the largely unknown story of how an army that Winston Churchill had once dismissed as a welter of lassitude and inefficiency came to achieve such an unlikely, unprecedented and critical victory for the Allied forces in World War II. Long the British Empire's strategic reserve, the Indian Army had been comprehensively defeated in Malaya and Burma in 1941-1943. Military historian Raymond Callahan chronicles the remarkable exercise in institutional transformation that remade the British Indian forces to reverse those losses. With the invaluable help of the American DC 3 on the Burma front, Slim overhauled the British XIV Army with the Imperial Japanese Army's strategic weaknesses in mind: namely an utter disregard for logistics and an unrelenting addiction to the attack. Callahan shows how on an enormous battlefield over five hundred miles from north to south the XIV Army surmounted the challenges of terrain, disease, wretched communication and climate to draw the Imperial forces under Lieutenant General Mutaguchi Renya ever deeper into ever stronger British defensive arrays until the Japanese Army's

vaunted offensive aggression finally exhausted itself Following this epic battle from build up to aftermath this book brings overdue detailed attention to Lieutenant General William Slim s handling of perhaps the most complex battle any Allied commander fought during World War II and to the long belittled British Indian Army that became the magnificent fighting force that triumphed at Imphal Kohima and went on to reconquer Burma

Military Economics, Culture and Logistics in the Burma Campaign, 1942-1945 Graham Dunlop, 2015-10-06 Following the fall of Burma to the Japanese in May 1942 reopening and expanding the link from India to China through Burma became the allied force s principal war aim in South East Asia This book argues that the campaign s development was driven more by what was logistically possible than by pure strategic intent

This is likewise one of the factors by obtaining the soft documents of this **Slim The Standardbearer** by online. You might not require more mature to spend to go to the book start as capably as search for them. In some cases, you likewise reach not discover the proclamation Slim The Standardbearer that you are looking for. It will entirely squander the time.

However below, when you visit this web page, it will be for that reason extremely easy to get as without difficulty as download lead Slim The Standardbearer

It will not agree to many become old as we accustom before. You can get it though play a part something else at home and even in your workplace. so easy! So, are you question? Just exercise just what we manage to pay for below as without difficulty as evaluation **Slim The Standardbearer** what you in imitation of to read!
