# Social Europe

EUROBAROMETER SUMMARY

FIELDWORK: Feb. – Mar. 2024

# Social Europe

**M. Kluth**

## **Social Europe:**

Social Europe Detlev Albers, Stephen Haseler, Henning Meyer, 2006 This edition consists of the core contributions to the first volume of Social Europe journal plus new material exclusively published in this book      **The Political Economy of a 'Social Europe'** M. Kluth, 2015-12-22 The book uses an innovative theoretical framework to explain how the EU social dimension has taken its present form It presents and applies a political economic framework to the European labour market integration process and offers new tools for analysing the dynamics of regional integration The theory is applied to case studies of the EU's approach to social protection health and safety protection at the workplace and maternity leave The topical issues around the future of welfare provision in Europe how a Social Europe may develop and the political and economic consequences of this are discussed      *Economic Policy for a Social Europe* Jörg Huffschnid, 2005-09-08 This book poses a critique of neoliberal economic policies in the EU and proposals for alternatives The book argues that the economic weakness of the EU is the result of the very restrictive economic policy of the Union and most member states The book advances from a comprehensive critique of macroeconomic social and structural policies towards a concrete concept for a democratic European social model based on the objectives of full employment welfare social equity and ecological sustainability      *Struggling for a Social Europe* Andy Mathers, 2016-04-01 Protests at summit meetings have inspired intense debate over the nature and significance of the anti globalization or anti capitalist movement However the European dimension of this movement is still largely unknown In this insightful book Andy Mathers addresses this deficit by focusing on events that have marked the birth of a European social movement He relates the development of the movement to key matters such as economic employment and welfare state restructuring along neoliberal lines He also challenges ideas about the nature of contemporary collective action and the character of present day social movements Mathers discusses the significance of the movement and its future development through a critical engagement with the work of major writers in European sociology and of academics influential in the wider global movement such as Pierre Bourdieu A postscript brings readers fully up to date with developments in the type of social Europe propagated by the institutions of the EU as well as in the maturation of a social movement to oppose it      **Global Europe, Social Europe** Anthony Giddens, Patrick Diamond, Roger Liddle, 2006-11-22 Global Europe Social Europe makes an essential contribution to the debate now opening up over the future of Europe in the wake of the demise of the Constitution      **Ideas of Social Europe** Dominic Afscharian, 2025-05-14 In this prescient book Dominic Afscharian outlines the meaning and implications of social Europe questioning why citizens do not see a European Union with a human face in their everyday lives Identifying the key political actors in the European Parliament and Commission he explores the dominant ideologies that govern influential institutions and political parties and demonstrates how these inhibit political change      Social Europe, the Road not Taken Aurélie Dianara Andry, 2022-10-20 This book examines the European Left's attempt to think and give shape to an alternative type of

European integration a social Europe during the long 1970s Based on fresh archival material it shows that the western European Left in particular social democratic parties trade unions and to a lesser extent Eurocommunist parties formulated a project to turn capitalist Europe into a workers Europe This project favoured coordinated measures for wealth redistribution market regulation a democratisation of the economy and of European institutions upward harmonisation of social and fiscal systems more inclusive welfare regimes guaranteed employment economic and social planning with greater consideration for the environment increased public spending to meet collective needs greater control of capital flows and multinational corporations a reduction in working time and a fairer international economic order favouring the global south During the pivotal years following 1968 deeply marked by labour militancy new social movements economic crisis and the unmaking of the postwar compromise a window of opportunity opened in which European integration could have taken different roads The defeat of social Europe was a result of a decade long social conflict which ended with the affirmation of a neoliberal Europe Investigating this forgotten struggle and the reasons of its defeat can be useful not just to scholars and students eager to understand the historical evolution of European integration the European Left and European capitalism but also to anyone interested in building alternative European and global futures European Economic and Social Constitutionalism after the Treaty of Lisbon Dagmar Schiek,Ulrike Liebert,Hildegard Schneider,2011-07-21 European studies frequently regard the economic and social dimensions of EU integration as diametrically opposed maintaining that this state of affairs is beyond change This edited collection challenges this perceived wisdom focusing on the post Lisbon constitutional landscape Taking the multi layered polity that is Europe today as its central organising theme it examines how the social and the economic might be reconciled under the Union s different forms of governance The collection has a clear structure opening with a theoretical appraisal of its theme before considering three specific policy fields migration policy and civic integration company law and corporate social responsibility and the role of third sector providers in public healthcare It concludes with three case studies in these fields illustrating how the argument can be practically applied Insightful and topical with a unique interdisciplinary perspective this is an important contribution to European Union law after the Lisbon Treaty **The Lisbon Treaty and Social Europe** Niklas Bruun,Klaus Lörcher,Isabelle Schömann,2012-05-08 On 1 December 2009 the Treaty of Lisbon entered into force Although often described as primarily technical it significantly amended the Treaty on the European Union TEU and the old EC Treaty now the Treaty on the Functioning of the European Union TFEU The authors aim in this book is to explore what the Treaty means for social law and social policy at the European level The first part of the book on the general framework looks at a time of financial crisis for new foundations for Europe s Social market economy questions the balance between fundamental social rights and economic freedoms analyses the role of the now binding Charter of Fundamental Rights maps the potential impact of the horizontal clauses on social policy and addresses the possibilities for social partners to enlarge their role in labour law and industrial relations The second part on the social

framework of the Treaty focuses on the development of the Union's competences. In it, the authors evaluate the consequences of the new general framework on social competences, analyse the evolution of the principle of subsidiarity and its impact in the new Treaty, look at the coordination of economic policies in the light of fundamental rights and analyse the adoption in the Treaty of a new architecture for services of general interest.

**The Elgar Companion to the European Union** Samuel B.H. Faure, Christian Lequesne, 2023-01-20. Constituting a major contribution to literature on the EU, this comprehensive Companion analyses the structure and value of the EU, capturing the normality of its politics alongside crises and political breakdown.

A European Social Union after the Crisis Frank Vandenbroucke, Catherine Barnard, Geert De Baere, 2017-08-24. Today many people agree that the EU lacks solidarity and needs a social dimension. This debate is not new but until now the notion of a social Europe remained vague and elusive. To make progress we need a coherent conception of the reasons behind and the agenda for not a social Europe but a new idea: a European Social Union. We must motivate, define and demarcate an appropriate notion of European solidarity. We must also understand the legal and political obstacles and how these can be tackled. In short, we need unequivocal answers to questions of why, what and how. On that basis, we can define a clear-cut normative and institutional concept. That is the remit of this book: it provides an in-depth interdisciplinary examination of the rationale and the feasibility of a European Social Union. Outstanding scholars and top-level practitioners reflect on obstacles and solutions from an economic, social, philosophical, legal and political perspective.

*The European Social Model and an Economy of Well-being* Giovanni Bertin, Giuseppe Moro, 2021-02-26. This timely book critically examines the European Social Model as a contested concept and concrete set of European welfare and governance arrangements. It offers a theoretical and empirical analysis of new economic models and existing European investment strategies to address key issues within post-Covid 19 Europe.

Economic and Social Rights after the Global Financial Crisis Aoife Nolan, 2014-10-09. This book addresses the interrelationship between economic and financial crises, the responses thereto and economic and social rights.

Europe's Transformations Helen Wallace, Nikos Koutsiaras, George Pagoulatos, 2021. Europe's Transformations brings together a group of distinguished academics and practitioners to reflect on the current state of the EU and the many challenges that it faces. The contributions are prompted by the seminal work of Loukas Tsoukalis and his relentless provocations about the capabilities of the European process to meet these challenges.

The Political Economy of the European Constitution Luigi Paganetto, 2007-01-01. The issue of the European Constitution refers not only to a simplification of the Community Treaties but also to the relationship between the system of the European Community and constitutional system of the Member States. A political Constitution should be complementary to existing economic Constitutions.

**Research Handbook on the Politics of EU Law** Paul James Cardwell, Marie-Pierre Granger, 2020-07-31. Offering a wealth of thought-provoking insights, this topical Research Handbook analyses the interplay between the law and politics of the EU and examines the role of law and legal actors in European integration.

**Trade unions for a change of**

**course in Europe** Kowalsky W. and Scherrer P.,2011 In the wake of the financial and economic crisis the trade unions face unprecedented challenges While the European powers that be are blatantly coordinating the advent of national and European austerity policies entailing drastic consequences for workers and the weaker members of society the trade unions are set to mobilize their forces The authors describe and illustrate various facets of this new situation What role is played by economic governance Does co determination still have a chance Is belief in market forces already firmly entrenched or can ways still be found of strengthening social rights Do the European umbrella organisations pay obeisance to the official European bodies or are they mobilizing to bring about a serious change of course to find the road to an alternative Europe

**Resocialising Europe in a Time of Crisis** Nicola Countouris,Mark Robert Freedland,2013-10-10 A critical assessment of European social policy that suggests ways to improve coverage of fundamental labour standards in Europe *The Technical Challenges and Opportunities of a United Europe* Michael Stephen Steinberg,1990-01-01 This book examines the EC s movement towards a stable unified European economy in 1992 Contents Introduction Section I The European Community Looking Towards 1992 Section II The Impact of the 1992 Movement On Europe The Economic and Political Meaning of Europe 1992 The Integration of Systems and Non Systems E C 92 and the German Transportation Carriers The Emerging Social Dimensions of Europe 1992 Section III The Technological Challenge Forging the European Technology Community Technology Competitiveness and Cooperation in Europe Defence Technology and European Security in the 1990s Section IV The Tripartite Relationship European Management of Trilateral Interdependencies The U S View of EC 1992 The Impact on Global Corporate Competition and Multinational Corporate Strategy Signposts on the Road to Trade Policy Reform in Agriculture Will Japan Seek Regionalism Section V The E C and the Third World 1992 and ACP Trade Prospects Development Assistance Under Lome IV Politics or Economics The Politicization of Europe Paul Statham,Hans-Jörg Trenz,2012 This book examines how mass media debates have contributed to the politicization of the European Union The public controversies over the EU s attempted Constitution making and its failure sowed the seeds for a process of politicization that has advanced ever since an increasing visibility for the EU in mass mediated public debates that is combined with a growing public contestation over Europe within national politics The book presents an original systematic study of the emerging field of political discourse carried by the mass media in France Germany and Britain to examine the performance of Europe s public sphere Whilst the EU s increasing politicization can be seen as beneficial to European democracy potentially normalizing the EU level within national politics the same developments can also be a threat to democracy leading to populist and xenophobic responses and a decline in political trust Such discussions are key to understanding the EU s legitimacy and how its democratic politics can work in an era of mediated politics The Politicization of Europe will be of interest to students and scholars of comparative politics media studies communication sociology and European studies

### **Social Europe Introduction**

In today's digital age, the availability of Social Europe books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Europe books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Europe books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Europe versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Europe books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Europe books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Europe books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many

universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Europe books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Europe books and manuals for download and embark on your journey of knowledge?

### **FAQs About Social Europe Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
