

SOCIAL INEQUALITY

Social inequality is "the condition where people have unequal access to valued resources, services and positions in society" (Kerbo, 2003:11).

KEY FACTORS

1. Material goods

Material goods could be income, but also things like access to housing.

2. Non-material social goods

Non-material social goods refer to intangible things such as access to social networks or social status.

EXAMPLES

- 1 Racial inequality
- 2 Wealth inequality
- 3 Gender inequality
- 4 Geographical inequality
- 5 Educational inequality

Social Inequalities

Pedro López-Roldán, Sandra Fachelli

Social Inequalities:

Social Inequality in a Global Age Scott Sernau, 2011 Worlds Apart Social Inequality in a Global Age Third Edition is intended as the primary text for upper level undergraduate and graduate students who are enrolled in Social Stratification and Inequality courses primarily taught in Sociology departments This book focuses primarily on social inequalities in the American context However a trend in this course is how the global inequalities are effecting and affected by social stratification and inequality in America This edition reflects that trend

Social Inequality Charles E. Hurst, 2015-10-14 A user friendly introduction to social inequality This text is a broad introduction to the many types of inequality economics status political power sex and gender sexual orientation race and ethnicity in U S society and in a global setting The author provides a wide range of explanations for inequality and using the latest research on the multiple impacts of inequality surveys in detail the personal and social consequences of social inequality Learning Goals Upon completing this book readers will be able to Understand that inequality is multidimensional Understand that it is essential to understand the explanations of the various forms of inequality in order to further a resolution to any inequality s undesirable consequences Understand the discussion of inequality in its broader historical cultural and international context

Social Inequality and Social Stratification in U.S. Society Christopher Doob, 2015-08-27 Social Inequality examining our present while understanding our past Social Inequality and Social Statification in US Society 1st edition uses a historical and conceptual framework to explain social stratification and social inequality The historical scope gives context to each issue discussed and allows the reader to understand how each topic has evolved over the course of American history The authors use qualitative data to help explain socioeconomic issues and connect related topics Each chapter examines major concepts so readers can see how an individual s success in stratified settings often relies heavily on their access to valued resources types of capital which involve finances schooling social networking and cultural competence Analyzing the impact of capital types throughout the text helps map out the prospects for individuals families and also classes to maintain or alter their position in social stratification systems Learning Goals Upon completing this book readers will be able to Analyze the four major American classes as well as how race and gender are linked to inequalities in the United States Understand attempts to reduce social inequality Identify major historical events that have influenced current trends Understand how qualitative sources help reveal the inner workings that accompany people s struggles with the socioeconomic order Recognize the impact of social stratification systems on individuals and families

Social inequality and public health Babones, Salvatore J., 2009-04-22 Public health in the early 21st century increasingly considers how social inequalities impact on individual health moving away from the focus on how disease relates to the individual person This new public health identifies how social economic and political factors affect the level and distribution of individual health through their effects on individual behaviours the social groups people belong to the character of relationships to others and the characteristics of the societies in which people

live The rising social inequalities that can be seen in nearly every country in the world today present not just a moral danger but a mortal danger as well Social inequality and public health brings together the latest research findings from some of the most respected medical and social scientists in the world It surveys four pathways to understanding the social determinants of health differences in individual health behaviours group advantage and disadvantage psychosocial factors in individual health and healthy and unhealthy societies shedding light on the costs and consequences of today s high inequality social models This exciting book brings together leaders in the field discussing their latest research and is a must read for anyone interested in public health and social inequalities internationally

Social Inequality Louis Kriesberg, 1979 Monograph comprising a literature survey of equal opportunity esp On social stratification relating to social status social class and social power with particular reference to the USA compares social research dealing with economic variations social conflict value systems and examines different theoretical explanations including Marxism Bibliography after each chapter graphs and statistical tables

Social Inequality Heather Fitz Gibbon, Anne Nurse, Charles Hurst, 2022-09-13 The eleventh edition of Social Inequality Forms Causes and Consequences is an introduction to the study of social inequality Fully updated statistics and examples convey the pervasiveness and extent of social inequality in the United States The authors use an intersectional perspective to show how inequality occurs how it affects all of us and what is being done about it With more resources and supplementary examples exercises and applications embedded throughout to aid students learning and visualization of important concepts the book provides a rich theoretical treatment to address the current state of inequality In line with current affairs the authors have expanded the content to include An intersectional approach throughout the chapters A stronger emphasis on the connections between poverty wealth and income inequality New case studies on the opioid epidemic COVID 19 the lead poisoning crisis and climate change A new focus on the rise of right wing movements With additional content and classroom extensions available online for instructors Social Inequality remains an ideal and invaluable overview of the subject and provides undergraduate students with a robust understanding of social inequality from a sociological perspective

Social Inequalities Anya Ahmed, Deidre Duffy, Lorna Chesterton, 2023-02-16 Part of the New Approaches to Sociology series Social Inequalities is a relevant and valuable exploration of how we see the world through a decolonised lens Aimed at undergraduate and postgraduate students of sociology this textbook offers a critical re reading of traditional approaches to understanding social inequalities and responds to the call from university administrations academics and students to decolonise the curriculum and challenge its lack of diversity It presents an intersectional approach to understanding diversity and social inequalities and in so doing allows for alternative knowledge sources and voices to be heard From looking at social groups such as race age sexuality and class alongside a nuanced evaluation of traditional sociological theories such as Marxism functionalism and feminism this book is an expert guide to the debates central to understanding the challenges individuals face in society Including personal stories and case studies students will

be exposed to an authentic and real world view of how individuals have encountered discrimination Social Inequalities is an essential resource for anyone working and studying across sociology and anyone interested in challenging established ways of looking at the world Professor Anya Ahmed Dr Deirdre Duffy and Dr Lorna Chesterton work in the faculty of health and education at Manchester Metropolitan University UK

Social Inequality Louise Warwick-Booth,2022-04-02 This book provides up to date discussion and evidence about inequalities social divisions and stratification Its innovative style engages readers and encourages them to reflect upon the many dimensions of social inequality This updated third edition contains Three new chapters on employment sexualities and migration Updated coverage of intersectionality throughout Thirteen new in depth case studies one per chapter This is a must read as a key introductory companion for students who wish to understand the dynamics of contemporary social inequality Louise Warwick Booth is a Reader at the School of Health Leeds Beckett University

Social Inequality ,2024-06-26 This edited volume Social Inequality Structure and Social Processes is a collection of reviewed and relevant research chapters offering a comprehensive overview of recent developments in the field of social sciences and humanities The book comprises single chapters authored by various researchers and edited by an expert active in the social sciences and humanities research area All chapters are complete in themselves but united under a common research study topic This publication aims at providing a thorough overview of the latest research efforts by international authors on social sciences and humanities and to open new research paths for further developments

The Political Economy of Social Inequalities Vincente Navarro,2020-11-25 In the last two decades of the 20th century we witnessed a dramatic growth in social inequalities within and among countries This has had a most negative impact on the health and quality of life of large sectors of the populations in the developed and underdeveloped world This volume analyzes the reasons for this increase in inequalities and its consequences for the well being of populations Scholars from a variety of disciplines and countries analyze the different dimensions of this topic

Social Inequality and Social Stratification in US Society Christopher B. Doob,2019-05-22 Social Inequality and Social Stratification in US Society uses a historical and conceptual framework to explain social stratification and social inequality The historical scope gives context to each issue discussed and allows the reader to understand how each topic has evolved over the course of American history The author uses qualitative data to help explain socioeconomic issues and connect related topics Each chapter examines major concepts so readers can see how an individual s success in stratified settings often relies heavily on their access to valued resources types of capital which involve finances schooling social networking and cultural competence Analyzing the impact of capital types throughout the text helps map out the prospects for individuals families and also classes to maintain or alter their position in social stratification systems

Social Inequality Charles E. Hurst,Heather M. Fitz Gibbon,Anne M. Nurse,2016-08-05 Like past editions this ninth edition of Social Inequality Forms Causes and Consequences is a user friendly introduction to the study of social inequality This book conveys the pervasiveness and extensiveness of social inequality in the

United States within a comparative context to show how inequality occurs how it affects all of us and what is being done about it This edition benefits from a variety of changes that have significantly strengthened the text The authors pay increased attention to disability transgender issues intersectionality experiences of Muslims Hispanic populations and immigration The 9th edition also includes content on the fall out from the recession across various groups The sections on global inequalities have been greatly updated emphasizing comparative inequalities and the impact of the process of globalization on inequality internationally The authors have also added material on several current social movements including Occupy Wall Street Black Lives Matter and Marriage Equality

Emerging Patterns and Nature of Social Inequalities in Rural India Supriya Singh,2025-01-04 The present volume describes the existing nature forms and dimensions of economic political and social inequalities at a micro rural level and compares them with the Indian macrocosm of increasing inequality with a view to reveal uneven facets of rural India It will highlight a detailed appraisal of the ever growing multidimensional inequalities in contemporary rural India in terms of a more synthetic perspective to explain the nature and dynamics of social inequalities The book highlights how in rural society inequality is not only prevailing but it is being reinforced by many structural factors The three dimensions of inequality namely caste class and power do not exist in isolation rather they are interconnected As far as rural India is concerned multi facets of inequality are observable Overall the book provides a deep understanding of inequality prevailing at the grassroots level

The Problem of Social Inequality Scott G. McNall,2015-12-07 Within and among nations rising levels of social inequality threaten our collective future Currently upwards of 80% of people s life chances are determined by factors over which they have absolutely no control Social inequality threatens the democratic project because it destroys the trust on which governments depend and it gives rise to corrupt political and economic institutions How can we get out of the traps we have created for ourselves We need to reboot capitalism Drawing on diverse examples from a range of countries McNall explains the social economic and ecological traps we have set for ourselves and develops a set of rules of resilience that are necessary conditions for the creation and maintenance of democratic societies and a set of rules essential for creating a sustainable future

Social Inequalities, Media, and Communication Toks Oyedemi,Jan Servaes,2016-02-04 Social Inequalities Media and Communication Theory and Roots provides a global analysis of the intersection of social inequalities media and communication This book contains chapter contributions written by scholars from around the world who engage in country and region specific case studies of social inequalities in media and communication The volume is a theoretical exploration of the classical structuralist culturalist postmodernist and postcolonial theoretical approaches to inequality and how these theoretical discourses provide critical understanding of social inequalities in relation to narratives shaped by media and communication experiences The contributors provide class and gender analyses of media and culture engage theoretical discourses of inequalities and capitalism in relation to communication technologies and explore the cyclical relationship of theory and praxis in studying

inequalities media and communication **Towards a Comparative Analysis of Social Inequalities between Europe and Latin America** Pedro López-Roldán, Sandra Fachelli, 2020-11-13 This open access volume identifies the common and specific aspects of social mechanisms that generate inequalities through comparative analyses of different dimensions in which inequalities are expressed It includes studies on social inequalities in 5 European and 5 Latin American countries along 11 thematic axes inequalities in the labour market and labour trajectories asymmetries in the relationship between training and employment inequalities in work and family life educational inequalities geographical and social inequalities ethnicity and language social inequalities migration and space uncertainty strategies resources and capabilities inequality of opportunity intergenerational social mobility social policies gender inequalities and research methodology This volume is the result of a large collaborative project on social inequality funded by the European Commission the International Network for Comparative Analysis of Social Inequalities Taking into account diverse perspectives and approximations the collaborators have created a general analytical framework as a model of analysis of social inequalities The various contributions in this volume help readers gain a global outlook and help reflect on social inequalities in a comparative perspective This volume addresses social science graduate and postgraduate students researchers social policy makers as well as a broader academic audience interested in social inequality **The Blackwell Companion to Social Inequalities** Mary Romero, Eric Margolis, 2008-04-15 The Blackwell Companion to Social Inequalities is a first rate collection of social science scholarship on inequalities emphasizing race ethnicity class gender sexuality age and nationality Highlights themes that represent the scope and range of theoretical orientations contemporary emphases and emerging topics in the field of social inequalities Gives special attention to debates in the field developing trends and directions and interdisciplinary influences in the study of social inequalities Includes an editorial introduction and suggestions for further reading **Social Inequalities and Occupational Stratification** Paul Lambert, Dave Griffiths, 2018-04-18 This book explores how structures of social inequality are linked to the social connections that people hold The authors focus upon occupational inequalities where they see for example that the typical friendship patterns of people from one occupation are often very different to those of people from another Social Inequalities and Occupational Stratification leverages empirical data about differences in social connections to chart structures of social distance and social inequality Several of its chapters provide coverage of the long standing Cambridge Social Interaction and Stratification scale CAMSIS project and its approach to analysing social interaction patterns in terms of a single dimension related to social inequality **Handbook of the Social Psychology of Inequality** Jane D. McLeod, Edward J. Lawler, Michael Schwalbe, 2014-08-18 This volume provides the first comprehensive overview of social psychological research on inequality for a graduate student and professional audience Drawing on all of the major theoretical traditions in sociological social psychology its chapters demonstrate the relevance of social psychological processes to this central sociological concern Each chapter in the volume has a distinct substantive focus but the chapters

will also share common emphases on The unique contributions of sociological social psychology The historical roots of social psychological concepts and theories in classic sociological writings The complementary and conflicting insights that derive from different social psychological traditions in sociology This Handbook is of interest to graduate students preparing for careers in social psychology or in inequality professional sociologists and university college libraries *Social Inequalities in Comparative Perspective* Fiona Devine, Mary C. Waters, 2008-04-15 This unique collection of original essays brings a comparative perspective to issues of social inequality First rate sociologists from around the world have contributed to this exciting and rigorous volume drawing upon their own research in the fields of race and ethnicity class and inequality and gender and sexuality Contains original essays by first rate scholars on issues of social inequalities around the world Features research and examples from the USA Canada UK Australia France Portugal Finland and Japan Reviews research on issues of social inequalities from the fields of race class and gender Reflects on methodological issues and the strengths of qualitative research Provides students with an important overview of the development of social stratification studies
