Ma, 2010-04-01 What would happen when the Christian message is introduced to various groups of people How would their contexts and worldviews influence their responses to the message To this age old missiological question the study takes the readers to a narrowed and concerted question What is the effect of Pentecostal messages on animistic people or in other words What are results when the Holy Spirit meets the spirits of the tribal people Julie Ma chose the Kankanaey tribe in the northern Philippines to prove that the Pentecostal type of Christian has invited a very positive response from the Kankanaeys She approaches the matter from historical anthropological and

theological perspectives This may challenge the readers to look more closely at the phenomenal Pentecostal movement especially with their potential for mission She also urges her fellow Pentecostals to be more appreciative of their heritage and to fully appropriate it to reach the end of the earth *Subject Guide to Books in Print* ,1971 The British National Bibliography Arthur James Wells,2001 *Minutes, ... Biennial Convention of the Lutheran Church in America* Lutheran Church in America. Convention,1978 **The Workers are Few** J. Alexander Rutherford,2025-01-31 By all indications the Western Church is facing a crisis of pastoral ministry Pastoral ministry is on a trajectory of decline despite the fact that God has opened a massive mission field on our doorstep a mission field that requires workers Moreover we continue to export the same model of ministry to the global Church inviting them to join us in the state of crisis In Matthew 9 37 38 Jesus invites his disciples to consider the vast harvest of souls God has prepared a harvest awaiting workers If we want to see our churches healthy and our neighbours come to know Jesus we must be interested in God s work to prepare workers for the harvest This book is an attempt to repair what is broken to contribute to the repair of pastoral ministry I am convinced that no problem is more urgent to the church globally than this one yet I am also convinced the solution to this problem is quite simple This book argues that our crisis is the result of swapping the biblical vision of pastoral ministry for a poor substitute and our failure to raise disciples in our local church Part 1 identifies significant reasons why we are in a crisis Part 2 lays a biblical foundation for rebuilding a biblical model of pastoral ministry and Part 3 shows how this foundation can be built upon in the life of a local church **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **Basis of Preaching** **Biblical Message: Preach the Word** Rev Dr koningthung Ngoru Moyon,2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God s will but is not necessary for knowing that God exists or for knowing something about God s character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is

truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book **Handbook of the Geographies of Religion** Lily Kong, Orlando Woods, Justin K.H.
