**Social Policy and Social Change** Jillian Jimenez, Eileen Mayers Pasztor, Ruth M. Chambers, Cheryl Pearlman Fujii, 2014-02-26 The Second Edition of Social Policy and Social Change is a timely examination of the field, unique in its inclusion of both a historical analysis of problems and policy and an exploration of how capitalism and the market economy have contributed to them. The New Edition of this seminal text examines issues of discrimination, health care, housing, income, and child welfare, and considers the policies that strive to improve them. With a focus on how domestic social policies can be transformed to promote social justice for all groups, Jimenez et al. consider the impact of globalization in the United States while addressing concerns now emerging in the global village.

**Social Policy and Social Justice** Michael Reisch, 2018-12-31 **Social Policy and Social Justice** Institute for Public Policy Research (London, England), 1998-05-08 3 What are human needs? Ian Gough. *Social Policy and Social Justice* Jim Harding, 2006-01-01 Social Policy and Social Justice looks concretely at the successes and failures of a social democratic government in Canada, 1971-1982, in achieving social justice through its approaches to social policy. Social policy is analyzed widely, including day care, workers' control, prescription drugs, social assistance, income distribution, legal aid, and policing. Additional chapters review the NDP's reorganization of bureaucracy and allocation of expenditures. Also included are an historical synopsis of the legislation pursued in the period and an analysis of the broader political, economic, and sociological contexts in Canada. Social Policy and Social Justice is the first in-depth analysis of social policy at a provincial level. It is the product of the multidisciplinary scholarship of the authors, all of whom have extensive experience in policy making, policy advocacy, or policy research. This book will be an invaluable resource for comparative purposes, particularly since there are now three NDP governments across Canada, and the NDP is undergoing re-evaluation in the wake of the 1993 federal election. It will be of particular interest to those in government, university, community-based, or political organizations wanting to re-examine mainstream assumptions about social democracy, social policy, and social justice in Canada.
