Social Revolutionaries And Secret Agents:

Social Revolutionaries and Secret Agents Thomas Mack Barker,1990 Whatever success the partisans ultimately had the author argues was largely dependent upon the material help of the supersecret Special Operations Executive which vainly hoped to use the pro Nazi Carinthia to foment subversion in Austria and perhaps even in Czechoslovakia and Poland

Social Revolutionaries and Secret Agents Thomas Mack Barker,1990 Whatever success the partisans ultimately had the author argues was largely dependent upon the material help of the supersecret Special Operations Executive which vainly hoped to use the pro Nazi Carinthia to foment subversion in Austria and perhaps even in Czechoslovakia and Poland

Undercover Agents in the Russian Revolutionary Movement Nurit Schleifman,1988-06-18 To Walk with the Devil Gregor J. Kranjc,2013-02-22 In the spring of 1941 when Slovenia was invaded by Germany Italy and Hungary Slovenes faced at best assimilation and at worst deportation or extermination Still a significant number of Slovenes would eventually collaborate with the Axis powers Why were they so ready to work with their invaders and why did the occupiers permit this collaboration Gregor Joseph Kranjc investigates these questions in To Walk with the Devil the first English language book length account of Slovene Axis collaboration during the Second World War Examining archival material and post war scholarly and popular literature Kranjc describes the often sharp divide between Communist era interpretations of collaboration and those of their migr anti Communist opponents Kranjc situates this divide in the vicious civil war that engulfed Slovenia during its occupation a conflict that witnessed at its bloody climax the execution of over 10 000 Slovene collaborators and opponents of the new Communist Yugoslav regime in the wake of liberation To Walk with the Devil makes clear how these grisly events continue to ripple through Slovene society today Go Spy the Land George Alexander Hill,2014-01-14 Before espionage entered the era of modern technology there was the age of George Alexander Hill a time of swashbuckling secret agents swordsticks and secret assignations with deadly female spies The daring escapades of some of the first members of Britain s secret service are revealed in this account of perilous adventure and audacious missions in Imperial and revolutionary Russia First published in 1932 Hill s rip roaring narrative recounts tales of his fellow operatives Arthur Ransome author of Swallows and Amazons and one of the most effective British spies in Russia and Sidney Reilly so called Ace of Spies and architect of a thwarted plot to assassinate the Bolshevik leadership Unavailable for decades this lost classic offers fascinating portraits of a world unfathomable to those growing up against a backdrop of WikiLeaks and cyber espionage and of true life characters whose exploits were so extraordinary that they have entered the realm of legend

Conrad and Empire Stephen Ross,2004 Stephen Ross challenges the orthodoxy of the last 30 years of Conrad criticism by arguing that to focus on issues of race imperialism in Conrad s work is to miss the more important engagement with developing globalization undertaken there **Collections of United States Joint Publications Research Service**

Service,1960 Global War on Terrorism - Revisited Rohan Gunaratna,Mohd Mizan Aslam,2024-02-28 Through examining the development of new trends in terrorism it is evident that the purpose of the Global War on Terrorism GWOT has yet to be achieved since the terror landscape is constantly changing due to new developments The Israel and Hamas war that began in October 2023 has awakened many militant organizations and has amplified the efforts of active militants on the ground and online Therefore such attacks will motivate like minded individuals and continue the legacy of militancy making it a challenge to eradicate Hence it is evident that the GWOT is constantly being challenged by new circumstances in the global terror landscape This book provides a comprehensive overview of counterterrorism efforts such as the GWOT *The Greatest Spy* John Harte,2025-09-16 Discover the life and daring exploits of the real life model for the world s most famous spy James Bond Sidney Reilly When a twenty year old Ukrainian arrived in London as a candidate for the position of secret agent in Britain s Secret Intelligence Bureau the chiefs of what would one day become MI5 were wise to hire him as he would become Britain s greatest spy a man known by several names His ingenuity and his mastery of the trade and his audacity and coolness when in danger were highly praised To penetrate the Irish Republican Army IRA he was given the code name of Sidney Reilly He was tasked with kidnapping Lenin and Trotsky during the Russian Revolution and visited the major battlefronts across Soviet Russia during the civil war sending back proposals to defeat the Reds He stole Germany s naval plans from Krupp and the harbor plans in Mongolia for Britain s allies and he posed as a German officer to engage in discussions with the Kaiser and his chiefs of staff about their U boat tactics against the Allies He also helped to obtain oil from Persia to modernize Britain s Naval Fleet when Churchill was First Lord of the Admiralty In 1953 novelist Ian Fleming used Reilly s secret Admiralty Intelligence file to write his novels about a fictional secret agent he called James Bond 007 But Reilly s true exploits were even more thrilling and fantastic than those of the fictional James Bond Reilly was Britain s best spy but was he also a Soviet double agent Author John Harte retells Reilly s story as it really was in fast moving prose with an eye for telling detail and provides a twist He tells us what really happened to Reilly after he vanished in Soviet Russia in 1925 and was assumed to have been murdered by Stalin s secret police Find out what really happened to the man who inspired the creation of the world s most famous spy in *The Greatest Spy* But Bond s adventures were fantasies whereas Reilly s were real **The Russian Socialist Revolutionary Party Before the First World War** Manfred Hildermeier,2000 The Socialist Revolutionary Party played an important role in the history of the Russian revolutionary movement The author seeks to explain why this party which continued the tradition of the 1870s did not ultimately prevail in an agrarian country like the Tsarist empire Using a wealth of printed sources and for the first time drawing upon materials from the archive of the Central Committee of the PSR this study provides a detailed analysis of the theoretical foundations of the party as well as its organisational structure and political practice during the first Russian Revolution Manfred Hildermeier ist Professor am Seminar f r Mittlere und Neuere Geschichte der Universit t G ttingen What Every Radical Should Know about State

Repression Victor Serge, 2024-05-28 This classic manual on repression by revolutionary activist Victor Serge offers fascinating anecdotes about the tactics of police provocateurs and an analysis of the documents of the Tsarist secret police in the aftermath of the Russian revolution With a new introduction by Howard Zinn collaborator Anthony Arno Victor Serge is one of the unsung heroes of a corrupt century Adam Hochschild author of *King Leopold's Ghost* As we approach the 100th anniversary of Victor Serge's 1926 classic exposé of political repression the specter of fear as a tool of political repression is chillingly familiar to us in a world increasingly threatened by totalitarianism Serge's exposé of the surveillance methods used by the Czarist police reads like a spy thriller An irrepressible rebel Serge wrote this manual for political activists describing the structures of state repression and how to dodge them including how to avoid being followed what to do if arrested and tips on securing correspondence He also explains how such repression is ultimately ineffective Repression can really only live off fear But is fear enough to remove need thirst for justice intelligence reason idealism Relying on intimidation the reactionaries forget that they will cause more indignation more hatred more thirst for martyrdom than real fear They only intimidate the weak they exasperate the best forces and temper the resolution of the strongest Victor Serge **Empires of Spymasters**

Panagiotis Dimitrakis, 2025-10-15 This fascinating book reveals the security relationships between Britain and Japan in the four decades leading up to the outbreak of war in December 1941 *World War I and the Foundations of American Intelligence* Mark Stout, 2023-11-16 Ask an American intelligence officer to tell you when the country started doing modern intelligence and you will probably hear something about the Office of Strategic Services in World War II or the National Security Act of 1947 and the formation of the Central Intelligence Agency What you almost certainly will not hear is anything about World War I In *World War I and the Foundations of American Intelligence* Mark Stout establishes that in fact World War I led to the realization that intelligence was indispensable in both wartime and peacetime After a lengthy gestation that started in the late nineteenth century modern American intelligence emerged during World War I laying the foundations for the establishment of a self-conscious profession of intelligence Virtually everything that followed was maturation reorganization reinvigoration or reinvention World War I ushered in a period of rapid changes Never again would the War Department be without an intelligence component Never again would a senior American commander lead a force to war without intelligence personnel on their staff Never again would the United States government be without a signals intelligence agency or aerial reconnaissance capability Stout examines the breadth of American intelligence in the war not just in France not just at home but around the world and across the army navy and State Department and demonstrates how these far-flung efforts endured after the Armistice in 1918 For the first time there came to be a group of intelligence practitioners who viewed themselves as different from other soldiers sailors and diplomats Upon entering World War II the United States had a solid foundation from which to expand to meet the needs of another global hot war and the Cold War that followed *Secret Service* Richard Wilmer Rowan, 1967 **High-Impact Terrorism** Russian Academy of

Sciences, National Research Council, Policy and Global Affairs, Development, Security, and Cooperation, Office for Central Europe and Eurasia, Committee on Confronting Terrorism in Russia, 2002-06-14 In June 2001 the National Academies and the Russian Academy of Sciences held a bilateral workshop in Moscow on terrorism in a high technology society and modern methods to prevent and respond to it The purpose of the workshop was to begin a dialogue on high impact terrorism that could lead to further U S Russian collaboration This volume includes papers presented at the workshop by 31 Russian and American experts on various types of high impact terrorism including biological and agricultural terrorism nuclear and electromagnetic terrorism explosives chemical and technological terrorism and cyber terrorism The papers also address legal issues Russian internal affairs and the future of international cooperation in this area **Last War of the World-Island:**

The Geopolitics of Contemporary Russia Alexander Dugin, 2015-05-26 Alexander Dugin traces the geopolitical development of Russia from its origins in Kievan Rus and the Russian Empire through the peak of its global influence during the Soviet era and finally to the current presidency of Vladimir Putin Dugin sees Russia as the primary geopolitical pole of the land based civilizations of the world forever destined to be in conflict with the sea based civilizations At one time the pole of the seafaring civilizations was the British Empire today it is represented by the United States and its NATO allies Russia can only fulfill its geopolitical mission by remaining in opposition to the sea powers Today according to Dugin this conflict is not only geopolitical in scope but also ideological Russia is the primary representative and defender of traditional values and idealism whereas the West stands for the values of liberalism and the market driven society Whereas Russia began to lose sight of its mission during the 1990s and threatened to succumb to domination by the Western powers Dugin believes that Putin has begun to correct its course and return Russia to her proper place But the struggle is far from over while progress has been made Russia remains torn between its traditional nature and the temptations of globalism and Westernization and its enemies undermine it at every turn Dugin makes the case that it is only by remaining true to the Eurasian path that Russia can survive and flourish in any genuine sense otherwise it will be reduced to a servile and secondary place in the world and the forces of liberalism will dominate the world unopposed **Memoirs of a Revolutionary** Victor

Serge, 2012-05-01 A New York Review Books Original Victor Serge is one of the great men of the 20th century and one of its great writers too He was an anarchist an agitator a revolutionary an exile a historian of his times as well as a brilliant novelist and in *Memoirs of a Revolutionary* he devotes all his passion and genius to describing this extraordinary and exemplary career Serge tells of his upbringing among exiles and conspirators of his involvement with the notorious Bonnot Gang and his years in prison of his role in the Russian Revolution and of the Revolution's collapse into despotism and terror Expelled from the Soviet Union Serge went to Paris where he evaded the KGB and the Nazis before fleeing to Mexico *Memoirs of a Revolutionary* recounts a thrilling life on the front lines of history and includes vivid portraits not only of Trotsky Lenin and Stalin but of countless other figures who struggled to remake the world Peter Sedgwick's fine translation

of *Memoirs of a Revolutionary* was abridged when first published in 1963 This is the first edition in English to present the entirety of Serge's book Socialist Thought in Imaginative Literature Stephen Ingle, 1979-06-17 *Parachutes, Patriots and Partisans* Heather Williams, 2003 Based on impressive research and new evidence this history of the secret British wartime agency the Special Operations Executive in wartime Yugoslavia argues that SOE actions achieved little military advantage for the Allies and exacerbated the developing civil war among the forces of monarchist Draža Mihailović Tito's partisans and other guerilla groups Heather Williams tracks SOE relations with the British Foreign office policy makers and military high command the Yugoslav guerrilla movements and exiled Yugoslav government other secret organizations and the American Office of Strategic Services examining how rivalries among these players influenced the future of Yugoslavia Copublished with C Hurst Co Publishers Ltd London The Wisconsin edition is for sale only in North and South American U S dependencies and the Philippines Slavs in Post-Nazi Austria Robert Knight, 2017-02-09 Robert Knight's book examines how the 60 000 strong Slovene community in the Austrian borderland province of Carinthia continued to suffer in the wake of Nazism's fall It explores how and why Nazi values continued to be influential in a post Nazi era in postwar Central Europe and provides valuable insights into the Cold War as a point of interaction of local national and international politics Though Austria was re established in 1945 as Hitler's first victim many Austrians continued to share principles which had underpinned the Third Reich Long treated as both inferior and threatening prior to the rise of Hitler and then persecuted during his time in power the Slovenes of Carinthia were prevented from equality of schooling by local Nazis in the years that followed World War Two behavior that was tolerated in Vienna and largely ignored by the rest of the world Slavs in Post Nazi Austria uses this vital case study to discuss wider issues relating to the stubborn legacy of Nazism in postwar Europe and to instill a deeper understanding of the interplay between collective and individual liberal rights in Central Europe This is a fascinating study for anyone interested in knowing more about the disturbing imprint that Nazism left in some parts of Europe in the postwar years
