

United We Stand Strong

Priorities of the 1st Bulgarian Presidency:

Stability - Security - Solidarity

- 🌐 Future of Europe and young people - economic growth and social cohesion
- 🌐 European perspective and connectivity of the Western Balkans
- 🌐 Security and stability in strong and united Europe
- 🌐 Digital economy and skills needed for the future

Social Security And Solidarity In The European Union

Ole Elgström, Michael Smith

Social Security And Solidarity In The European Union:

Social Security and Solidarity in the European Union Jan M. Peet, 2000-11-16 Since the 1970s social security in the European Union has been dominated by attempts at reform and cost control In the last decade of the twentieth century these attempts have been strengthened by the coming European Economic and Monetary Union EMU This book offers an overview of the social security system and its development in Belgium Denmark France Germany Greece Ireland Italy the Netherlands Spain and the United Kingdom The national contributions are preceded by an introduction on the development of social security in Europe till the present day with special reference to the postwar process of European integration and its effects The book is concluded by two essays The first examines the danger and opportunities of European integration for social security The second discusses ethical aspects what effect will European integration have on the quality of social security in Europe

Social Security and Solidarity in the European Union Joos P a Van Vugt, Jan M Peet, 2000-11-16 *The European Union and Social Security Law* Jaan Paju, 2017-08-24 The aim of this book is to examine how EU law relates to and impacts on the national social security systems of the Member States It asks three key questions Firstly it looks at how the internal market and its developments have eroded Member States sovereignty over their social security systems despite the fact that the EU has limited competence in the field It then explores secondly how the Union Citizenship and thirdly the Charter of Fundamental Rights has affected the coordination of these regimes

A Constitutional Order of States? Anthony Arnall, Catherine Barnard, Michael Dougan, Eleanor Spaventa, 2011-03-03 This collection celebrates the career of Professor Alan Dashwood a leading member of the generation of British academics who organised explained and analysed what we now call European Union law for the benefit of lawyers trained in the common law tradition It takes as its starting point Professor Dashwood's vivid description of the European Union as a constitutional order of states He intended that phrase to capture the unique character of the Union On the one hand it is a supranational order characterised by its own distinctive institutional dynamics and an unprecedented level of cohesion among and penetration into the national legal systems On the other hand it remains an organisation of derived powers the Member States retaining their character as sovereign entities under international law This theme permeates both the constitutional and the substantive law of the Union Contributors to the collection include members of the judiciary and distinguished practitioners officials and academics They consider the foundations strengths implications and shortcomings of this conceptual framework in various fields of EU law and policy The collection is an essential purchase for anyone interested in the constitutional framework of the contemporary European Union

Free Movement and Welfare Access in the European Union Victoria Hooton, 2024-04-04 This book assesses the balancing act between EU free movement law fundamental EU objectives and Member States concerns regarding their welfare systems It takes a novel dual approach namely combining doctrinal analysis of EU citizenship case law with an examination of mobility data This allows the study to clearly show an imbalance between the representation and protection of

these conflicting interests in EU case law It goes further identifying avenues for reform and highlighting the importance of the principle of proportionality for attaining a legitimate balance of interests In a field in which much has been written this offers a truly original perspective It will be much welcomed by scholars of EU free movement and citizenship law **Values and Principles in European Union Foreign Policy** Sonia Lucarelli,Ian Manners,2006-08-21 This book examines the values and principles that inform EU Foreign Policy conveying an understanding of the EU as an international actor This volume explores the implications of these values and principles on the process of the construction of the European Union identity

The EU Charter of Fundamental Rights Steve Peers,Tamara Hervey,Jeff Kenner,Angela Ward,2014-12-01 The Charter of Fundamental Rights of the European Union enshrines the key political social and economic rights of EU citizens and residents in EU law In its present form it was approved in 2000 by the European Parliament the Council of Ministers and the European Commission However its legal status remained uncertain until the entry into force of the Treaty of Lisbon in December 2009 The Charter obliges the EU to act and legislate consistently with the Charter and enables the EU s courts to strike down EU legislation which contravenes it The Charter applies to EU Member States when they are implementing EU law but does not extend the competences of the EU beyond the competences given to it in the treaties This Commentary on the Charter the first in English written by experts from several EU Member States provides an authoritative but succinct statement of how the Charter impacts upon EU domestic and international law Following the conventional article by article approach each commentator offers an expert view of how each article is either already being interpreted in the courts or is likely to be interpreted Each commentary is referenced to the case law and is augmented with extensive references to further reading Six cross cutting introductory chapters explain the Charter s institutional anchorage its relationship to the Fundamental Rights Agency its interaction with other parts of international human rights law the enforcement mechanisms extraterritorial scope and the all important Explanations **Research Handbook on European Union Citizenship Law and Policy** Kostakopoulou, Dora,Thym, Daniel,2022-03-17 This Research Handbook provides a panoramic guide to the study and research of EU citizenship and its development within a challenging environment characterised by restrictive access to social benefits Brexit Euroscepticism and Covid 19 It combines theoretical perspectives with analyses of both the existing and future rights duties and social protection that EU citizens ought to enjoy in a democratic and principled European Union

Federalism in the European Union Elke Cloots,Geert De Baere,Stefan Sottiaux,2012-09-03 This edited volume aims to reveal the Janus faced character of federalism in the European Union Federalism appears in two main forms in the EU On the one hand numerous formerly unitary Member States have embarked on a path towards a quasi federal governance structure On the other hand the EU itself is sometimes qualified as a federal system Significantly the concept of federalism has a very different even opposite connotation in both contexts When associated with Member State reform federalism is regarded as a technique for accommodating autonomy claims of sub state nations By contrast when federalism is used as a label for the EU

itself it is conceived as a far reaching way of integrating the nations of Europe This dual appearance of federalism in the EU context is central to the structure of the book The first collection of essays addresses the question whether the EU may be described as a federal system and whether it can learn from existing federations In the second set of contributions the attention shifts to domestic federalisation processes more particularly to the impact of these processes on EU law and vice versa

The EU Charter of Fundamental Rights as a Binding Instrument Sybe de Vries,Ulf Bernitz,Stephen Weatherill,2015-12-03 The entry into force of the Treaty of Lisbon in 2009 caused the EU s Charter of Fundamental Rights to be granted binding effect This raised a host of intriguing questions Would this transform the EU s commitment to fundamental rights Should it transform that commitment How if at all can we balance competing rights and principles The interaction of the social and the economic spheres offers a particular challenge How deeply does the EU conception of fundamental rights reach into and bind national law and practice How deeply does it affect private parties How much flexibility has been left to the Court in making these interpretative choices What is the likely effect of another of the reforms achieved by the Lisbon Treaty the commitment of the EU to accede to the ECHR This book addresses all of these questions in the light of five years of practice under the Charter as a binding instrument

The Ethical Spirit of EU Values Markus Frischhut,2022-09-14 This open access book summarising the research conducted at this Jean Monnet Chair seeks to identify the ethical spirit of European Union EU values EU integration began at the economic level human rights were only added at a later stage Finally the Lisbon Treaty turned the EU into a Union of values by enshrining certain concepts in Art 2 TEU This provision can be seen as a hub linked to various other provisions of EU primary and secondary law The values contained therein have amongst others been applied to two areas digitalisation and non financial reporting partly in sports and further specified in others health and partly in sports This book analyses the evolution of values *ratione temporis* and the questions of who is entitled and who is obliged *ratione personae* Besides the external perspective *ratione limitis* e g Brexit it focuses on the composition of the EU s common values *ratione materiae* As Art 2 TEU can be viewed as a hub it is essential to focus on various relations not only between values but also between values and other provisions of EU law as well as other concepts Based on this description of the status quo the book subsequently addresses a possible future direction arguing for an additional narrative trust an additional value environmental protection and a more communitarian Union In closing apart from the classical commitment of the EU and the Member States to uphold the values of the EU the book discusses the level of individuals and values as virtues Various figures and tables complement this overview of the status quo of the Union of values and outline of its future direction

Social Law and Policy in an Evolving European Union Jo Shaw,Josephine Shaw,2000-12-15 The analyses in this collection address important questions about social law and policy in the evolving European Union

The Human Face of the European Union Nuno Ferreira,Dora Kostakopoulou,2016-08-18 This collection asks a direct but complex question is the EU humane enough The implementation of EU law and policy and its

balance between economic and social values continues to provoke debate Providing fresh insight Nuno Ferreira and Dora Kostakopoulou present a novel analytical framework centred on the notion of humaneness for assessing EU law and policy This innovative approach leads to recommendations for policy change towards a more humanistic philosophy for the EU Broad in its scope this remarkable volume draws together interdisciplinary perspectives from contributors who examine key EU law and policy fields including economic integration asylum and free movement citizenship and development and security This book is essential reading for scholars students and policy makers seeking new ways of exploring the economic versus social values debate in EU law

Normative Patterns and Legal Developments in the Social Dimension of the EU Ann Numhauser-Henning, Mia Rönnmar, 2013-06-28 This book explores the normative and legal evolution of the Social Dimension labour law social security law and family law in both the EU and its Member States during the last decade It does this from a wide range of theoretical and legal substantive perspectives The past decade has witnessed the entering into force of the Lisbon Treaty and its emphasis on fundamental rights a new coordination regulation within the field of social security Regulation 883/2004/EC and the case law of the Court of Justice of the European Union in the so called Laval Quartet Furthermore structural changes affecting demographics and family have also challenged solidarity in new ways The book is organised by reference to distinct normative patterns and their development in the fields of law covered such as the protection of established groups the position of market functional values and the scope for just distribution The book represents an innovative and important interdisciplinary approach to analysing EU law and Social Europe and contributes a complex yet thought provoking picture for the future The contributors represent an interesting mix of well known and distinguished as well as upcoming and promising researchers throughout Europe and beyond

[EU Citizenship at the Edges of Freedom of Movement](#) Katarina Hyllén-Cavallius, 2020-11-26 This book critically analyses the case law on EU citizenship in relation to its personal free movement rights its status on the primary law level and EU fundamental rights protection The book exposes the legal space where EU citizenship variably loses or gains legal relevance and questions how this space can be overcome Through a thorough analysis of the core personal free movement rights of residence family reunification equal treatment and equal political participation the book demonstrates how the development of the case law of the Court of Justice of the European Union has generated a two tiered legal concept of EU citizenship Depending on the nature of the legal claim at hand EU citizenship may appear as a poor legal personhood for exercising free movement rights sometimes pushing the individual who is in a factual cross border situation out of the scope of Union law Contrastingly in other strands of the jurisprudence we see EU citizenship and its primary law levelled rights stretch the jurisdictional scope of Union law triggering the EU's Charter of Fundamental Rights for review of the individual case The book enhances the understanding of the legal concept of EU citizenship in Union law and contributes to the debate on the future development of EU citizenship its relationship to the Charter and the strength of its legal position for the person who exercises freedom of

movement **Social Services of General Interest in the EU** Ulla Neergaard,Erika Szyszczak,Johan Willem van de Gronden,Markus Krajewski,2012-10-30 The EU has limited legislative competence in the field of social law However the Member States are increasingly modernizing social services and social welfare protection attempting to make social services more efficient by increasingly looking to the market for the provision of such services This policy move brings social services into the radar of EU law The EU response to this sensitive issue has resulted in a piecemeal and fragmented approach towards the treatment of a new policy area of Social Services of General Interest SSGI in EU law and policy This book is a first contribution towards charting how SSGI have emerged as a special category of SGI in the EU the reaction of the Member States and stake holders and how policy is being made through new governance processes carve outs and safe havens in legislation and soft law especially in the light of the new values of the EU introduced by the Treaty of Lisbon 2009 It takes an inter disciplinary approach and will be of interest to lawyers economists and political scientists who are interested in EU policy making as well as practioners EU and national policy makers Ulla Neergaard is Professor of EU law at the Faculty of Law University of Copenhagen Denmark Erika Szyszczak is a Jean Monnet Professor of European Law ad personam Professor of European Competition and Labour Law at the University of Leicester Barrister Littleton Chambers UK Johan W van de Gronden is Professor of European Law at the Radboud University of Nijmegen The Netherlands Markus Krajewski is Professor of Public and International law at the University of Erlangen Nuremberg The EU after Lisbon Lucia Serena Rossi,Federico Casolari,2014-06-25 The book contains a collection of high quality academic and expert contributions dealing with the central question of whether the Lisbon Treaty needs further revision Due to the difficulties European Union actors have encountered in implementing the Lisbon Treaty s reform and the inadequacies of the current legal framework brought to light by post Lisbon practice the volume focuses on possible innovations and functional approaches to improve the Union s response to the challenges confronting it In doing so the volume first takes a horizontal approach to the Treaty revision and considers some constitutional features showing the interaction between the EU and its Member States namely the parameters of constitutional developments the allocation of competences the principles of solidarity and loyal cooperation Then the focus shifts to the question of fundamental rights within the EU s constitutional framework one of the most relevant innovations of the Lisbon Treaty being the incorporation of the Charter of Fundamental Rights into the Union s primary law The last part of the volume is devoted to another domain significantly reshaped by the Lisbon reform namely the Union s external dimension ECJ Advocate General Paolo Mengozzi s conclusions highlight the common themes emerging from the various contributions stressing the need for a more general supranational approach to the political crisis the Union is going through The content of this book will be of great value to academics students judges practitioners and all others interested in the legal discourse on the progressive development of the European Union legal order EU Encyclopedia & Directory 2025 Europa Publications,2024-12-04 Thoroughly updated this extensive reference

source provides in depth information on all matters relating to the European Union EU energy policy in the context of the Russian Federation's invasion of Ukraine is covered in depth as is the impact of the COVID 19 crisis on EU policy EU citizenship after Brexit is discussed together with EU migration policy and the EU's social framework EU Africa relations are reviewed and current issues in overall foreign policy and security are addressed Key Features an up to date chronology of the EU from 1947 to present an A Z section contains definitions and explanations of organizations acronyms and terms and articles on each member state Comprising some 1 000 entries terms listed include Brexit the European Institute for Gender Equality Next Generation EU REPowerEU and Team Europe articles written by experts on the EU provide an overview of its policies and activities a directory of principal names addresses telephone numbers and e mail and internet addresses of all major European Union institutions and their official bodies This information is supplemented by summaries of important treaties and details of EU level trade and professional associations Users will also find details of MEPs and the political groups and national parties contributing to the European Parliament a statistical survey gives tables covering population employment agriculture energy and mining industry the environment finance trade transport and communications tourism health and welfare and education across the EU This title will prove valuable to academic and public libraries politicians and government agencies and the media as well as to all those in need of accurate and reliable information on the European Union

European Citizenship through the Lens of EU Values Gaëlle Marti, 2025-03-14 Is EU citizenship compatible with European values In the wake of the Convention on the Future of Europe and against the backdrop of the many challenges facing the EU security economic migration health climate digital etc this book aims to take stock of the scope and content of European citizenship and its capacity to embody the values of the Union Seen as the culmination of a political project EU citizenship is also regularly criticised as a mere market citizenship whose rights only benefit the mobile and wealthy The first part of the book therefore focuses on assessing the values of the Union in the light of European citizenship with an emphasis on dignity equality democracy and respect for human rights while the second part analyses the ways in which European citizenship can truly embody the values of the Union The aim is to rethink the Union's capacity to ensure the effective dissemination of the values underlying the European social contract and to anchor them in a democratic project underpinned by European citizenship This book is the result of an international academic conference held at the University of Lyon 3 at the end of 2023 and is part of the Jean Monnet Chair's research project on the promotion and preservation of the values of the Union It brings together contributions from Ninon Forster Professor of Public Law University of Valenciennes Anastasia Iliopoulou Professor of Public Law University of Paris Pantheon Assas Julie Rondu Assistant Professor of Public Law University of Strasbourg Mathieu Rouy PhD in EU law Research fellow at EDIEC Jean Moulin Lyon 3 University Quitterie Roccaserra Doctoral candidate University Paris Pantheon Assas Felicie Remlinger Doctoral candidate University Paris Pantheon Assas Irene Marchioro Postdoctoral researcher University of Trieste Michele Messina Professor of Law University

of Messina and Andrew Fagan Senior Lecturer University of Essex *The European Union's Roles in International Politics*
Ole Elgström, Michael Smith, 2006-08-21 This volume sets out explicitly and systematically to bring together the two strands
of political science the study of the EU's international activities and IR theory and thus to make a significant original
contribution to a developing literature It provides both a conceptual and empirical argument the volume provides an
innovative perspective on the analysis of the European Union as an international actor and on the ways in which EU actions
are formed and have impact The volume deals with a number of topical issues in such areas as human rights global
governance and the roles of international organizations It offers a research agenda based on rigorous development of the
framework for role analysis and demonstrates the ways in which this agenda might be furthered

Yeah, reviewing a books **Social Security And Solidarity In The European Union** could be credited with your near associates listings. This is just one of the solutions for you to be successful. As understood, achievement does not recommend that you have extraordinary points.

Social Security And Solidarity In The European Union Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Security And Solidarity In The European Union has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Security And Solidarity In The European Union has opened up a world of possibilities.

Downloading Social Security And Solidarity In The European Union provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Security And Solidarity In The European Union has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Security And Solidarity In The European Union. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Security And Solidarity In The European Union. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Security And Solidarity In The European Union, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In

conclusion, the ability to download Social Security And Solidarity In The European Union has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Security And Solidarity In The European Union Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Security And Solidarity In The European Union is one of the best book in our library for free trial. We provide copy of Social Security And Solidarity In The European Union in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Social Security And Solidarity In The European Union. Where to download Social Security And Solidarity In The European Union online for free? Are you looking for Social Security And Solidarity In The European Union PDF? This is definitely going to save you time and cash in something you should think about.
