Social Welfare In Latin America Comparative Social Welfare Ser:

Social Welfare in Latin America John Dixon, Robert P. Scheurell, 2016-03-22 First published in 1990 this book analyses social welfare in Latin America at that time For each country it considers the ideological framework underlying the social welfare system and describes the historical development of both the system and the political and socio economic context Each chapter looks at the structure and administration of the systems in place and how these are financed This is followed by a consideration of the nature of different parts of the welfare system a survey of social security personal social services and the treatment of the following key target groups the aged those with disabilities and handicaps children and youth disadvantaged families the unemployed and the sick and injured Each chapter concludes with an assessment of the effectiveness of the system considered *Comparative Social Welfare* Various Authors, 2021-03-05 First published between 1985 and 1992 this set of books analyses social welfare in Asia the Middle East Africa Latin America highly developed economies and socialist countries at the time Each title considers the ideological framework underlying the social welfare system for each country and describes the historical development of both the system and the political and socio economic context Each chapter looks at the structure and administration of the systems in place and how these are financed Contributions examine the nature of the different parts of the welfare system surveying social security personal social services and the treatment of the following key target groups the aged those with disabilities and handicaps children and youth disadvantaged families the unemployed and the sick and injured Each chapter concludes with an assessment of the effectiveness of the system considered This set will be of interest to those studying international social welfare and development **Social Welfare in Global Context** James Midgley, 1997-03-26 James Midgley provides a broad overview of social welfare outlining key institutions terminology historical research and approaches He also details reasons for the existence of international social welfare and the challenges that arise from it The author includes an important section on applied international social welfare that addresses the concerns of practitioners concerns that have been neglected in much of the literature in the field An entire section of the book is devoted to issues of social work practice social development the activities of international agencies and their collaborative efforts While practical application is an important focus of the book several chapters deal with key theoretical debates in the field The author also includes descriptive chapters that provide comprehensive accounts of world social conditions and social welfare institutions As a textbook on international social welfare *Social Welfare in Global Context* is primarily intended for students and practitioners of social work social administration and social policy But it is also relevant for students of sociology public policy and economics **Social Welfare - Policies, Services, and Innovations** Helder Ferreira do Vale, 2025-07-09 Up to date perspectives on the development of welfare systems are much needed considering the changes in the past two decades brought about by the Covid 19 pandemic the 2008 Great Recession the emergence of ultraright groups in mainstream politics worldwide the expansion of

migratory patterns among other factors The book focuses on the impact of global and local welfare policies and programs on groups such as refugees employees and the ageing population Welfare innovation is a pivotal topic of this book which covers issues such as new welfare services cash transfer programs context specific policies age management and novel policy motivations ethical commitment human rights protection These subjects are applied to numerous countries including Australia Brazil the Czech Republic Norway South Africa and Kenya The book s analysis of welfare institutions policies and services offers an opportunity to consider the evolution reforms and challenges of welfare systems worldwide Additionally the book helps us understand the importance of adopting new approaches to various components of social welfare in response to the demands of rapidly changing contexts *National Social Service Systems; a Comparative Study and Analysis of Selected Countries* Dorothy Lally,1971 Comparison of social administration and social service programmes in 27 countries covers institutional frameworks social planning functions financing social research the training of social workers international cooperation etc Bibliography diagram references and statistical tables **Social Welfare Development in East Asia** K. Tang,2000-10-03 Comparative social policy has long neglected welfare development in Asia Not much is known about social welfare in the economically successful East Asian tigers Hong Kong Korea Singapore and Taiwan They are late starters in social welfare but each has its own trajectory of welfare development Despite the presence of extensive social welfare they have shied away from western style welfare states The presence of strong developmental states and their development ethos explain in large part the underdevelopment of state welfare **Welfare and Party Politics in Latin America** Jennifer Pribble,2013-04-22 Systems of social protection can provide crucial assistance to the poorest and most vulnerable groups in society but not all systems are created equally In Latin America social policies have historically exhibited large gaps in coverage and high levels of inequality in benefit size Since the late 1990s countries in this region have begun to grapple with these challenges enacting a series of reforms to healthcare social assistance and education policy While some of these initiatives have moved in a universal direction others have maintained existing segmentation or moved in a regressive direction Welfare and Party Politics in Latin America explores this variation in Argentina Chile Uruguay and Venezuela finding that the design of previous policies the intensity of electoral competition and the character of political parties all influence the nature of contemporary social policy reform in Latin America *Ideal Types in Comparative Social Policy* Christian Aspalter,2020-12-06 This book introduces readers to the world of ideal types within the readings of Max Weber by giving a theoretical understanding of ideal types as well as applying the development of ideal types to an array of social policy arenas The 21st century has seen the development of welfare regime analysis marked by two differing strands real typical welfare regime analyses and ideal typical welfare regime analysis the latter focusing on the formation development and application of ideal types in general comparative social policy Designed to provide new theoretical and practical frameworks as well as updated in depth developments of ideal typical welfare regime theory this book shows how Weber s

method of setting up and checking against ideal types can be used in a wide variety of policy areas such as welfare state system comparison comparative social and economic development health policy mental health policy health care system analysis gender policy employment policy education policy and so forth The book will be of interest to all scholars and students working in the fields of social policy including health policy public policy political economy sociology social work gender studies social anthropology and many more *The Routledge International Handbook to Welfare State Systems* Christian Aspalter, 2017-01-12 Developing countries may not have full fledged welfare states like those we find in Europe but certainly they have welfare state systems For comparative social policy research the term welfare state systems has many advantages as there are numerous different types models of welfare state systems around the world This path breaking book edited by Christian Aspalter brings together leading experts to discuss social policy in 25 countries regions around the world From the most advanced welfare state systems in Scandinavia and Western Central Europe to the developing powers of Brazil China India Russia Mexico and Indonesia each country specific chapter provides a historical overview discusses major characteristics of the welfare state system analyzes country specific problems as well as critical current and future trends for further discussions while also providing one additional major focal point issue for greater in depth analysis This book breaks new ground in ideal typical welfare regime theory identifying now in total 10 worlds of welfare capitalism It provides broad perspectives on critical challenges which welfare state systems in the developing and developed world alike must address now and in the future It will be of great interest to all scholars and students of social policy social development development and health economists public policy health policy sociology social work and social policy makers and administrators This book is a reference book for researchers and social policy administrators it can also serve as a textbook for courses on comparative social policy international social policy and international social development *International Social Work* Lynne Moore Healy, Rebecca Leela Thomas, 2020-07-30 International Social Work Professional Action in an Interdependent World Third Edition is a comprehensive treatment of all dimensions of international social work The authors four part framework includes domestic practice and policy influenced by global forces professional exchange international practice and global social policy The first section of the book explores globalization development and human rights as foundational concepts for international social work The text then provides an overview of global social issues and international organizations related to social welfare Part II offers an overview of the global history of the profession Similarities and differences in social work around the world are examined through seven country examples Part III provides an extensive discussion of current aspects of the global profession with chapters on ethics social policy international development practice and practice at the international domestic interface Modalities of international professional exchange are then explored prior to a concluding chapter that provides recommendations for international action The text is enlivened by numerous case examples drawn from many parts of the world The history chapters include brief biographies of noted social workers on the

international scene whose accomplishments serve as inspiration for readers The text is extensively referenced with updated professional literature and intergovernmental documents Carefully selected items in the appendix expand the usefulness of the book

Social Work in East Asia Christian Aspalter, 2016-04-01 Owing to rapid economic development and the onset of population ageing social work has become a major means of delivering social services and relieving and preventing social problems at an individual family and community level in East Asia In addition to this the number of activities undertaken by social welfare NGOs has risen a great deal throughout East Asia resulting in a greater demand for professional social workers With governments across the region having discovered the beneficial effects of professional social work for both social integration and social harmony there is now greater support for the development of this academic discipline and profession This groundbreaking volume explores the current state of development of social work provision across the region It is the first book of its kind to investigate current and future trends as well as the challenges and pitfalls of social work one of the fastest growing professions in East Asia

Social Welfare for a Global Era James Midgley, 2016-02-03 Written by internationally renowned author and scholar James Midgley *Social Welfare for a Global Era* provides a comprehensive framework for examining social welfare from a global perspective Drawing on a large body of literature and his own extensive knowledge of the field Dr Midgley offers students scholars and practitioners an up to date account of the complex ways social well being is enhanced in the global era including the major welfare institutions that provide a cultural context for social welfare policy and practice

International Social Work Lynne M. Healy, 2008 *International Social Work Professional Action in an Interdependent World* is a comprehensive introduction that places social work history practice policy and education within an international perspective

Constructing Culture and Power in Latin America Daniel H. Levine, 1993 A notable collection of complementary essays largely culled from the pages of *Comparative studies in society and history* examine the ways in which power exerted by capital markets peasants women elites and States and culture expressed in official policy institutions and communal life

Social Protection in Latin America Armando Barrientos, 2024-04-18 This book offers a comprehensive analysis of social protection in Latin America its origins institutions and outcomes The chapters are organised in three groups The earlier chapters discuss in turn appropriate methods an analytical framework and core institutions The book advocates a causal inference approach to the study of the institutions that have dominated social protection in the region occupational insurance individual retirement savings and social assistance The middle chapters study social protection's main stratification effects focussing on stratification effects on employment protection and worker incorporation The later chapters then assess social protection outcomes and identify country groupings including their evolution over time The book and its approach and findings contributes to the advancement of a theory of social protection amongst late industrialisers This is an open access book

The British National Bibliography Arthur James Wells, 1994

Comparative Public Policy Anneliese Dodds, 2018-03-29 The second

edition of this popular textbook combines coverage of public policies in different countries with the conceptual and methodological frameworks for analysing them. This new edition pays particular attention to the international contexts of ideas, interests and institutions in which decision makers operate. In addition, it considers the bilateral, multilateral and transnational aspects of policy making in today's interconnected world. This is a core text for introductory modules on undergraduate and postgraduate public policy, public management and public administration programmes. In addition, it will be useful for those courses that take a comparative approach to specific policy areas such as welfare, health and education. With a focus on enabling students to draw their own comparisons, it is the ideal choice for lecturers across the world.

New to this Edition: New and improved chapter structure places conceptual discussion before the empirical analysis, leading to a stronger emphasis on big picture questions throughout. Increased attention to contemporary relevant policy issues such as migration, climate change and security. Quantitative and descriptive data has been systematically updated.

The Political Economy of the Welfare State in Latin America Alex Segura-Ubiergo, 2007-06-25. This book is one of the first attempts to analyze how developing countries through the early twenty-first century have established systems of social protection and how these systems have been affected by the processes of globalization and democratization. The book focuses on Latin America to identify factors associated with the evolution of welfare state policies during the pre-globalization period prior to 1979, whilst studying how globalization and democratization have affected governments' fiscal commitment to social spending. In contrast with the Western European experience, more developed welfare systems evolved in countries relatively closed to international trade, while the recent process of globalization that has swept the region has put substantial downward pressure on social security expenditures. Health and education spending has been relatively protected from greater exposure to international markets and has actually increased substantially with the shift to democracy.

The Last Mile in Ending Extreme Poverty Laurence Chandy, Hiroshi Kato, Homi Kharas, 2015-07-20. Viewed from a global scale, steady progress has been made in reducing extreme poverty defined by the \$1.25 a day poverty line over the past three decades. This success has sparked renewed enthusiasm about the possibility of eradicating extreme poverty within a generation. However, progress is expected to become more difficult and slower over time. This book will examine three central changes that need to be overcome in traveling the last mile: breaking cycles of conflict, supporting inclusive growth, and managing shocks and risks. By uncovering new evidence and identifying new ideas and solutions for spurring peace, jobs, and resilience in poor countries, *The Last Mile in Ending Extreme Poverty* will outline an agenda to inform poverty reduction strategies for governments, donors, charities, and foundations around the world.

Contents: Part I: Peace: Breaking the Cycle of Conflict. External finance for state and peace building. Marcus Manuel and Alistair McKechnie. Overseas Development Institute. Reforming international cooperation to improve the sustainability of peace. Bruce Jones. Brookings and New York University. Bridging state and local communities through livelihood improvements. Ryutaro Murotani. JICA and Yoichi Mine. JICA, RI and Doshisha University.

Postconflict trajectories and the potential for poverty reduction Gary Milante SIPRI Part II Jobs Supporting Inclusive Growth

Desai Georgetown University and Brookings **Cash Transfers for Poverty Reduction** Francisco V. Ayala, David
Lawson, 2023-12-06 Over the past 20 years more than 100 countries have implemented social safety nets targeted at the
poorest and most vulnerable Impact evaluations have shown the effectiveness of these programmes and policymakers have
explored different methods of delivery including cash transfers Cash Transfers for Poverty Reduction offers the first
systematic discussion of the design and implementation of poverty reduction schemes and cash transfer programmes in
particular The authors also draw on their own practical experience and present global case studies to show the effects that
these decisions have on operations and outcomes Featuring end of chapter questions and answers to help test your
knowledge this book offers an operational guide for key stakeholders officials and students in understanding the design
implementation and monitoring and evaluation of cash transfer programmes
