Social Policy And The Ethic Of Care

Petr Urban, Lizzie Ward

Social Policy And The Ethic Of Care:

Social Policy and the Ethic of Care Olena Hankivsky, 2004 In this book Hankivsky considers the implications of this ethic for a range of Canadian social policy issues Through a series of case studies she demonstrates the extent to which a care orientation differs from a justice orientation and provides an alternative normative framework for interpreting understanding and evaluating social policy She reveals why Canadian social policy is lacking and how it could be made more effective and robust by the inclusion of an ethic of care Jacket

Critical Ethics of Care in Social Work Bob Pease, Anthea Vreugdenhil, Sonya Stanford, 2017-10-06 This book argues that the concept of care is a political and a moral concept As such it enables us to examine moral and political life through a radically different lens The editors and contributors to the book argue that care has the potential to interrogate relationships of power and to be a tool for radical political analysis for an emerging critical social work that is concerned with human rights and social justice The book brings a critical ethics of care into the realm of theory and practice in social work Informed by critical theory feminism intersectionality and post colonialism the book interrogates the concept of care in a wide range of social work settings It examines care in the context of social neglect interdisciplinary perspectives the responsabilisation agenda in social work and the ongoing debate about care and justice It situates care in the settings of mental health homelessness elder care child protection asylum seekers and humanitarian aid It further demonstrates what can be learnt about care from the post colonial margins Aboriginal societies LGBTI communities and disability politics It demonstrates ways of transforming the politics and practices of care through the work of feminist mothers caring practices by men meditations on love rethinking self care extending care to the natural environment and the principles informing cross species care The book will be invaluable to social workers human service practitioners and managers who are involved in the practice of delivering care and it will assist them to challenge the punitive and hurtful strategies of neoliberal rationalisation The critical theoretical focus of the book has significance beyond social work including nursing psychology medicine allied health and criminal justice
