Social Problems As Human Concerns:

Social Problems as Human Concerns John J. Grant, Wayne G. Pirtle, 1976 **Social Problems, Social Issues, Social Science** James Wright, 2017-07-05 Sociology has tackled some of the most formidable problems that confront contemporary society inequality homelessness violence gender and many more Sociologists assert that hypotheses can be formulated and tested against empirical evidence that faulty viewpoints can be uncovered and discarded and that plausible theory can be distinguished from mere ideology This collection was written over a span of forty four years and is presented in the belief that sociology is a science In *Social Problems Social Issues Social Science* James D Wright presents his research on some of the social issues that have most vexed America homelessness addiction divorce minimum wage and gun control among others Starting with essays first published in the flagship journal *Society* Wright offers readers a foundational look at specific social problems and the methods sociologists have used to study them He then provides an up to date re examination of each issue analysing the changes that have occurred over time and how sociologists have responded to it This book is both a retrospective on the field and on one scholar s life and work Using his own experience in researching and writing about America s most trenchant social issues Wright describes the evolution of the methods and theory used by social scientists to understand and ultimately to confront America s most troublesome social problems *Handbook on Teaching Social Issues* Ronald W. Evans, David W. Saxe, 2007-10-01 There s no book like this one for educators interested in issues centered teaching More than 40 experts have contributed articles offering comprehensive coverage of the field of social issues education In addition to a full examination of objectives and methods contributors show how social issues can be taught as part of history geography the social sciences and global and environmental studies The challenges of assessment curriculum and effective teacher education are fully explored With its teaching ideas and useful resource section this book is an indispensable addition to your library Contributors include Shirley Engle Anna Ochoa Becker Jack Nelson Carole Hahn Byron Massialas Jeff Passe Jesus Garcia Gloria Ladson Billings Merry Merryfield Patricia Avery Sam Totten Bill Wraga Walter Parker and James Shaver **Social Problems in a Free Society** Myles J. Kelleher, 2004-09-02 The future of the sociologist s profession is jeopardized by an ongoing trend toward the politicization of sociology and the radicalization of social problems This book calls for the rethinking of the culture of social political and economic liberty to create a resurgence of a sociological agenda *Social Problems in a Free Society* offers an original perspective on social problems such as violations of the principles of individual rights and the free market This book is a vision for reinvigorating the discipline in a fashion undreamt of within the wearisome strains of today s radical social problems theory **Social Issues, Geopolitics, and Judaica** Werner J. Cahnman, 2017-07-28 This volume brings together thirty four essays and articles by Werner J Cahnman representing four decades 1940 1980 of work by an extraordinary multidisciplinary scholar Cahnman s work encompasses the experiences of a German Jewish refugee an economist turned sociologist and a scholar of Judaism Part 1 contains personal and

autobiographical writings and includes analyses of the cultural ambiguities of Jewish assimilation in Germany and Austria Part 2 is devoted to sociological essays ranging from a critical assessment of Gunnar Myrdal's landmark study of the problems of race and democracy *An American Dilemma* to a probing look at the stigma of obesity based on empirical research a subject very much in the news today and that shows Cahnman ahead of his time Part 3 offers some of Cahnman's most perceptive essays dealing with geopolitical themes Included are theoretically based writings that help to clarify the methods and concepts of geopolitics marking the intellectual beginnings of the global approach to world affairs Here Cahnman broached the possibility of a united Europe 1944 realized sixty years later in the formation of the European Union The twelve essays of Part 4 return to Cahnman's ever present concern with Jews and Judaism They present a wide ranging historical sociological view from the Jews of Vienna in the 1930s to the American scene in the 1960s to the still unresolved problematics of Arab Israeli relations with Cahnman arguing for coexistence and a two state solution for Jews and Arabs The volume carefully selected and assembled by the editors presents for the first time essays representing the full range of Werner Cahnman's scholarship and thought It will be of interest to students of sociology history political science and Judaic studies
