Social Quality:

Social Quality A. Walker, 2011-12-15 This collection sets out the latest research on the concept of social quality developing its theoretical foundations and applying it to pressing policy issues such as the future of the European Union and sustainable global development

Social Quality Theory Ka Lin, Peter Herrmann, 2015-07-01 Social quality thinking emerged from a critique of one sided policies by breaking through the limitations previously set by purely economic paradigms By tracing its expansion and presenting different aspects of social quality theory this volume provides an overview of a more nuanced approach which assesses societal progress and introduces proposals that are relevant for policy making Crucially important components emerge with research by scholars from Asia particularly China eastern Europe and other regions beyond western Europe the theory s place of origin As this volume shows this rich diversity of approaches and their cross national comparisons reveal the increasingly important role of social quality theory for informing political debates on development and sustainability

Social Quality: A Vision for Europe Laurent Van der Maesen, 2001-01-31 This volume represents the outcome of two years of intensive debate about the future of Europe It aims to provide the European Union with a vision one that will unite all of its citizens and help to create the democratic legitimacy that the EU currently lacks It builds on the first book on social quality *The Social Quality of Europe* which introduced the concept and which has been enthusiastically received by both the scientific and policy communities The book develops three crucial elements of social quality the theoretical validity of the concept its practical application and its identity or genetic code It establishes an independent identity for social quality with a unique focus on the quality of the social which enables it to act as the rationale for economic social and cultural policies and therefore an escape route from the dominance of narrow economic thinking in policy making

Social Quality - Looking for a Global Social Policy Peter Herrmann, 2009 Menschenrechtsdiskussionen globale Sozial Politik und die Bem hungen der UN f r Menschliche Entwicklung Human Development und Menschliche Sicherheit Human Security geraten in zwei grunds tzliche Sackgassen Zum einen wird ein bestimmtes Mo dell von existierenden entwickelten Staaten d h mit hoch entwickeltem Kapitalismus als einziges Ideal vorgestellt ohne dass andere fortschrittliche Modelle ernsthaft ber cksichtigt werden Eine m gliche denkbare Alternative ist h chstens die romantisierende Vorstellung einer guten Gesellschaft welche sich in vielen F llen auf eine Art naive G te einer indi genen Lebensweise bezieht Zum anderen wird nicht fern der erw hnten Alternativen auf abstrakte Konzepte von Gerechtigkeit und Freiheit etc hingewiesen auf moralische Aussa gen die jedoch zur Trennung von systematischem sozio konomischem ebenso wie politisch rechtlichem Denken f hren Der vorliegende Band versucht aus sozial philosophischer Perspektive die politische ko nomie und das Sozialrecht zusammenzuf hren um ein Verst ndnis von allgemeiner Verant wortlichkeit f r soziale Qualit t weltweit zu entwickeln Besondere Beitr ge sind eine Einf h rung in den theoretischen Ansatz der sozialen Qualit t ein Exkurs ber islamische Gesell schaften und ein Exkurs hinsichtlich asiatischer Sichtweisen Das Buch *Social Quality Looking for a Global*

Social Policy mit dem Untertitel Attempting an Approximation to the Analysis of Distances of Social Systems ist der zweite Band der Serie Studien zu vergleichender Sozialpädagogik und internationaler Sozialarbeit und Sozialpolitik welche eine Fortsetzung der fast gleichnamigen Serie ist die von Franz Hamburger beim Schönböck Verlag Rheinfelden herausgegeben wurde Die Serie thematisiert problemorientiert sozialpädagogischen Theorien und die Arbeit sozialer Strukturen im internationalen Rahmen und Vergleich Dabei wird die Serie als ein Forum für Diskussionen und Veröffentlichungen begriffen

Social quality and sustainable development of rural territories: why must sociability be capitalized? ,

Global Crossroads in Social Welfare Élieth P. Éyébiyi, Peter Herrmann, Veronica Sheen, 2010 This volume brings together a cross section of papers presented at the 33rd International Council of Social Welfare ICSW conference in Tours France in July 2008 The contributions raise important topics offering great insight into the multiplicity of ways that nations and communities are responding to the challenges of globalisation as well as internal demands for greater social justice and equality as well as mechanisms for civil society Back cover

Qualities of Food Mark Harvey, Andrew McMeekin, Alan Warde, 2004 In this book the complexity and the significance of the foods we eat are analyzed from a variety of perspectives by sociologists economists geographers and anthropologists The first part of the book focuses on theoretical and conceptual issues the second part considers processes of formal and informal regulation while the third part examines social and political responses to industrialised food production and mass consumption

School and Home Education , 1921 **Social Policy in Context** Peter Herrmann, 2014-07-10 Social policy is widely accepted as scientific discipline and this includes that it accepts for itself another meaning of this status one which is usually not considered the subject is disciplined i.e.

regimented One important point in this context is that social policy is focused and thereby forgets systematic economic determinants and the historical perspective on its own existence The present book recalls some fundamental issues such as the partial liberation of human decision making from extramundane powers and as well as topics that are being discussed in contemporary settings The volume brings different dimensions together in an insightful way and is a stimulating read for those who are ready to engage with the complexity of political questions are looking for instruments for an analysis that reaches beyond yesterday's solutions for the problems we don't really know anyway

The Global Rise of Social Cash Transfers Lutz Leisering, 2019 This volume analyses the phenomenon of social cash transfers in the global South providing a definitive and comprehensive overview of current practice **Women, Welfare and Productivism in East Asia and Europe** Ruby C. M. Chau, Sam W. K. Yu, 2022-07-29 Developing the new framework of life mix which considers the mixed patterns of caring and working in different periods of life this book systematically explores the interplay of productivism women care and work in East Asia and Europe The book ranges across four key aspects of welfare childcare parental leave employment support and pensions to illustrate how policies affect women in various periods of their lives Policy case studies from France Germany Hong Kong Hungary South Korea Sweden and the UK show how welfare could support people's caring

and working lives This book forms a prescient examination of how productivist thinking underpins regimes and impacts women's welfare care and work in both the East and West Social Welfare Issues in Southern Europe Maria

Brown, Michael Briguglio, 2022-03-10 This volume is the first of its kind to discuss social welfare issues using case studies from a broad range of Southern European countries both large and small a decade after the financial crisis It identifies similarities and differences in the ways in which Southern European countries engage with specific welfare issues and examines whether Southern European welfare is distinct from that of the rest of the continent The book also engages with the impact of COVID 19 on the social welfare issues under investigation The volume is divided into four sections each examining in detail issues including employment education health sexuality globalization social movements and migration With its contributions from experts in the field the volume is recommended for academics researchers and students of sociology social policy economics education politics and social movements *A Research Agenda for Social Wellbeing* Neil

Thin, 2020-11-27 This Research Agenda for Social Wellbeing introduces scholars and planners to the importance of a wellbeing lens for the study and promotion of social flourishing It demonstrates the importance of wellbeing as a public good not just a property of individuals *Understanding Human Need* Hartley Dean, 2020-04-22 This second edition of a widely respected textbook is one of the few resources available to provide an overview of human need as a key concept in the social sciences Taking an approach encompassing both global North and South this accessible and engaging book models existing practical and theoretical approaches to human need while also proposing a radical alternative Incorporating crucial current debates and illustrations the author explores distinctions between different types and levels of need how different approaches are reflected in different sorts of policy goals debates about the relationship between needs rights and welfare contested thinking about needs in relation to caring disadvantage and humanity Fully revised and updated this new edition pays due regard to the shifting nature of welfare ideologies and welfare regimes Offering essential insights for students of social policy it will also be of interest to other social science disciplines policy makers and political activists **Human**

Welfare and Public Policy Tetsuo Ogawa, 2025-06-15 Social trends and public policies are deeply interconnected with individuals quality of life as public policies play a crucial role in expanding people's opportunities and capabilities to pursue and realise their personal goals It is essential to broaden the understanding of public policy both as a general concept and as a practical tool to analyse how contemporary societies and policies influence not only individual well being and the pursuit of a quality life but also the formulation and effectiveness of public policies themselves Therefore this volume considers the conditional factors that shape the overall social quality of life within society This includes integrating both subjective and objective indicators of quality of life as outlined by the European Union to develop a comprehensive understanding of well being that can inform more effective and responsive policymaking *Natural Language Processing and Information Systems*

Elisabeth Métais, Farid Meziane, Mohamad Saraee, Vijayan Sugumaran, Sunil Vadera, 2016-06-16 This book constitutes the

refereed proceedings of the 21st International Conference on Applications of Natural Language to Information Systems NLDB 2016 held in Salford UK in June 2016 The 17 full papers 22 short papers and 13 poster papers presented were carefully reviewed and selected from 83 submissions The papers cover the following topics theoretical aspects algorithms applications architectures for applied and integrated NLP resources for applied NLP and other aspects of NLP

Measuring Wellbeing: Towards Sustainability? Karen Scott, 2012-07-26 Improving wellbeing and sustainability are central goals of government but are they in conflict This engaging new book reviews that question and its implications for public policy through a focus on indicators It highlights tensions on the one hand between various constructs of wellbeing and sustainable development and on the other between current individual and societal notions of wellbeing It recommends a clearer conceptual framework for policy makers regarding different wellbeing constructs which would facilitate more transparent discussions Arguing against a win win scenario of wellbeing and sustainability it advocates an approach based on recognising and valuing conflicting views where notions of participation and power are central to discussions Measuring Wellbeing is divided into two parts The first part provides a critical review of the field drawing widely on international research but contextualised within recent UK wellbeing policy discourses The second part embeds the theory in a case study based on the author's own experience of trying to develop quality of life indicators within a local authority against the backdrop of increasing national policy interest in measuring happiness This accessible and informative book covering uniquely both practice and theory will be of great appeal to students academics and policy makers interested in wellbeing sustainable development indicators public policy community participation power and discourse Russia and the European Union Elena G. Popkova, 2017-05-16 This book focuses on the economic and political relationships between Russia and Europe which are currently characterized by the existence and escalation of contradictions On the one hand the common history and geographical proximity of Russia and Europe have naturally produced a close interdependence on the other current global political affairs and opposing positions continue to hinder the development of common economic relationships in Russia and Europe This contributed volume describes integration processes in Russia and Europe to illustrate best practice examples and demonstrates how both parties have increasingly come to understand the importance of international cooperation highlighting economic legal philosophical political and sociological aspects EC Employment Law Catherine Barnard, 2006 EC Employment Law provides a thorough and authoritative guide to EC law on employment within a social and economic context Extensive coverage is given of complex equality caselaw and legislation and many issues not covered elsewhere are examined **Fuzzy Models in Economics** Gorkhmaz Imanov, 2020-10-07 This book offers a timely guide to fuzzy methods applied to the analysis of socioeconomic systems It provides readers with a comprehensive and up to date overview of the algorithms including the theory behind them as well as practical considerations current limitations and solutions Each chapter focuses on a different economic problem explaining step by step the process to approach it using the

corresponding fuzzy tools The book covers elements of intuitionistic fuzzy logics fuzzy entropy and the fuzzy DEMATEL method a fuzzy approach to calculate the financial stability index It also reports on some new models of social financial and ecological security and on a novel fuzzy method for evaluating the quality of development of information economy
