too few toboggans to go around for their grade four classmates Jordan Corey's younger brother had agreed to lend his toboggan However Harriet Claire's younger sister and Jordan's close friend had resisted all persuasive attempts to borrow her toboggan The older children decided that the best strategy was to use Jordan's friendship with Harriet and his good example of sibling generosity in presenting their case to Harriet Both of these anecdotes exemplify what this volume on peer relationships and social skills is about Children have friends with whom they discuss issues of perceived social significance During the early elementary school years rather sophisticated conversations and debates concerning topics of reward distribution altruism person perception social status sibling relations and cooperation can be overheard especially by eavesdropping parents who have professional interests in such matters
