Social Rights Under The Constitution Government And The Decent Life

Neville Harris

Social Rights Under The Constitution Government And The Decent Life:

Social Rights Under the Constitution Cécile Fabre, 2000 The desirability or lack thereof of bills of rights has been the focus of some of the most enduring political debates over the last two centuries Unlike civil and political rights social rights to the meeting of needs standardly rights to adequate minimum income education housing and health care are not usually given constitutional protection This book argues that social rights should be constitutionalized and protected by the courts and examines when such constitutionalization conflicts with democracy It is thus located at the crossroads of two major issues of contemporary political philosophy to wit the issue of democracy and the issue of distributive justice Interestingly and surprisingly enough philosophers who engage in penetrating discussions on distributive justice do not usually reflect on the implications of their argument for democracy they are met with equal indifference on the part of theorists of democracy This book stems from the perception that there may be conflicts between the demands of democracy and the demands of distributive justice both of which are crucially important and from the resulting recognition that the question of the relationship between these two values cannot be ignored Constituting Economic and Social Rights Katharine G. Young, 2012-08-23 This book will appeal to a range of constitutional and public legal scholars and practitioners and will appeal to both audiences of human rights practice and those following legal theory First the book presents a breakthrough in constitutional argument about economic and social rights long debated in constitutional rights scholarship and public law It provides an important collection of comparative developments new analytical constructs and contemporary developments in rights theory Second the book draws on comparative constitutional law to inform and develop debates in international human rights law This audience will learn how new approaches to interpretation enforcement adjudication justiciability and deliberation may advance international and transnational human rights advocacy argument and reasoning Third the book informs the interdisciplinary debates of food health care housing education and water law **Social Rights Under the Constitution**, 2000 1 2 Rights *British Government and the Constitution* Colin Turpin, Adam Tomkins, 2011-09-01 Like the immensely successful previous edition of this highly respected work this new edition has been jointly prepared and thoroughly updated by Colin Turpin and Adam Tomkins It takes fully into account constitutional developments under the coalition government and examines the most recent case law of the Supreme Court the European Court of Justice and the European Court of Human Rights While it includes extensive material and commentary on contemporary constitutional practice the book covers the historical traditions and the continuity of the British constitution as well as the current tide of change Designed principally for law students the book includes substantial extracts from parliamentary and other political sources as well as from legislation and case law making it ideal for politics and government students With its fresh design it provides a full yet accessible account of the British constitution at a fascinating moment in its ongoing development **Without Trimmings** Mark McBride, Visa AJ Kurki, 2022-05-02 Professor Matthew Kramer is one of the most important legal

philosophers of our time even if the label legal philosopher does not do justice to the breadth of his work This collection of essays brings together esteemed philosophers as well as junior scholars to critically assess Kramer s philosophy The contributions focus on Kramer s work on legal philosophy metaethics normative ethics and political philosophy The volume is divided into six parts each focusing on different aspect of Kramer s work The first part Rights and Right holding contains five essays addressing Kramer s work on rights and right holding including the Hohfeldian analysis and the interest theory of right holding The four essays in the second part General Jurisprudence focus on Kramer s work in general jurisprudence from the compatibility of legal positivism with universal legal error to his robust defense of inclusive legal positivism concluding with reflections on his writings on the rule of law The third part General Matters of Ethics contains two essays addressing Kramer s metaethical work on moral realism as a moral doctrine The fourth and fifth parts Freedom and Liberalism have four essays falling within political philosophy probing Kramer s work on negative freedom and political liberalism respectively The sixth part Applied Ethics contains two essays on Kramer s work on capital punishment and freedom of expression The collection is rounded off by reflections on and replies to the contributions by Kramer himself

The Veil of Participation Alexander Hudson,2021-05-06 Hudson provides new evidence about the roles of political parties leaders and citizen participants in constitution making processes *Rights as Security* Rhonda Powell,2019-02-21 The right to security of person is widely recognized but little understood Courts legislatures and scholars disagree about how the right to security of person should be defined This book investigates the meaning of the right to security of person through an analysis of its constituent parts Applying an original conceptual analysis of security the right to security of person imposes both positive and negative duties Also identifying the interests to be protected by the right requires a theory of personhood or wellbeing such as Amartya Sen and Martha Nussbaum s capabilities approach It is accepted that any existing legal rights to security of person must be artificially delineated in order not to overstep the boundaries of other rights In recognition of the naturally broad meaning of the right to security of person it is proposed that human rights law as a whole should be seen as a mechanism to further security of person rights as security *Justiciability of Human Rights Law in Domestic Jurisdictions* Alice Diver,Jacinta Miller,2015-12-15 This collection of 16 essays by 19 contributors calls into question the notion of domestic justiciability across a wide range of human rights issues such as health human dignity criminal justice property and transitional democracy The authors offer critical analyses of a number of rights frameworks focusing in considerable detail upon specific countries e g Libya Colombia Ireland the United Kingdom Northern Ireland South Africa Nigeria Zimbabwe Kenya India and regions e g Europe Africa to highlight the various challenges which continue to vex human rights advocates and scholars In doing so they pinpoint some of the major tensions that still exist within developing and developed jurisdictions via a myriad range of perspectives The essays collectively present a diverse assortment of themes unified by a single golden thread that of the domestic interpretations given to human rights protections They raise questions

as to how such rights might be made substantive at the level of domestic implementation and query the extent to which these rights can or even should be enforced by the courts. The potential strains in the relationship between human rights and the rule of law is further called into question by another central theme that of human dignity. A fundamental dilemma arises in respect of the extent to which a right to dignity can best be promoted, protected or monitored by domestic decision makers. Similar issues are apparent within the context of the protection of those human rights which increasingly tend to engage social, political or economic considerations and interests. Whilst these arguments are often framed principally in terms of rights, the collective message that emerges from this book is that such rights may often be in fact essentially non-justiciable. Readers of this text will perhaps feel compelled to reflect carefully and fully upon what it tells us about human rights law generally and the extent to which such rights may be truly amenable to adjudication by the courts.

Between Cosmopolitan Ideals and State Sovereignty R. Tinnevelt, G. Verschraegen, 2006-10-26. *Between Cosmopolitan Ideals and State Sovereignty* explores how philosophers and political theorists have recast principles of justice and human rights in the light of challenges posed by globalization. It discusses ethical issues that arise at a global level and considers whether human rights and sovereignty can ever be reconciled.

Beyond the Republican Revival Eric Ghosh, 2020-10-29. This is the first book-length treatment of both the non-positive and the positive liberty strands of the republican revival in political and constitutional theory. The republican revival pursued especially over the last few decades has presented republicanism as an exciting alternative to the dominant tradition of liberalism. The book provides a sharply different interpretation of liberty from that found in the republican revival and it argues that this different interpretation is not only historically more faithful to some prominent writers identified with the republican tradition but is also normatively more attractive. The normative advantages are revealed through discussion of some central concerns relating to democracy and constitutionalism, including the justification for democracy and the interpretation of constitutional rights. The book also looks beyond republican liberty by drawing on the republican device of sortition (selection by lot). It proposes the use of large juries to decide bill of rights matters. This novel proposal indicates how democracy might be reconciled with constitutional review based on a bill of rights. Republicanism is not pitted against liberalism; the favoured values and institutions fit with liberal commitments.

Shaping Rights in the ECHR Eva Brems, Janneke Gerards, 2014-01-23. In fundamental rights adjudication a court first has to determine whether the interest at stake falls within the scope of the fundamental right invoked. Whether or not an individual interest falls within the scope or ambit of one of the fundamental rights protected by the European Convention on Human Rights determines whether or not the European Court of Human Rights can decide on the merits of a case. This volume brings together a variety of legal scholars in order to examine the scope of fundamental rights. Topics range from the nature of human rights and the real or imagined risk of rights inflation to theories of positive obligations and social and economic rights. It contains contributions of a theoretical nature as well as analytical overviews of the ECtHR's approach. In addition

comparisons are made with domestic EU and international law

Contesting World Order? Joe Wills, 2017-04-13 What do equality dignity and rights mean in a world where eight men own as much wealth as half the world's population *Contesting World Order Socioeconomic Rights and Global Justice Movements* examines how global justice movements have engaged the language of socioeconomic rights to contest global institutional structures and rules responsible for contributing to the persistence of severe poverty Drawing upon perspectives from critical international relations studies and the activities of global justice movements this book evaluates the counter hegemonic potential of socioeconomic rights discourse and its capacity to contribute towards an alternative to the prevailing neo liberal common sense of global governance

Global Justice Holly Lawford-Smith, 2017-05-15 This volume brings together a range of influential essays by distinguished philosophers and political theorists on the issue of global justice Global justice concerns the search for ethical norms that should govern interactions between people states corporations and other agents acting in the global arena as well as the design of social institutions that link them together This volume includes articles that engage with major theoretical questions such as the applicability of the ideals of social and economic equality to the global sphere the degree of justified partiality to compatriots and the nature and extent of the responsibilities of the affluent to address global poverty and other hardships abroad It also features articles that bring the theoretical insights of global justice thinkers to bear on matters of practical concern to contemporary societies such as policies associated with immigration international trade and climate change

Health, Rights and Dignity Christian Erk, 2013-05-02 The idea that there is such a thing as a human right to health has become pervasive It has not only been acknowledged by a variety of international law documents and thus entered the political realm but is also defended in academic circles Yet despite its prominence the human right to health remains something of a mystery especially with respect to its philosophical underpinnings Addressing this unfortunate and intellectually dangerous insufficiency this book critically assesses the stipulation that health is a human right which as international law holds derives from the inherent dignity of the human person Scrutinising the concepts underlying this stipulation health rights dignity it shall conclude that such right cannot be upheld from a philosophical perspective

Contesting Economic and Social Rights in Ireland Thomas Murray, Thomas Patrick Murray, 2016-08-18 A comparative analysis from below of attempts to constitutionalise socio economic rights in Ireland from 1848 rebellions to present day protests

The Philosophical Foundations of Extraterritorial Punishment Alejandro Chehtman, 2010-12-09 1 Rights Individuals and States 2 An Interest based Justification for the Right to Punish 3 Extraterritorial Jurisdiction over Municipal Crimes 4 A Theory of International Crimes 5 Extraterritorial Jurisdiction over International Crimes 6 Legitimate Authority and Extraterritorial Punishment 7 Conclusion

Health and Human Rights Thérèse Murphy, 2014-07-18 This book aims to bolster the burgeoning discourse of health and human rights In so doing it charts the history of the linkage between health and human rights It also pinpoints the sense of imperative that surrounds this relationship More importantly the book

identifies a series of threats and challenges facing attempts to link health and human rights and proposes how these might be addressed Amongst other things it asks is conflict between risk and rights inevitable in the context of infectious disease control Is reproductive choice a bad argument in the context of reproductive technologies Is it sensible for human rights to make use of measurement tools such as indicators Is the cost of human rights an argument that can and should be used by proponents of human rights The answers it gives to these questions are original and engaging and will be of great interest to a diverse audience including scholars and policy makers in these areas

Democracy and the Claims of Nature Ben A. Minteer, Bob Pepperman Taylor, 2002 In *Democracy and the Claims of Nature* the leading thinkers in the fields of environmental political and social theory come together to discuss the tensions and sympathies of democratic ideals and environmental values The prominent contributors reflect upon where we stand in our understanding of the relationship between democracy and the claims of nature *Democracy and the Claims of Nature* bridges the gap between the often competing ideals of the two fields leading to a greater understanding of each for the other

Litigating Health Rights Alicia Ely Yamin, Siri Gloppen, 2015-04-01 This book examines the potential of litigation as a strategy to advance the right to health by holding governments accountable for these obligations It asks who benefits both directly and indirectly and what the overall impacts on health equity are Included are case studies from Costa Rica South Africa India Brazil Argentina and Colombia

Education, Law and Diversity Neville Harris, 2020-01-09 This new edition of *Education Law and Diversity* provides extensive updated analysis from a legal perspective of how the education system responds to social diversity and how the relevant social and cultural rights of individuals and groups are affected It spans wide ranging areas of school provision including types of school including faith schools the school curriculum choice of school out of school settings and duties towards children with special needs and disabilities It gives extensive coverage to children s rights in the context of education and includes considerable new material on issues including relationships and sex education exclusion from school home education equal access counter extremism and academisation The new edition also retains and updates areas of debate in the book such as those concerned with multiculturalism and the position of religion in schools It continues to focus on England but also makes reference to other jurisdictions within the UK and internationally It is essential reading for anyone interested in the legal and related policy issues surrounding children s education today

Social Rights Under The Constitution Government And The Decent Life Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Social Rights Under The Constitution Government And The Decent Life PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Social Rights Under The Constitution Government And The Decent Life PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Social Rights Under The Constitution Government And The Decent Life free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Social Rights Under The Constitution Government And The Decent Life Books

What is a Social Rights Under The Constitution Government And The Decent Life PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Social Rights Under The Constitution Government And The Decent Life PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Social Rights Under The Constitution Government And The Decent Life PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Social Rights Under The Constitution Government And The Decent Life PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Social Rights Under The Constitution Government And The Decent Life PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic

PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
