*The School Services Sourcebook, Second Edition* Cynthia Franklin, Mary Beth Harris, Paula Allen-Meares, 2012-11-27 The *School Services Sourcebook* covers every aspect of school service delivery arming practitioners with the nuts and bolts of evidence based practice The second edition has been significantly revised with a new structure including 73 chapters divided into five Parts across thirteen

Sections with an additional six chapters included in an online section found on the book's companion website. Fifteen new chapters cover key topics such as implementing an RTI framework, positive behavioral supports, school climate, functional behavioral assessment, the integration of ethics, Autism and suicide, school engagement, military families, Latino immigrant families, classroom management, transition planning, and several chapters that speak to assessment and accountability. Each chapter serves as a detailed intervention map, quickly summarizing the problem area before presenting step-by-step instructions on how to implement an evidence-based program with clear goals in mind and methods to measure the outcome. The concise user-friendly format from the first edition has been retained, orienting readers to each issue with a 'Getting Started' section, then moving smoothly into 'What We Know', 'What We Can Do', 'Tools and Practice Examples', and 'Key Points to Remember'. A new section, 'Applying Interventions within Response to Intervention Framework', has been added to each chapter to facilitate the implementation of an RTI model. Quick reference tables and charts highlight the most important information needed for daily reference, and annotated lists of further reading and Web resources guide readers in gathering additional information to tailor their practice to suit their students' needs. Each chapter has been specifically crafted by leaders in their fields with the ultimate goal of giving school-based practitioners the tools they need to deliver the best mental health and social services possible to students, families, and communities. This sourcebook is an invaluable reference for all school-based social workers, psychologists, counselors, mental health professionals, educators, and administrators. **Social Justice and Social Work** Michael J. Austin, 2013-03-26 This unique and timely book edited by Michael J. Austin introduces and connects social justice to the core values of social work across the curriculum. It presents the history and philosophy that supports social justice and ties it to ethical concepts that will help readers understand social justice as a core social work value. The book further conveys the importance of amplifying client voice, explores organization-based advocacy, and describes how an understanding of social justice can inform practice and outlines implications for education and practice.

**Neuroscience for Social Work** Holly C. Matto, Jessica Strolin-Goltzman, PhD, Michelle S. Ballan, 2014 Print CourseSmart

**Rethinking Feminist Theories for Social Work Practice** Christine Cocker, Trish Hafford-Letchfield, 2022-04-24 Feminist social work has clear goals to expose and critically analyse gendered power as a dynamic historic and structural concept embedded in our world and to mobilise and take social action to challenge that power. This is integral to a commitment to the core values of the social work profession which include a commitment to human rights, social justice and professional integrity. This edited collection brings a range of academic and practitioner scholarship to centre feminist theories, values and knowledge as they apply to social work practice, theory and education. It engages with feminist thinking to re-emphasise and refocus the centrality of gender and its intersections with other axes of identities such as social class, race, disability, sexuality and age for understanding and analysing social work practice. This collection is a timely reminder of what feminist inquiry has to offer social work to

successfully address contemporary challenges and is applicable to practitioners scholars educators students and other key care professionals and policy makers      **Social Work and Lesbian, Gay, Bisexual and Trans People** Julie

**Challenge to Eliminate Racism** Martell L. Teasley, Michael S. Spencer, Melissa Bartholomew, 2023 In the current era the

ongoing challenge of race and ethnic relations and growing white supremacy reminds us that the centrality of racism needs considerable attention and has us profoundly questioning the structure and functioning of institutional practices In *Social Work and the Grand Challenge of Ending Racism* the authors argue that racism has been somewhat short shifted as an avenue of inquiry to help explain social problems and social welfare outcomes within the social work profession and within the greater society This book promotes innovative ways of preventing or interrupting racism and to stress the development and proliferation of antiracism practices as a method of reducing racialized outcomes in society

*Today's Transgender Youth* Ryan J. Watson, Jaimie F. Veale, 2020-06-29 This book focuses on resiliency among gender expansive young people in different cultures exploring how they engage with and leverage school media and religious contexts The contributions in this volume advance the scholarship regarding the health and well being of gender expansive young people at a time where a plethora of recent legislation has limited and removed sundry rights of transgender individuals While previous scholarship identified disparities among transgender youth this book approaches resiliency from multiple lenses from school based clubs as tools for engagement in advocacy to proactivity and self care as strategies to mitigate struggles These empirical chapters focus on diverse contexts across different countries including Canada the USA and Australia The book also includes important commentaries from leading scholars in the field debating the controversial issue of transgender youth desisting to no longer be transgender This book will be of interest to those studying recent legislation on transgender rights as well as to those with a broader interest in studying gender in different contexts This book was originally published as a special issue of the *International Journal of Transgenderism*

*Sexuality, Sexual and Gender Identities and Intimacy Research in Social Work and Social Care* Priscilla Dunk-West, Trish Hafford-Letchfield, 2018-03-28 Until now sexuality has been treated as a specialist topic or area of specialist social work practice This book cuts across all areas of the discipline It examines the relationship between sexuality sexual identities and intimacies and the life course and showcases a range of issues pertinent to social work through these lenses It opens up new possibilities for better understanding sexuality in social work and contains empirical work and theorising about sexuality intimacy and gender not currently found in a traditional course on life course theory and practice The chapters position new areas of scholarship in sexuality including trans perspectives masculinities bisexuality and the voices of other gender and sexual minority populations within a life course trajectory Empirical research picks up on the broader public health and well being agenda with a strong focus on challenging normative theories to promote human rights and justice for marginalised individuals and groups *Sexuality Sexual and Gender Identities and Intimacy Research in Social Work and Social Care* will significantly enhance any core texts on life course theory and practice anti oppression and anti discriminatory theories for professionals It should be considered essential reading for academics practitioners and undergraduate and postgraduate students
