**Authorship Analysis in Chinese Social Media Texts** Shaomin Zhang, 2024-03-27 This Element explores the sentiment and keyword features in both authorship profiling and authorship attribution in social media texts in the Chinese cultural context The key findings can be summarised as follows firstly sentiment scores and keyword features are distinctive in delineating authors gender and age Specifically female and younger authors tend to be less optimistic and use more personal pronouns and graduations than male and older authors respectively Secondly these distinctive profiling features are also distinctive and significant in authorship attribution Thirdly our mindset shaped by our inherent hormonal influences and external social experiences plays a critical role in authorship Theoretically the findings expand authorship features into underexplored domains and substantiate the theory of mindset Practically the findings offer some broad quantitative benchmarks for authorship profiling cases in the Chinese cultural context and perhaps other contexts where authorship profiling analyses have been used This title is also available as Open Access on Cambridge Core

The Epistemology of Disasters and Social Change Jordan Pascoe, Mitch Stripling, 2024-05-09 An earthquake in Mexico City spurs the rise of democracy A plague in South Africa lays the foundations for apartheid A terrorist attack on New York City triggers massive shifts in global security A global pandemic sets the stage for the largest civil rights protests in generations Beyond their physical impact disasters assault our certainty and shape a narrow space to alter the structure of what we believe That change can lead us toward disinformation and authoritarianism or it can lead us toward greater solidarity and human rights It all depends on the choices we make as we

live through crisis on how in fact we choose to know each other The Epistemology of Disasters and Social Change draws on social epistemology disaster sociology psychology and feminist philosophy to investigate how disasters function as cauldrons of social transformation for good and ill We wrestle with how disasters change us moment by moment and provide new strategies to help these tragic events produce positive social transformation leading to a brighter future during this century of crisis

Social Inequality in the World of the Text Saul M. Olyan, 2011-09-14 This volume consists of fifteen of the author's essays including two that have never been published before The essays date to the last decade and a half and all reflect in some manner the author's ongoing interest in literary operations of classification and their social implications particularly the production of distinctions which create social inequality in the world of the text and have the potential to generate hierarchical social relationships in contexts where biblical texts might have had an impact on real people In these essays the author explores themes such as gender sexuality purity and pollution sanctification death and afterlife foreignness and disability with particular attention to the roles distinctions such as honored shamed feminine masculine mourning rejoicing unclean clean alien native play in creating and perpetuating social differences in texts Rites of status change such as circumcision shaving purification burial or disinterment sanctification and profanation of holiness are a focus of interest in a number of these essays reflecting the author's ongoing interest in the textual representation of ritual Most of the essays examine texts in their historical setting but several also engage the early history of the interpretation of biblical texts including the phenomenon of inner biblical exegesis The essays are divided into five sections Rites and Social Status Gender and Sexuality Disability Holiness Purity the Alien Death Burial Afterlife and their Metaphorical Uses The author introduces each of the sections contextualizing each essay in his larger scholarly project reflecting on its development and reception and in some cases responding to his critics
