

# Social Work And People With Mental Health Problems

**Francis J. Turner**

## **Social Work And People With Mental Health Problems:**

*Mental Health Social Work in Context* Nick Gould, 2009-12-04 This volume helps to prepare students for social work practice and to develop their knowledge concerning promoting the social inclusion of people with mental health problems the changing context of multidisciplinary mental health services an integrated evidence base for practice and working with people with mental health problems across the life course This book is intended to reflect social perspectives drawn from the social and policy sciences as well as incorporating some knowledge from clinical psychiatry **Social Work and Mental**

**Health** Sylvia I. Mignon, 2019-09-09 Clear comprehensive and accessible this textbook presents an overview of the contemporary American mental health system and its impact on clients and social workers The failure of the system to provide quality care for the mentally ill is explored including issues and policies that social workers face in accessing mental health care for their clients while also discussing the ways in which social workers can improve the overall functioning of the system and promote the development and expansion of policy and practice innovations This is the first textbook to examine the lack of understanding of the roots of mental illness the challenges in classification of mental disorders for social workers and difficult behavioral manifestations of mental illness By looking at the flaws and disparities in the provision of mental health services especially in relation to the criminal justice system and homelessness and mental illness social work students will be able to apply policy and practice to improve mental health care in their everyday work A focus on the lived experiences of the mentally ill and their families along with the experiences of social workers adds a unique real world perspective Key Features Delivers a clear and accessible overview and critique of social work in the broader context of mental health care in the US Reviews historical and current mental health policies laws and treatments and assesses their impact on social services for the mentally ill Investigates racial and ethnic disparities in mental health provision Incorporates the experiences of people with mental illness as well as those of social workers Offers recommendations for future social work development of mental health policies and services Includes Instructors Manual with PowerPoint slides chapter summaries and objectives and discussion questions Addresses CSWE core competency requirements Social Work Practice in Mental Health

Robert Bland, 2010-10 Mental health problems are ubiquitous in contemporary society All social workers whether in specialist or generalist settings need specific knowledge skills and values to work effectively with people with mental health problems Social Work Practice in Mental Health emphasises the importance of appreciating the lived experience of mental illness and of establishing partnerships based on incorporating a consumer perspective into all mental health work It also emphasises the healing potential in relationships between consumers carers and service providers This is a thorough introduction to social work practice in specialist mental health settings as well as in other fields of practice in the community It provides a knowledge base for practice with people with the most commonly encountered mental health problems It offers a practical guide to assessment case management family work community work and the application of the

principles of partnership to work with individuals and their families as well as multidisciplinary teams and agencies

**Social Work and Mental Health** Malcolm Golightley, 2008-07-09 This third edition provides a thorough grounding in the key issues in mental health and by highlighting the skills and values that are necessary for contemporary practice helps students to develop their knowledge and understanding to enable them to deliver an appropriate and responsive service for people facing mental health challenges This edition also reflects the recent and important changes to mental health legislation policies and practice including the implementation of the Mental Capacity Act 2005 and the Mental Health Act 2007 which makes significant amendments to the 1983 MHA including the introduction of the Approved Mental Health Professional

**Mental Health Social Work in Context** Nick Gould, 2016-06-10 This new edition of Mental Health Social Work in Context continues to be an authoritative evidence based introduction to an area of specialism chosen by many social work students Grounded in the social models of mental health particularly relevant to qualifying social workers but also familiarising students with social aspects of medical perspectives this core text helps to prepare students for practice and to develop their knowledge around promoting the social inclusion of people with mental health problems the changing context of multidisciplinary mental health services an integrated evidence base for practice working with people with mental health problems across the life course In this new edition the author has reflected on the impact of the global recession and austerity policies both on the mental health of the population but also the much sharper conditions and reduced services within which social workers are now operating This fully updated 2nd edition is an essential textbook for all social work students taking undergraduate and postgraduate qualifying degrees and will also be invaluable for practitioners undertaking post qualifying awards in mental health social work

Social Work Practice in Mental Health Robert Bland, Ann Tullgren, 2020-07-16 An invaluable resource for social workers in all practice settings not just mental health and a core text for social work students Dr Valerie Gerrand former AASW representative and board member of the Mental Health Council of Australia An outstanding and very original contribution to the scholarship on mental health policy research and service Associate Professor Maria Harries AM University of Western Australia Developing the skills to work effectively with people who have mental health problems is fundamental to contemporary social work practice Practitioners face new challenges in a rapidly changing work environment including working with consumers and their families and in multidisciplinary teams Now more than ever social workers need discipline specific mental health knowledge and training This second edition of Social Work Practice in Mental Health continues the guiding principles of the first edition an emphasis on the centrality of the lived experience of mental illness and the importance of embracing both scientific and relational dimensions of practice The new edition reflects the latest developments in best practice including the emergence of recovery theory and the importance of evidence based approaches This is a comprehensive guide to social work practice in specialist mental health settings as well as in other fields of practice covering the most commonly encountered mental health problems It features information on

assessment case management family work and community work and reveals how the core concerns of social work human rights self determination and relationships with family and the wider community are also central to mental health practice

**Social Work Perspectives on Human Behaviour** Margarete Parrish, 2014-08-16 Using a bio psychosocial framework this popular textbook explains the wide basis of perspectives on which we build an understanding of people's behaviours and why and how we respond in the way we do This book accessibly explains key concepts including attachment trauma developmental psychology and oppression to highlight and enhance social workers understanding of practice Thoroughly updated since its popular first edition the book now includes A brand new chapter on Attachment More coverage of neurological concepts and their influence on behaviour Expanded material on older people and resilience crime and violence against black and minority ethnic groups and domestic violence issues More coverage of mental health alcohol and drugs and their impact on behaviour Fully updated to reflect the Munro report and recent social worker task force recommendations this new edition also includes brand new and additional case studies and pedagogy making this a practical insightful and wonderfully comprehensive text suitable for all students of social work This second edition is a most inclusive accessible and fully updated text It provides a thorough overview of the major theories and concepts and brings these to life with case examples The inclusion of contemporary issues such as domestic abuse is a welcome feature I would fully recommend this text to any student studying for a social work qualification Debbie Thackray Manchester Metropolitan University UK This second edition expands on topics that are vital to good social work practice The chapters on attachment and trauma are particularly well written and speak to topics often overlooked in academic texts The sections on foetal alcohol syndrome FAS provide readers with essential knowledge that will enhance practice on many levels Although this has been written in the context of social work practice this important book will be compulsory reading for a broad range of students I consider this an invaluable contribution to any student library Jill Davey Framework Lead for Social Work Sociology Social Policy and Anthropology Bournemouth University UK This is the most useful text I have ever found for teaching social care and youth students the basic explanatory frameworks for human behaviour It is superbly balanced in that it gives weight to all perspectives and proffers critiques of key theories It is also very strong in applying theory to practice a skill which is always difficult to develop in students Particular areas of strength are the chapters on attachment and mental health trauma The work is an engaging read as it includes some fascinating historical insights and illustrations as well as contemporary case studies I will certainly recommend it to my students Gwen Chaney Course Leader for Social Care Faculty Lead for Learning and Teaching University of Gloucestershire UK

*Social Work and Mental Health in Scotland* Steve Hothersall, Mike Maas-Lowit, Malcolm Golightley, 2008-04-09 Since the inception of the Scottish Parliament in 1999 mental health law policy practice and ethos have changed dramatically in Scotland This book provides a thorough grounding in the key issues in mental health and presents a clear picture of the current Scottish mental health scene By highlighting the skills and values

that are necessary for contemporary practice it helps students to develop their knowledge and understanding to enable them to deliver an appropriate and responsive service for people facing mental health challenges      Mental Health Social Work Reimagined Cummins, Ian, 2019-04-17 Taking a critical and radical approach this book calls for a return to mental health social work that has personal relationships and an emotional connection between workers and those experiencing distress at its core The optimism that underpinned the development of community care policies has dissipated to be replaced by a form of bleak managerialism Neoliberalism has added stress to services already under great pressure and created a danger that we could revert to institutional forms of care This much needed book argues that the original progressive values of community care policies need to be rediscovered updated and reinvigorated to provide a basis for a mental health social work that returns to fundamental notions of dignity and citizenship      **Black Issues in Social Work and Social Care** Graham, Mekada, 2007-06-27 This text builds upon texts addressing anti discriminatory frameworks but focuses specifically upon black perspectives in social work and takes into account current issues and concerns      *Mental Health and the Elderly* Francis J. Turner, 2010-06-15 The demographic shift to a much older population is having a large impact on social work professionals who have traditionally been the primary caretakers of the elderly As more people are living into advanced old age it is becoming increasingly important to understand and treat the wide range of psychological disorders which may affect them rather than simply attributing the disorders to senescence as was frequently done in the past *Mental Health and the Elderly A Social Work Perspective* is a comprehensive guide to diagnosis and treatment of the range of disorders affecting the elderly

**Social Work and Mental Health** Kate Karban, 2011-06-07 This text offers a fresh approach to addressing mental health issues across all aspects of social work practice emphasising the relevance of mental health for all social workers not just those in specialist mental health settings      **Social Work and Direct Payments** Glasby, Jon, Littlechild, Rosemary, 2002-07-03 The 1996 Community Care Direct Payments Act came into force in 1 April 1997 empowering social services departments to make cash payments to some service users in lieu of direct service provision Social work and direct payments guides readers through the issues at stake in this fundamental area of practice The book summarises and builds on current knowledge and research about direct payments in the UK and considers developments in other European countries It identifies good practice in the area and explores the implications of direct payments both for service users and for social work staff      *Social Work Treatment* Francis J. Turner, 2011-03-15 First published in 1974 *Social Work Treatment* remains the most popular and trusted compendium of theories available to social work students and practitioners It explores the full range of theoretical approaches that drive social work treatment and knowledge development from psychoanalysis to crisis intervention This treasure trove of practice knowledge equips professionals with a broad array of theoretical approaches each of which shine a spotlight on a different aspect of the human condition Emphasizing the importance of a broad based theoretical approach to practice it helps the reader avoid the pitfalls of becoming overly identified with a narrow focus that

limits their understanding of clients and their contexts This sweeping overview of the field untangles the increasingly complex problems ideologies and value sets that define contemporary social work practice The result is an essential A to Z reference that charts the full range of theoretical approaches available to social workers regardless of their setting or specialty *Introducing Social Work* Lena Dominelli,2009-03-16 In this lively introduction suitable for students at any level Lena Dominelli explores the extraordinary scope and importance of social work Using engaging examples from contemporary social work practice she clearly answers questions about what social work is how social workers work in a variety of settings and the clients they are likely to deal with She tackles head on the dilemmas social workers face in their day to day work and the challenges of working with limited resources and marginalized social groups such as the elderly the homeless and abused children This work will affirm the valuable contribution social workers can make to human wellbeing and demonstrate how the promise and potential of social work can be and is realized Introduction to Social Work Rex Austin Skidmore,1988

**Personalisation in Social Work** Ali Gardner,2011-03-24 The government agenda on personalisation and self directed support is fast moving and rapidly changing It is vital therefore that students and practitioners alike are aware of the key issues and debates as well as the policy that surrounds this area of practice This timely and fully revised second edition provides an overview of the personalisation agenda and looks at the recent legislation in a broad historical and theoretical perspective It considers the impact of personalisation on service users and carers and draws directly upon their experiences There are service user narratives within the book that explore how individuals feel about directing their own support and the social workers who support them This book encourages students to consider notions of choice and independence by reflecting on their own lives and experiences It contains activities and case studies to deepen reflective and critical thinking skills and provides links to the Professional Capabilities Framework for Social Work Specialist Communication Skills for Social Workers Johanna Woodcock Ross,2017-09-16 This book gives students a solid understanding of the key issues involved in effective communication within social work settings Now going into its second edition it combines practical examples with a clear theoretical approach and demonstrates the subtleties of communication with specific and diverse service users and carers

**Social Work Practice in Mental Health** Abraham Francis,Paula La Rosa,Lakshmi Sankaran,S.P. Rajeew,2014-11-27 This book represents the sharing of knowledge and experiences that is cross cultural cross disciplinary and across countries It aims bringing to the social work practitioner a wealth of understanding about situations practices and cultures that could not possibly have been experienced first hand about mental health The book provides cross cultural perspectives on recovery strengths based practice mindfulness disaster mental health community mental health and other related aspects These contributions from across the world from different cultures and from vastly different experiences are a celebration of the global practice of social work The series of chapters in this book makes a contribution to a deeper understanding of various facets of social work in mental health The complexities elucidated here can be addressed by

embracing the power of teamwork the power of visionary leadership and the power of reflexivity The book offers an opportunity for practitioners to explore all these in detail      **Safeguarding in Social Work Practice** Charlotte Chisnell, Caroline Kelly, 2016-03-26 Safeguarding is a serious and complex area of social work practice and for all students demonstrating an understanding of important safeguarding theory law policy and skills for practice is essential Students need to understand what safeguarding is and means across the life course and this new text brings together common themes and knowledge in safeguarding across children young people and adult social work to do just that This approach will encourage students to approach the subject from a holistic perspective helping them develop their understanding of core themes and transferable skills for practice

### **Social Work And People With Mental Health Problems Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Social Work And People With Mental Health Problems has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Work And People With Mental Health Problems has opened up a world of possibilities. Downloading Social Work And People With Mental Health Problems provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Work And People With Mental Health Problems has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Work And People With Mental Health Problems. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Work And People With Mental Health Problems. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Work And People With Mental Health Problems, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software

installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Work And People With Mental Health Problems has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Social Work And People With Mental Health Problems Books**

1. Where can I buy Social Work And People With Mental Health Problems books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
