**Peter C. Holloran**

## **Social World Of Imprisoned Girls:**

The Social World of Imprisoned Girls Rose Giallombardo,1981      Female World Jessie Bernard,1982-02 An exuberant celebration of women s unique strengths and differences      **Analysing Women's Imprisonment** Pat Carlen,Anne Worrall,2013-01-11 In both the UK and the rest of the world there have been rapid increases in the numbers of women in prison which has led to an acceleration of interest in women s crimes and the social control of women and women s experience of both prison and the criminal justice system is very different to men s This text is concerned to address the key issues relating to women s imprisonment contributing at the same time to an understanding of prison issues in general and the historical and contemporary politics of gender and penal justice What are women s prisons for What are they like Why are lone mothers ethnic minority and very poor women disproportionately represented in the women s prison population Should babies be sent to prison with their mothers These are amongst the issues with which this book is concerned **Analysing Women s Imprisonment** is written as an introductory text to the subject aiming to guide students of penology carefully through the main historical and contemporary discourses on women s imprisonment Each chapter has a clear summary concepts to know essay questions and recommendations for further reading and will help students prepare confidently for seminars course examinations and project work      Library Book Catalog United States. Department of Justice,      **Library Book Catalog, Subject Catalog, Volume 2** United States. Department of Justice,1975      Library Book Catalog National Institute of Law Enforcement and Criminal Justice. Office of Technology Transfer,1975      **Trapped in a Vice** Alexandra Cox,2018-01-30 Trapped in a Vice explores the consequences of a juvenile justice system that is aimed at promoting change in the lives of young people yet ultimately relies upon tools and strategies that enmesh them in a system that they struggle to move beyond The system rather than the crimes themselves is the vice Trapped in a Vice explores the lives of the young people and adults in the criminal justice system revealing the ways that they struggle to manage the expectations of that system these stories from the ground level of the justice system demonstrate the complex exchange of policy and practice      **Library Book Catalog** United States. Law Enforcement Assistance Administration,1974      Children's Folklore Brian Sutton-Smith,Jay Mechling,Thomas W. Johnson,Felicia McMahon,2012-10-12 A groundbreaking collection of essays on a hitherto underexplored subject that challenges the existing stereotypical views of the trivial and innocent nature of children s culture this work reveals for the first time the artistic and complex interactions among children Based on research of scholars from such diverse fields as American studies anthropology education folklore psychology and sociology this volume represents a radical new attempt to redefine and reinterpret the expressive behaviors of children The book is divided into four major sections history methodology genres and setting with a concluding chapter on theory Each section is introduced by an overview by Brian Sutton Smith The accompanying bibliography lists historical references through the present representing works by scholars for over 100 years      Boston's Wayward Children Peter C. Holloran,1989 This study

explores the origin and development of the American social welfare system It demonstrates that the system of orphanages child placing agencies reformatories juvenile courts and child guidance clinics established in Victorian Boston was a foundation for the New Deal and remains the basis of contemporary social work with the young **National Study of Women's Correctional Programs** Ruth M. Glick, Virginia V. Neto, 1977 Library Book Catalog, Title Catalog, Supplement United States. Department of Justice, 1975 **Criminal Intimacy** Regina Kunzel, 2022-03-22 Sex is usually assumed to be a closely guarded secret of prison life But it has long been the subject of intense scrutiny by both prison administrators and reformers as well as a source of fascination and anxiety for the American public Historically sex behind bars has evoked radically different responses from professionals and the public alike In Criminal Intimacy Regina Kunzel tracks these varying interpretations and reveals their foundational influence on modern thinking about sexuality and identity Historians have held the fusion of sexual desire and identity to be the defining marker of sexual modernity but sex behind bars often involving otherwise heterosexual prisoners calls those assumptions into question By exploring the sexual lives of prisoners and the sexual culture of prisons over the past two centuries along with the impact of a range of issues including race class and gender sexual violence prisoners rights activism and the HIV epidemic Kunzel discovers a world whose surprising plurality and mutability reveals the fissures and fault lines beneath modern sexuality itself Drawing on a wide range of sources including physicians psychiatrists sociologists correctional administrators journalists and prisoners themselves as well as depictions of prison life in popular culture Kunzel argues for the importance of the prison to the history of sexuality and for the centrality of ideas about sex and sexuality to the modern prison In the process she deepens and complicates our understanding of sexuality in America **Shapeshifters** Aimee Meredith Cox, 2015-08-07 In Shapeshifters Aimee Meredith Cox explores how young Black women in a Detroit homeless shelter contest stereotypes critique their status as partial citizens and negotiate poverty racism and gender violence to create and imagine lives for themselves Based on eight years of fieldwork at the Fresh Start shelter Cox shows how the shelter's residents who range in age from fifteen to twenty two employ strategic methods she characterizes as choreography to disrupt the social hierarchies and prescriptive narratives that work to marginalize them Among these are dance and poetry which residents learn in shelter workshops These outlets for performance and self expression Cox shows are key to the residents exercising their agency while their creation of alternative family structures demands a rethinking of notions of care protection and love Cox also uses these young women's experiences to tell larger stories of Detroit's history the Great Migration deindustrialization the politics of respectability and the construction of Black girls and women as social problems With Shapeshifters Cox gives a voice to young Black women who find creative and non normative solutions to the problems that come with being young Black and female in America With the Boys Gary Alan Fine, 2014-12-10 What are boys like Who is the creature inhabiting the twilight zone between the perils of the Oedipus complex and the Strum und Drang of puberty In With the Boys Gary Alan Fine examines the American

male preadolescent by studying the world of Little League baseball Drawings on three years of firsthand observation of five Little Leagues Fine describes how through organized sport and its accompanying activities boys learn to play work and generally be men

**Juvenile Justice** John T. Whitehead, Steven P. Lab, 2018-07-11 Juvenile Justice An Introduction Ninth Edition presents a comprehensive picture of juvenile offending delinquency theories and the ways juvenile justice actors and agencies react to delinquency Whitehead and Lab offer evidence based suggestions for successful interventions and treatment and examine the prospects for rebalancing the model of juvenile court This new edition includes insightful analysis and the latest available statistics on juvenile crime and victimization drug use court processing and corrections Recent developments include the possible influence of biosocial factors on delinquency use of social media both for recruiting gang members and for combatting gangs new probation models responses to cyberbullying the renewed emphasis on status offenses the implications of drug legalization police shootings and specialty courts for teens and those with mental illness Chapter 12 has been recast to cover specific information on prevention programs in addition to restorative justice approaches Each chapter enhances student understanding with Key Terms a What You Need to Know section and Discussion Questions Links at key points in the text show students where to get the latest information

*Tiny Publics* Gary Alan Fine, 2012-03-01 If all politics is local then so is almost everything else argues sociologist Gary Alan Fine We organize our lives by relying on those closest to us family members friends work colleagues team mates and other intimates to create meaning and order In this thoughtful and wide ranging book Fine argues that the basic building blocks of society itself are forged within the boundaries of such small groups the tiny publics necessary for a robust functioning social order at all levels Action meaning authority inequality organization and institutions all have their roots in small groups Yet for the past twenty five years social scientists have tended to ignore the power of groups in favor of an emphasis on organizations societies or individuals Based on over thirty five years of Fine s own ethnographic research across an array of small groups *Tiny Publics* presents a compelling new theory of the pivotal role of small groups in organizing social life No social system can thrive without flourishing small groups They provide havens in an impersonal world where faceless organizations become humanized Taking examples from such diverse worlds as Little League baseball teams restaurant workers high school debate teams weather forecasters and political volunteers Fine demonstrates how each group has its own unique culture or idioculture the system of knowledge beliefs behavior and customs that define and hold a group together With their dense network of relationships groups serve as important sources of social and cultural capital for their members The apparently innocuous jokes rituals and nicknames prevalent within Little League baseball teams help establish how teams function internally and how they compete with other teams Small groups also provide a platform for their members to engage in broader social discourse and a supportive environment to begin effecting change in larger institutions In his studies of mushroom collectors and high school debate teams Fine demonstrates the importance of stories that group members tell

each other about their successes and frustrations in fostering a strong sense of social cohesion And Fine shows how the personal commitment political volunteers bring to their efforts is reinforced by the close knit nature of their work which in turn has the power to change larger groups and institutions In this way the actions and debates begun in small groups can eventually radiate outward to affect every level of society Fine convincingly demonstrates how small groups provide fertile ground for the seeds of civic engagement Outcomes often attributed to large scale social forces originate within such small scale domains Employing rich insights from both sociology and social psychology as well as vivid examples from a revealing array of real work groups Tiny Publics provides a compelling examination of the importance of small groups and of the rich vitality they bring to social life A Volume in the Russell Sage Foundation Series on Trust      **Mind, Culture, and Activity**  
Michael Cole,Yrjö Engeström,Olga A. Vasquez,1997-07-13 This volume presents articles important to contemporary studies of the cultural and contextual foundations of human development It address es the need to create a Psychology which focuses upon the actions of people participating in routine culturally organized activities The discussion includes the nature of context experiments as contexts culture historical theories of culture context and development the analysis of classroom settings as a social important context of development the psychological analysis of activity in situ and questions of power and discourse      Correctional Bookshelf United States. Bureau of Prisons. Library,1977      **Federal Probation** ,1982
