

Society and Deviance in Communist Poland: Attitudes Towards Social Control

Kwasniewski, Jerzy

Note: This is not the actual book cover

Society And Deviance In Communist Poland

William S. Laufer, Freda Adler

Society And Deviance In Communist Poland:

Society and Deviance in Communist Poland Jerzy Kwaśniewski, 1984 **The End of Communist Power** Leslie Holmes, 1993 Account of the collapse of the communist ruled states Analyses the nature of the legitimization crisis that developed following the failure of the economic reforms of the 1960s and 1970s and considers the role of official corruption and anti corruption campaigns Includes a bibliography and an index The author is Professor of Political Science at the University of Melbourne *Crime and Social Control in Central-Eastern Europe* Aleksandar Fatic, 2018-12-17 First published in 1997 This work provides a criminological introduction to the current situation of criminal justice systems in the politically changing Central Eastern Europe after 1989 It explores concrete problems which the countries are facing such as the release of political prisoners and those sentenced excessively under the communist regime The concluding part illuminates the case studies in the previous sections from the point of view of their possible interaction into a cohesive and coherent criminological discipline **Webs of Resistance in a Newly Privatized Polish Firm** Jennifer Lynn Roney, 2000 This study examines how the shared cultural values of employees in a Polish firm influenced management attempts to transform organizational practices in a newly privatized factory By introducing a foreign management approach Total Quality Management TQM the management of this factory presents a potential conflict of values between the employees and the management philosophy Tracing the historical and contemporary impact of traditional political and religious influences in Poland and utilizing ethnographic techniques of observation interviews and secondary source data the author identifies four patterns of shared mindsets These mindsets insecurity and instability distrust reluctance to assume responsibility and a struggle between individualism and collectivism generate resistance to the successful implementation of TQM in this factory Organizational studies research has identified cultural differences in values but previous studies have not examined the congruence assessment that employees make when confronted with a management intervention such as TQM The author finds that an incongruence between societal values and the values the employees perceive are embedded in the TQM approach produced actual outcomes that are not consistent with TQM objectives of empowerment teamwork visionary leadership and continuous improvement of quality Employees demonstrated a reduced sense of empowerment team goals that are counterproductive to organizational goals autocratic leadership and an increased focus but not sustainable effort toward improving quality The book examines the reasons for these results through detailed description and extensive quotations from employees both inside the Polish firm and throughout Polish society *Crime, Shame and Reintegration* John Braithwaite, 1989-03-23 Crime Shame and Reintegration is a contribution to general criminological theory Its approach is as relevant to professional burglary as to episodic delinquency or white collar crime Braithwaite argues that some societies have higher crime rates than others because of their different processes of shaming wrongdoing Shaming can be counterproductive making crime problems worse But when shaming is done within a cultural context of respect for the

offender it can be an extraordinarily powerful efficient and just form of social control Braithwaite identifies the social conditions for such successful shaming If his theory is right radically different criminal justice policies are needed a shift away from punitive social control toward greater emphasis on moralizing social control This book will be of interest not only to criminologists and sociologists but to those in law public administration and politics who are concerned with social policy and social issues Webs of Resistance in a Newly Privatized Polish Firm Jennifer Lynn Roney, 2021-11-18 First Published in 2000 This is a research study that includes deep description supported by research in organizational studies as well as Polish history sociology and anthropology of the perceptions of employees in a single Polish factory This factory is experiencing the uncertainties and opportunities of tremendous change in external contingencies and internal operations The employees in this factory are trying to adjust to a new owner and many new managers the fear of lay offs and confusion about the world in which they now find themselves East Central Europe Lawrence D. Orton, 1989 **Russia and Eastern Europe, 1789-1985** Raymond Pearson, 1989 Mega-sociology Adam Podgórecki, 2016-06-08 Mega sociology is the last book written by Adam Podg recki He was working on its final version when he died on August 18 1998 of heart attack The revisions he intended to make did not concern the main ideas of this book rather he planned a thorough re working of its structure to make their presentation more focused and effective After much deliberation I have decided to have the manuscript published without any editing that might have inadvertently distorted the Author s intentions The concept of megasociology is about making sociology relevant by placing it in the social context of specific societies and their values and thereby enabling a culturally appropriate organic social action It grew out of Podg recki s concern with the invasion of dilettantes in sociology led by ideologues who created abstract detached from social reality pseudo theories designed primarily for their own aggrandizement It was also a next step in his almost life long search for the best way to approach the task of helping societies to live better **Historical Dictionary of Poland** George Sanford, 2003 Poland has had an exceptionally turbulent thousand year history marked by extremes of national greatness and decline including patrition and foreign occupation Currently undergoing another dramatic transformation Poland has been building a democratic and market system since the fall of communism The largest and most important nation in Eastern Europe outside the ex Soviet Union is now returning to the European mainstream from which she was for long periods isolated politically and economically although not culturally Although Poland has been widely popularized in journalistic clich s in recent years because of Solidarity the Polish Pope and the like there is still much to be learned about the particular individuals and specific factors which have shaped her history in the past and which are molding her present development The dictionary strikes a judicious balance in covering past and contemporary figures as well as Poland s richly textured political social and cultural dimensions The Dictionary has more than four hundred entries and a most comprehensive and up to date bibliography It provides a stimulating and knowledgeable introduction for students scholars and librarians as well as a helpful overview guide for tourists and for those

involved in teaching business politics journalism and public service *Rebirth* Cyril Black, 2018-05-04 *Rebirth A History of Europe Since World War II* examines the transition of Europe from a period of crisis to an era of political confidence and economic strength As the title suggests the pervasive theme of the book is that of rebirth The most recent decades are set in the context of modern European history as a whole The authors trace the disillusionment and uncertainty that overcame Europe at the turn of the twentieth century and that culminated in the devastation of the Second World War In their analysis of the political and economic causes of the renaissance that has followed the demise of the Cold War the authors highlight the themes of national integration and economic modernization The chapters are uniquely organized to present both international and domestic developments in Europe as coherent wholes as well as the importance of their interaction The initial analysis of key international developments in the twentieth century helps students to understand the relationship between foreign and domestic events and provides background for the substantial discussion of the major European countries that follows in chapters devoted to each national experience The political and economic histories of these nation states are considered in terms of their individual traditions and challenges and the authors explore difficult issues such as the overall costs and benefits of the scientific technological revolution the pursuit of social justice the proper role of the state and of political parties and contrasting national paths of economic and political development *Rebirth* is designed as a text for use in courses on modern European history especially twentieth century Europe and for students of comparative politics who are seeking a substantial consideration of the historical factors of European politics In this revised edition the authors have updated the text with an analysis of developments since 1991 and added recent scholarship to the lists of Suggested Readings *The Cumulative Book Index* , 1985 A world list of books in the English language **Social Deviance In Eastern Europe** Ivan Volgyes, 2019-06-18 During the last thirty years under Communist rule the East European states have attempted to eradicate activities that are deemed deviant from the point of view of the government But despite all efforts such activities as prostitution murder robbery private profiteering and even political dissidence continue to flourish In this book five s *Advances in Criminological Theory* William S. Laufer, Freda Adler, 2017-11-30 Criminology has developed strong methodological tools over the past decades establishing itself as a competitive and sophisticated social science Despite and perhaps because of its emphasis on research design methodology and quantitative analysis criminology has had few significant advances in theory This is the first publication exclusively dedicated to the dissemination of original work on criminological theory It encourages theory construction and validation in existing criminological publications as well as furthering the free exchange of ideas propositions and postulates This volume is dedicated to a pioneer in criminology Donald Cressey and is especially noteworthy for its comparative and international dimension **Poland** George Sanford, Adriana Gozdecka-Sanford, 1993 **Polish Society** Adam Podgórecki, 1994 Examines the political and organisational pressures that were exerted upon sociologists to produce dogmatically proper results in order to give a false diagnosis of social reality The

author analyses the roles of Polish sociologists in the changes designed to bring about an alien communist utopia *Polish Sociological Review* ,1997 **The Polish Sociological Bulletin** ,1992 **New Books** National Defense University. Library, *Totalitarian and Post-totalitarian Law* Adam Podgórecki,Vittorio Olgiati,1996 This volume aims to take a socio legal perspective as a general guideline and from this point of view to focus on the reciprocal interrelations between totalitarian systems and their legal structures

Society And Deviance In Communist Poland Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Society And Deviance In Communist Poland free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Society And Deviance In Communist Poland free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Society And Deviance In Communist Poland free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Society And Deviance In Communist Poland. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu,

provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Society And Deviance In Communist Poland any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Society And Deviance In Communist Poland Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Society And Deviance In Communist Poland is one of the best book in our library for free trial. We provide copy of Society And Deviance In Communist Poland in digital format, so the resources that you find are reliable.
