Neil Kenny

Society And Economy In Germany 1300 1600:

Society and Economy in Germany, 1300-1600 Tom Scott, 2002 This text surveys the social and economic development of the German speaking lands from the age of the Black Death to the eve of the Thirty Years War The Origins of the German Principalities, 1100-1350 Graham A. Loud, Jochen Schenk, 2017-07-06 The history of medieval Germany is still rarely studied in the English speaking world This collection of essays by distinguished German historians examines one of most important themes of German medieval history the development of the local principalities These became the dominant governmental institutions of the late medieval Reich whose nominal monarchs needed to work with the princes if they were to possess any effective authority Previous scholarship in English has tended to look at medieval Germany primarily in terms of the struggles and eventual decline of monarchical authority during the Salian and Staufer eras in other words at the failure of a centralised monarchy Today the federalised nature of late medieval and early modern Germany seems a more natural and understandable phenomenon than it did during previous eras when state building appeared to be the natural and inevitable process of historical development and any deviation from the path towards a centralised state seemed to be an aberration In addition by looking at the origins and consolidation of the principalities the book also brings an English audience into contact with the modern German tradition of regional history Landeshesgeschichte These path breaking essays open a vista into the richness and complexity of German medieval history Germany and the Holy Roman Empire Joachim Whaley, 2012 In the first single author account of German history from the Reformation to the early nineteenth century since Hajo Holborn's study written in the 1950s Dr Whaley provides a full account of the history of the Holy Roman Empire Volume I extends from From Maximilian I to the Peace of Westphalia **Between the Middle Ages and Modernity** Charles H. Parker, Jerry H. Bentley, 2007 This groundbreaking book examines the complex relationships between individuals and communities in the profound transitions of the early modern period Taking a global and comparative approach to historical issues the distinguished contributors show that individual and communal **The Early Reformation in Germany** Tom Scott, 2016-03-23 Over the last twenty years research on the Reformation in Germany has shifted both chronologically and thematically toward an interest in the long or delayed Reformations and the structure and operation of the Holy Roman Empire Whilst this focus has resulted in many fascinating new insights it has also led to the relative neglect of the early Reformation movement Put together with the explicit purpose of encouraging scholars to reengage with the early storm years of the German Reformation this collection of eleven essays by Tom Scott explores several issues in the historiography of the early Reformation which have not been adequately addressed The debate over the nature and function of anticlericalism remains unresolved the mainsprings of iconoclasm are still imperfectly understood the ideological role of evangelical doctrines in stimulating and legitimising popular rebellion above all in the German Peasants War remains contentious while the once uniform view of Anabaptism has given way to a recognition of the plurality and diversity of

religious radicalism Equally there are questions which initially broached have then been sidelined with undue haste the failure of Reforming movements in certain German cities or the perception of what constituted heresy in the eyes of the Reformers themselves and not least the part played by women in the spread of evangelical doctrines Consisting of seven essays previously published in scholarly journals and edited volumes together with three new chapters and an historical afterword Scott's volume serves as a timely reminder of the importance of the early decades of the sixteenth century By reopening seemingly closed issues and by revisiting neglected topics the volume contributes to a more nuanced understanding of what the Reformation in Germany entailed

The Oxford Handbook of Early Modern European History, 1350-1750 Hamish M. Scott, 2015 This Handbook re-examines the concept of early modern history in a European and global context The term early modern has been familiar especially in Anglophone scholarship for four decades and is securely established in teaching research and scholarly publishing More recently however the unity implied in the notion has fragmented while the usefulness and even the validity of the term and the historical periodisation which it incorporates have been questioned The Oxford Handbook of Early Modern European History 1350-1750 provides an account of the development of the subject during the past half century but primarily offers an integrated and comprehensive survey of present knowledge together with some suggestions as to how the field is developing It aims both to interrogate the notion of early modernity itself and to survey early modern Europe as an established field of study The overriding aim will be to establish that early modern is not simply a chronological label but possesses a substantive integrity Volume I examines Peoples and Place assessing structural factors such as climate printing and the revolution in information social and economic developments and religion including chapters on Orthodoxy Judaism and Islam

The Sixteenth Century Euan K. Cameron, 2006 This new volume in the Short Oxford History of Europe series looks at the sixteenth century one of the most tumultuous and dramatic periods of social and cultural transformation in European history Six leading experts consider this period from a variety of perspectives including political social economic religious and intellectual history and subject traditional explanations of all these areas to revision in light of the most modern scholarship The sixteenth century witnessed some of the most abrupt and traumatic transformations ever seen in European society and culture

Imperial Culture in Germany, 1871-1918 Matthew Jefferies, 2020-10-01 It has often been suggested that artists and writers in Germany's imperial era shunned social engagement preferring instead apolitical introspection However as Matthew Jefferies reveals whether one looks at the painters poets and architects who helped to create an official imperial identity after 1871 the cultural critics and reformers of the later 19th century or the new generation of cultural producers that emerged in the years around 1900 the social political and cultural were never far apart In this attractively illustrated book Jefferies provides a lively introduction to the principal movements in German high culture between 1871 and 1918 in the context of imperial society and politics He not only demonstrates that Germany's Imperial culture was every bit as fascinating as the much

better known Weimar culture of the 1920s but argues that much of what came later has origins in the imperial period Filling a significant gap in the current historiography this study will appeal to all those with an interest in the rich and diverse culture of Imperial Germany **Literature, Learning, and Social Hierarchy in Early Modern Europe** Neil

Kenny, 2022-03-17 In early modern Europe literature and literate knowledge were produced within societies organised along hierarchical lines What difference did that make to literature and literate knowledge How were they inflected by social hierarchy This volume asks these questions of genres disciplines practices and writers ranging across Western Europe

Lordship, Capitalism, and the State in Flanders (c. 1250-1570) Frederik Buylaert, Miet Adriaens, 2025-03-30 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations Until recently historians tended to assume that in the late medieval period local lordship was effectively crushed between strong cities and states Developing recent debates to the contrary *Lordship Capitalism and the State in Flanders* draws on qualitative and quantitative evidence from the county of Flanders to reconsider the ways in which lordship continued to be a cornerstone of life in rural Europe across this period Flanders is an extreme example of a scenario in which seigneuries were not so much vehicles for the elite interests of lords but dynamic instruments for village communities and lordship here was as important if not moreso at the start of the Dutch Revolt in 1567 than it was around the mid thirteenth century where this study begins As a forerunner in the commercialization and urbanization of society Flanders saw the rise of mighty towns who provided the inhabitants of their hinterlands with a shield against seigneurial oppression up to the point that the seigneurial administration could only continue to function if it was closely aligned with the interests of peasants Next to this the Low Countries including Flanders became part of the mighty Burgundian Habsburg polity Rather than undermining seigneurial lordship however the princely administration increasingly relied on the peasant aldermen of seigneuries to provide justice and governance to villages The self rule of Flemish peasantries through lordship meant that the seigneurie was the forum in which contemporaries made a critical decision that being how to respond to the new and all encompassing phenomenon of agrarian capitalism a mode of agricultural production that first emerged in the Low Countries and Flanders before spreading to the rest of the globe The persistence and transformation of seigneurial lordship into what might be called middle class lordship thus had great consequences for Flemish society across the late medieval period and beyond and this story helps scholars to understand more generally how power relations between lords and peasants differed from one region to the next in dialogue with different trajectories in urbanization economic change and state formation *The Empire At The End Of Time* Frances Courtney Kneupper, 2016-03-10 In this book Frances Courtney Kneupper examines the apocalyptic prophecies of the late medieval Empire which even within the sensational genre of eschatological prophecy stand out for their bitter and violent nature In addition to depicting the savage chastisement of the clergy and the forcible restructuring of the Church

these prophecies also infuse the apocalyptic narrative with explicitly German elements in fact German speakers are frequently cast as the agents of these stirring events in which the clergy suffer tribulations and the Church hierarchy is torn down These prophecies were widely circulated throughout late medieval German speaking Europe Kneupper explores their significance for members of the Empire from 1380 to 1480 arguing that increased literacy the development of strong urban centers the drive for reform and a connection to the imperial crown were behind their popularity Offering detailed accounts of the most significant prophecies Kneupper shows how they fit into currents of thought and sentiment in the late medieval Empire In particular she considers the relationships of German prophecy to contemporary discourses on Church reform and political identity She finds that eschatological thought was considered neither marginal nor heretical but was embraced by a significant orthodox population of German laypeople and clerics demonstrating the importance of popular eschatological thought to the development of a self conscious reform minded German identified Empire on the Eve of the Reformation

The Holy Roman Empire Brian A. Pavlac, Elizabeth S. Lott, 2019-06-01 Reference entries overview essays and primary source document excerpts survey the history and unveil the successes and failures of the longest lasting European empire The Holy Roman Empire endured for ten centuries This book surveys the history of the empire from the formation of a Frankish Kingdom in the sixth century through the efforts of Charlemagne to unify the West around A D 800 the conflicts between emperors and popes in the High Middle Ages and the Reformation and the Wars of Religion in the Early Modern period to the empire s collapse under Napoleonic rule A historical overview and timeline are followed by sections on government and politics organization and administration individuals groups and organizations key events the military objects and artifacts and key places Each of these topical sections begins with an overview essay which is followed by alphabetically arranged reference entries on significant topics The book includes a selection of primary source documents each of which is introduced by a contextualizing headnote and closes with a selected general bibliography

Heresy and Citizenship Eugene Smelyansky, 2020-09-27 Heresy and Citizenship examines the anti heretical campaigns in late medieval Augsburg Rothenburg ob der Tauber Strasbourg and other cities By focusing on the unprecedented period of persecution between 1390 and 1404 this study demonstrates how heretical presence in cities was exploited in ecclesiastical political and social conflicts between the cities and their external rivals and between urban elites These anti heretical campaigns targeted Waldensians who believed in lay preaching and simplified forms of Christian worship Groups of individuals identified as Waldensians underwent public penance execution or expulsion In each case the course and outcome of inquisitions reveal tensions between institutions within each city most often between city councils and local bishops or archbishops In such cases competing sides used the persecution of heresy to assert their authority over others As a result persecution of urban Waldensians acquired meaning beyond mere correction of religious error By placing the anti heretical campaigns of this period in their socio political and religious context Heresy and Citizenship also engages with studies of social and political

conflict in late medieval towns It examines the role the exclusion of religiously and socially deviant groups played in the development of urban governments and the rise of ideologies of good citizenship and the common good It will be of interest to scholars and students interested in medieval urban and religious history and the history of heresy and its persecution

Strangers and Misfits Jason Philip Coy,2008 This book examines the role of banishment a prevalent form of punishment largely neglected by scholars in sixteenth century Ulm using the town's experience to uncover how early modern magistrates used expulsion to regulate and reorder society

Lordship, State Formation and Local Authority in Late Medieval and Early Modern England Spike Gibbs,2023-07-27 Providing a new narrative of how local authority and social structures adapted in response to the decline of lordship and the process of state formation Spike Gibbs uses manorial officeholding where officials were chosen from among tenants to help run the lord's manorial estate as a prism through which to examine political and social change in the late medieval and early modern English village Drawing on micro studies of previously untapped archival records the book spans the medieval early modern divide to examine changes between 1300 and 1650 In doing so Gibbs demonstrates the vitality of manorial structures across the medieval and early modern era the active and willing participation of tenants in these frameworks and the way this created inequalities within communities This title is part of the Flip it Open Programme and may also be available Open Access Check our website Cambridge Core for details

Lordship and the Decentralized State in Late Medieval Europe Erika Graham-Goering,Jim van der Meulen,Frederik Buylaert,2025-01-23 Lordship and the Decentralized State in Late Medieval Europe rethinks the rise of modern European states as a process of decentralization The idea that states made lordships obsolete is challenged by showing how the distribution of authority among local lords reinforced the development of new political systems

Constructing Yugoslavia Vesna Drapac,2010-01-27 Vesna Drapac provides an insightful survey of the changing nature of the Yugoslav ideal demonstrating why Yugoslavism was championed at different times and by whom and how it was constructed in the minds of outside observers Covering the period from the 1850s to the death of Tito in 1980 Drapac situates Yugoslavia in the broader international context and examines its history within the more familiar story of Europe in the nineteenth and twentieth centuries This approachable study also explores key themes and debates including The place of the nation state within the worldview of nineteenth century intellectuals The memory of war and commemorative practices in the interwar years Resistance and collaboration The nature of dictatorships Gender and citizenship Yugoslavia's role from the perspective of the Superpowers Drawing on a wide range of sources in order to recreate the atmosphere of the period Constructing Yugoslavia traces the formation of popular perceptions of Yugoslavia and their impact on policy toward Yugoslavs It is essential reading for anyone with an interest in the history of this fascinating nation and its ultimate demise

The World the Plague Made James Belich,2024-06-25 A groundbreaking history of how the Black Death unleashed revolutionary change across the medieval world and ushered in the modern age In 1346 a catastrophic plague beset Europe

and its neighbours The Black Death was a human tragedy that abruptly halved entire populations and caused untold suffering but it also brought about a cultural and economic renewal on a scale never before witnessed The World the Plague Made is a panoramic history of how the bubonic plague revolutionized labour trade and technology and set the stage for Europe's global expansion James Belich takes readers across centuries and continents to shed new light on one of history's greatest paradoxes Why did Europe's dramatic rise begin in the wake of the Black Death Belich shows how plague doubled the per capita endowment of everything even as it decimated the population Many more people had disposable incomes Demand grew for silks sugar spices furs gold and slaves Europe expanded to satisfy that demand and plague provided the means Labour scarcity drove more use of waterpower wind power and gunpowder Technologies like water powered blast furnaces heavily gunned galleons and musketry were fast tracked by plague A new crew culture of disposable males emerged to man the guns and galleons Setting the rise of Western Europe in global context Belich demonstrates how the mighty empires of the Middle East and Russia also flourished after the plague and how European expansion was deeply entangled with the Chinese and other peoples throughout the world *From Reich to Revolution* Peter H. Wilson, 2019-10-10 German history after the Reformation is often seen as a confusing period of political failures before the emergence of powerful states like Prussia give some coherence to the national story The inability of Emperor Charles V to solve Germany's political and religious problems by 1558 seems to condemn the country to the chaos of the Thirty Years War and the subsequent partition of the Reich or Holy Roman Empire into virtually independent states until its final collapse in 1806 Peter H Wilson's major new study Weaves insights from the latest research into a comprehensive account of German social political and cultural development across two and a half centuries Addresses fundamental questions such as how the apparently fragile structure of the Reich survived the trauma of the Thirty Years War and why despite gross social inequality Germany did not experience mass French style revolution Provides a helpful glossary detailed appendices and a guide to further reading to aid study

The Great Transition Bruce M. S. Campbell, 2016-06-23 In the fourteenth century the Old World witnessed a series of profound and abrupt changes in the trajectory of long established historical trends Transcontinental networks of exchange fractured and an era of economic contraction and demographic decline dawned from which Latin Christendom would not begin to emerge until its voyages of discovery at the end of the fifteenth century In a major new study of this Great Transition Bruce Campbell assesses the contributions of commercial recession war climate change and eruption of the Black Death to a far reaching reversal of fortunes from which no part of Eurasia was spared The book synthesises a wealth of new historical palaeo ecological and biological evidence including estimates of national income reconstructions of past climates and genetic analysis of DNA extracted from the teeth of plague victims to provide a fresh account of the creation collapse and realignment of Western Europe's late medieval commercial economy

Society And Economy In Germany 1300 1600 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Society And Economy In Germany 1300 1600 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Society And Economy In Germany 1300 1600 has opened up a world of possibilities. Downloading Society And Economy In Germany 1300 1600 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Society And Economy In Germany 1300 1600 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Society And Economy In Germany 1300 1600. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Society And Economy In Germany 1300 1600. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Society And Economy In Germany 1300 1600, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Society And Economy In Germany 1300 1600 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Society And Economy In Germany 1300 1600 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Society And Economy In Germany 1300 1600 is one of the best book in our library for free trial. We provide copy of Society And Economy In Germany 1300 1600 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Society And Economy In Germany 1300 1600. Where to download Society And Economy In Germany 1300 1600 online for free? Are you looking for Society And Economy In Germany 1300 1600 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Society And Economy In Germany 1300 1600. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Society And Economy In Germany 1300 1600 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Society And Economy In Germany 1300 1600. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Society And Economy In Germany 1300 1600 To get started finding Society And Economy In Germany 1300 1600, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there

are specific sites catered to different categories or niches related with Society And Economy In Germany 1300 1600 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Society And Economy In Germany 1300 1600. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Society And Economy In Germany 1300 1600, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Society And Economy In Germany 1300 1600 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Society And Economy In Germany 1300 1600 is universally compatible with any devices to read.
