## **Sociological Theory Pretence And Possibility:**

Sociological Theory Keith Dixon, 1973      *Sociological Theory (RLE Social Theory)* Keith Dixon, 2020-07-26 Most professional sociologists claim that sociology is or ought to be a theoretical science Keith Dixon argues here that this claim is formulated in such a way that a proper evaluation of its status is extremely difficult and that the contingent objections to the possibility of sociological theorizing are sufficiently strong for such activity to be labelled as pretence He believes that pretence to the theoretical is a hindrance to the development of sociology proper It devalues significant empirical work by giving status to research findings only in so far as they relate to often arbitrarily conceived theoretical concerns it leads to a systematic neglect of the historical dimension in the explanation of human behaviour and it sets up ideals of explanation whose pursuit leads to sterility frustration and even intellectual corruption Keith Dixon emphasizes however that in attacking the contingent possibility of theory he does not mean to devalue empirical expertise analytic skill or the exercise of disciplined speculative intelligence The argument of his book is that intelligence can only flourish when released from the constraints of attempting to justify the unjustifiable      Sociological Theory (Routledge Revivals) Keith Dixon, 2013-12-19 First published in 1973 this book is concerned with the question of whether Sociology is or ought to be a theoretical science Keith Dixon argues that the pretence to the theoretical is a hindrance to the development of the field of Sociology which devalues significant empirical work by giving status to research findings only in so far as they relate to often arbitrary theoretical concerns Dixon addresses the historical dimension in the explanation of human nature and rational action This reissue will be of particular value to students and academics with an interest in the empirical and theoretical methodology applied to Sociological research      **Sociological Theory (RLE Social Theory)** Keith Dixon, 2014-08-04 Most professional sociologists claim that sociology is or ought to be a theoretical science Keith Dixon argues here that this claim is formulated in such a way that a proper evaluation of its status is extremely difficult and that the contingent objections to the possibility of sociological theorizing are sufficiently strong for such activity to be labelled as pretence He believes that pretence to the theoretical is a hindrance to the development of sociology proper It devalues significant empirical work by giving status to research findings only in so far as they relate to often arbitrarily conceived theoretical concerns it leads to a systematic neglect of the historical dimension in the explanation of human behaviour and it sets up ideals of explanation whose pursuit leads to sterility frustration and even intellectual corruption Keith Dixon emphasizes however that in attacking the contingent possibility of theory he does not mean to devalue empirical expertise analytic skill or the exercise of disciplined speculative intelligence The argument of his book is that intelligence can only flourish when released from the constraints of attempting to justify the unjustifiable      **Problems of a Sociology of Knowledge (Routledge Revivals)** Max Scheler, 2012 First Published in 1980 Manfred S Frings translation of Problems of a Sociology of Knowledge makes available Max Scheler's important work in sociological theory to the English speaking world The book presents the thinker's views on

man's condition in the twentieth century and places it in a broader context of human history This book highlights Scheler as a visionary thinker of great intellectual strength who defied the pessimism that many of his peers could not avoid He comments on the isolated fragmented nature of man's existence in society in the twentieth century but suggests that a World Age of Adjustment is on the brink of existence Scheler argues that the approaching era is a time for the disjointed society of the twentieth century to heal its fractures and a time for different forms of human knowledge to come together in global understanding

**Sociology, Phenomenology and Marxian Analysis** Barry Smart, 2013-10-15 Sociology is an established academic discipline but there has been continuing debate over its status as a science and the nature of its subject matter This led to the emergence of a phenomenological sociology and to critiques of positivist sociology This critical reappraisal of the relevance of Marxian analysis for a science of society shows how these developments within sociology have had their counterpart in Marxism The author analyses the status of Marx's work and the Marxist tradition in sociology He focuses upon those concerns which are common to both Marxian analysis and sociology the question of subjectivity the nature of social reality and the dialectical relationship of the doing or practice of a science of society to the social world within which such social analyses are situated Originally published in 1976 The Sociology of Belief (Routledge Revivals) Keith Dixon, 2013-12-19 First published in 1980 this book presents a study of knowledge and the patterns of social and scientific thought Keith Dixon argues that traditional and contemporary formulations of the sociology of knowledge involve a series of fallacies and the claim to reduce knowledge to ideology devalues the role of reasoned inquiry Chapters discuss such areas as the theories of Marx and Mannheim the sociology of science and of religious belief With a detailed conclusion analysing the foundations and limits of the sociology of knowledge this reissue will provide an interesting and useful analysis for students of Sociology

**The Current State of Sociological Theory** Leon H. Warshay, 1975 **Critical Criminology (Routledge Revivals)** Ian Taylor, Paul Walton, Jock Young, 2013-01-11 First published in 1975 this collection of essays expands upon the themes and ideas developed in the editors previous work the visionary and groundbreaking text *The New Criminology* Directed at orthodox criminology this is a partisan work written by a group of criminologists committed to a social transformation a transformation to a society that does not criminalize deviance Included are American contributions particularly from the School of Criminology at Berkeley represented by Hermann and Julia Schwendinger and Tony Platt together with essays by Richard Quinney and William Chambliss From Britain Geoff Pearson considers deviancy theory as misfit sociology and Paul Hirst attacks deviancy theory from an Althusserian Marxist position The editors contribute a detailed introductory essay extending the position developed in *The New Criminology* and two other pieces which attempt to continue the task of translating criminology from its traditional correctionalist stance to a commitment to socialist diversity and a crime free set of social arrangements

The Myth of Social Action Colin Campbell, 1998-07-09 *The Myth of Social Action* first published in 1996 is a powerful critique of the sociology of the time and a call to reject the prevailing orthodoxy

Arguing that sociological theory had lost its way Colin Campbell mounts a case for a new dynamic interpretivism a perspective on human conduct which is more inkeeping with the spirit of traditional Weberian action theory Discussing and dismissing one by one the main arguments of those who reject individualistic action theory he demonstrates that this has been wrongly rejected in favour of the interactional social situationalist approach now dominating sociological thought

The Ceremonial Order of the Clinic P.M. Strong, Robert Dingwall, 2018-02-05 This title was first published in 2001 A classic ethnographic study of the interactions between paediatricians and parents of children thought to be neurologically handicapped Strong used this work to systematize the often chaotic ideas of Erving Goffman to explore the connections between micro and macro analysis in sociology and to reflect on the nature of medical practice in modern liberal societies The book stands as a testament to Strong's pursuit of methodological rigour in qualitative sociology *Structure, Consciousness, and History* Richard Harvey Brown, Stanford M. Lyman, 1978-08-31 First published in 1978 this volume is addressed to the crisis prevailing in the social and cultural sciences The authors explore the conflict between positivism and romanticism between hard and soft sociological research methods and between objectivity and subjectivity conflicts that were particularly acute in sociology at the time of publication All of the essays adopt the approach of symbolic realism or cognitive aesthetics to overcome the dualism in conventional sociological theory This strategy of symbolic realism is a philosophical amalgam forged from findings in existential phenomenology ordinary language philosophy and pragmatism It establishes a legitimate basis for the application of aesthetic criteria to truth seeking in the social sciences The synthesis emergent from these essays suggests a paradigm with broad implications for all the human studies Students of culture will find this volume a provocative point of departure for their own investigations The New Criminology Ian Taylor, Ian Taylor, M.B, Paul Walton, Jock Young, 2002-11 A major contribution to criminology in which Taylor Walton and Young provide a framework for a fully social theory of crime C. Wright Mills and the Ending of Violence J. Brewer, 2003-07-22 This book has two aims to clarify the meaning of C Wright Mills's depiction of the sociological imagination and to use this to develop a sociological framework that assists in understanding the process by which communal violence has ended in Northern Ireland and South Africa The contrast between these two societies is a familiar one but the book is novel by developing an explanatory framework based on Mills's sociological imagination This model merges developments in the two countries at the individual social structural and political arenas in order to account for the emergence of their peace processes **The Science of Religion: A Defence** Donald Wiebe, 2018-10-16 Donald Wiebe Professor of Philosophy of Religion at Trinity College University of Toronto has spent much of his academic career arguing for a clear demarcation between Theology and Religious Studies The Science of Religion A Defence offers a brilliant overview of Professor Wiebe's contributions on methodology in the academic study of religion of the development of his thinking over time and of his intellectual commitment to a science of religion The work is divided into three parts The first part identifies pertinent connections

between religion religious studies and science and why reductionism in the academic study of religion when properly applied can bridge the explanatory gap between the sceptic and the devotee The second part treats conceptual debates in the academic study of religion with particular reference to the place of belief understanding and meaning in the modern study of religion The third part addresses the theological resistance to the scientific study of religion and how that resistance can be overcome Finally two new essays are included a critique on The Preconceptions of a Science of Religion by Anthony J Palma and an accompanying reply by Donald Wiebe The Science of Religion A Defence is an essential resource for both scholarly and non scholarly audiences alike and will be of particular interest to both defenders and critics of a scientific study of religion

**Rousseau and Weber** J.G. Merquior,2013-04-15 Jean Jacques Rousseau and Max Weber central thinkers to the discussion of political legitimacy represent two very different stages and forms of social theory early modern political philosophy and classical sociology In these studies Dr Merquior describes and assesses their individual contributions to the understanding of the concept of political legitimacy Dr Merquior compares Rousseau and Weber to a handful of other major theorists and highlights the contemporary prospects of the alternatives between democratic participation and bureaucratism This book was first published in 1980 *Housing and Planning References* United States. Department of Housing and Urban

Development. Library,1974 **Religion and Truth** Donald Wiebe,2019-10-08 No detailed description available for Religion and Truth *Civilization: Contents, Discontents, and Malcontents and Other Essays (c)* Stanford M. Lyman,1990

### **Sociological Theory Pretence And Possibility Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Sociological Theory Pretence And Possibility has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sociological Theory Pretence And Possibility has opened up a world of possibilities. Downloading Sociological Theory Pretence And Possibility provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sociological Theory Pretence And Possibility has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sociological Theory Pretence And Possibility. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sociological Theory Pretence And Possibility. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sociological Theory Pretence And Possibility, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sociological Theory Pretence And Possibility has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Sociological Theory Pretence And Possibility Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
