The Guns Talk Loud:

Action Speaks Louder Eric Lichtenfeld,2007-04-27 An authoritative and entertaining history of the action film *The Night of the Gun* David Carr,2012-12-11 David Carr was an addict for more than twenty years first dope then coke then finally crack before the prospect of losing his newborn twins made him sober up in a bid to win custody from their crack dealer mother Once recovered he found that his recollection of his lost years differed sometimes radically from that of his family and friends The night for example his best friend pulled a gun on him No said the friend to David s horror as a lifelong pacifist It was you that had the gun Using all his skills as an investigative reporter he set out to research his own life interviewing everyone from his parents and his ex partners to the policemen who arrested him the doctors who treated him and the lawyers who fought to prove he was fit to have custody of his kids Unflinchingly honest and beautifully written the result is both a shocking account of the depths of addiction and a fascinating examination of how and why our memories deceive us As David says we remember the stories we can live with not the ones that happened *The Gameshooter's Pocket Guide* Michael Brook,2005-10-05 The Gameshooter s Pocket Guide has been revised covering even more essentials of gameshooting It is a compact encyclopaedic compendium of facts rules shooting etiquette and lore for the use of both novice and seasoned gameshooters Chapters cover safety legal requirements choice of gun and equipment dress etiquette game seasons dogs teaching a novice rules for beginners and many other details that all gameshooters might need to know Appendices list useful addresses of representative organisations and shooting schools Information on shooting seasons shot sizes and essential safety points in the field are presented in tabular form for easy reference Gameshooting continues to attract a growing following making it all the more important that gameshooting enthusiasts learn and keep to hand the fundamental rules of field safety and behaviour This guide will serve as an ideal companion for gameshooters at all levels regardless of nationality wishing to avoid being a danger and embarrassment in the shooting field **James' novels** George Payne Rainsford James,1852 *The Old Dominion; Or, The Southampton Massacre* George Payne Rainsford James,1856
