The Hanging Of Lucky Bill:

The Hanging of Lucky Bill Michael J. Makley,1993

Imposing Order without Law Michael J. Makley,2022-12-06

In the 1850s early Euro American settlers established two remote outposts on the slopes of the eastern Sierra Nevada both important way stations on the central emigrant trail The Carson Valley settlement was located on the western edge of the Utah Territory while the Honey Lake Valley hamlet 120 miles north fell within California s boundaries but was separated from the rest of the state by the formidable mountain range Although these were some of the first white communities established in the region both areas had long been inhabited by Indigenous Americans Carson Valley had been part of Washoe Indian territory and Honey Lake Valley was a section of Northern Paiute land Michael Makley explores the complexities of this turbulent era when the pioneers actions set the stage for both valleys to become part of national incorporation With deft writing and meticulously researched portrayals of the individuals involved including the Washoe and Northern Paiute peoples *Imposing Order Without Law* focuses on the haphazard evolution of frontier justice in these remote outposts White settlers often brought with them their own ideas of civil order Makley s work contextualizes the extralegal acts undertaken by the settlers to enforce edicts in their attempt to establish American communities Makley s book reveals the use and impact of group violence both within the settlements and within the Indigenous peoples world where it transformed their lives

A History of the State of Nevada Thomas Wren,1904 *Geology and Ore Deposits of the Bayard Area, Central Mining District, New Mexico* Samuel Grossman Lasky,1936

Fairfield's Pioneer History of Lassen County, California Asa Merrill Fairfield,1916 [Outlaw Tales of the Old West: Fifty True Stories of Desperados, Crooks, Criminals, and Bandits](#) Erin H. Turner,2016-06-03

This collection of fifty outlaw tales includes well knowns such as Butch Cassidy and the Sundance Kid Frank and Jesse James Belle Starr and her dad and Pancho Villa along with a fair smattering of women organized crime bosses smugglers and of course the usual suspects highwaymen bank and train robbers cattle rustlers snake oil salesmen and horse thieves Men like Henry Brown and Burt Alvord worked on both sides of the law either at different times of their lives or simultaneously Clever shyster Soapy Smith and murderer Martin Couk survived by their wits while the outlaw careers of the dimwitted DeAutremont brothers and bigmouthed Diamondfield Jack were severely limited by their intellect or lack thereof Nearly everyone in these pages was motivated by greed revenge or a lethal mixture of the two The most bloodthirsty of the bunch such as the heartless and some might argue soulless Annie Cook and trigger happy Augustine Chac n surely had evil written into their very DNA [Geology of the Coastal Plain of South Carolina](#)

Charles Wythe Cooke,1936 *The Small Shall Be Strong* Matthew S. Makley,2018-07-20 For thousands of years the Washoe people have lived in the shadows of the Sierra Nevada Mountains At the center of their lands sits beautiful Lake Tahoe a name derived from the Washoe word Da ow a ga Perhaps because the Washoe population has always been small or because it has been more peaceful than other tribal communities its history has never been published In *The Small Shall Be Strong*

Matthew S Makley demonstrates that in spite of this lack of scholarly attention Washoe history is replete with broad significance The Washoes for example gained culturally important lands through the 1887 Dawes Act And during the 1990s the tribe sought to ban climbing on one of its most sacred sites Cave Rock a singular instance of Native sacred concerns leading to restrictions The Small Shall Be Strong illustrates a history and raises a broad question How might greater scholarly attention to the numerous lesser studied tribes in the United States compel a rethinking of larger historical narratives
