The Harmony Within Rolland Hein,2013-12-01 George MacDonald is a witness to the power of imagination By using the art of enchantment he is able to draw readers into another world seemingly more real than this one What was the power behind his imagination and what drove MacDonald s art It was his vision of the spiritual life that provided the context for his fantastic fairy tales and other writings The Harmony Within The Spiritual Vision of George MacDonald takes a close look at the religious roots of MacDonald s writing So many people today are looking for a spiritual connection between God and man between myth and destiny George MacDonald s work provides a doorway to other worlds the ideas behind his writing may help reshape the mythic elements of our lives The Harmony Within Rolland Hein,1987 *The Harmony Within* Rolland Hein,1989 The Harmony Within Rolland Hein,1989-01 *The Harmony Within* Rolland Hein,2013-12-01 George MacDonald is a witness to the power of imagination By using the art of enchantment he is able to draw readers into another world seemingly more real than this one What was the power behind his imagination and what drove MacDonald s art It was his vision of the spiritual life that provided the context for his fantastic fairy tales and other writings The Harmony Within The Spiritual Vision of George MacDonald takes a close look at the religious roots of MacDonald s writing So many people today are looking for a spiritual connection between God and man between myth and destiny George MacDonald s work provides a doorway to other worlds the ideas behind his writing may help reshape the mythic elements of our lives

George MacDonald's Spiritual Vision George MacDonald,2020-10-01 A leading George MacDonald scholar presents a fascinating introduction to the 19th century Scottish author s views on Christianity faith and God The Victorian author poet and theologian George MacDonald inspired some of the greatest writers of the early 20th century including C S Lewis who said MacDonald s books were pivotal in leading him toward Christianity While MacDonald s beloved fiction including classics like Robert Falconer and At the Back of the North Wind remain popular his sermons and nonfiction writings on faith are less well known Now MacDonald scholar and biographer Michael Phillips presents a comprehensive introduction to George MacDonald s theological ideas In George MacDonald s Spiritual Vision Phillips provides extensive thematically arranged quotes from the author s writings This brief volume covers topics from the nature and character of God to salvation justice and atonement

Theology of George MacDonald John R. de Jong,2021-01-01 George MacDonald 1824 1905 was writing at a time of Evangelical unease In a society ravaged by Asiatic cholera numbed by levels of infant mortality and fearful of revolution and the toxicity of industry to name but a few of the many challenges the gospel proclaiming eternal damnation for unbelievers was hardly good news rather Christianity was increasingly viewed as the source of bad news and a tool of state oppression MacDonald agreed in his view the church had become a vampire sucking the blood of her children instead of offering them Eucharistic life In contrast like Christ MacDonald offers us a child Although at first sight a familiar Romantic incarnation in MacDonald s theology the child becomes an unlikely icon challenging the vampire s kingdom and confronting

the foundations of much of Western theology John R de Jong s meticulously researched study of MacDonald s work especially his realist and fantasy novels in its Victorian context is of more than historical interest In light of the growth of fundamentalist expressions of Christianity we are encouraged to consider embracing MacDonald s radical solution to religious vampirism becoming children Baptized Imagination Kerry Dearborn,2016-04-15 The imagination has been called the principal organ for knowing and responding to disclosures of transcendent truth This book probes the theological sources of the imagination which make it a vital tool for knowing and responding to such disclosures Kerry Dearborn approaches areas of theology and imagination through a focus on the nineteenth century theologian and writer George MacDonald MacDonald can be seen as an icon whose life and work open a window to the intersection of word flesh and image He communicated the gospel through narrative and image rich forms which honour truth and address the intellectual imaginative spiritual and emotional needs of his readers MacDonald was also able to speak prophetically in a number of areas of contemporary concern such as the nature of suffering aging and death environmental degradation moral imagination and gender issues Dearborn explores influences which shaped him along with the wisdom he has offered in the formation of significant Christian writers in both the nineteenth and twentieth centuries Authors such as C S Lewis G K Chesterton Dorothy Sayers J R R Tolkien W H Auden Frederick Buechner and others attribute to MacDonald key paradigm shifts and insights in their own lives A study of MacDonald does not offer a formulaic approach to theology and the imagination but the possibility of gleaning from his rich harvest relevant nourishment for our own day It also provides a context in which to assess potential weaknesses in imaginative approaches to theology The Transcendent Vision of Mythopoeic Fantasy David S. Hogsette,2022-08-04 An ever expanding critical library on fantasy fiction requires an analysis of why the genre is so ubiquitous enduring and beloved This work analyzes the mythic elements in foundational fantasy texts arguing that mythopoeic fantasy reveals timeless truths that link human cultures past and present Through close readings of works like Phantastes The King of Elfland s Daughter The Fellowship of the Ring The Lion the Witch and the Wardrobe A Wizard of Earthsea The Neverending Story A Wrinkle in Time and Out of the Silent Planet this book explores how mythopoeic fantasy speaks to the deepest concerns of the human heart It investigates the genre s use of an imagination that is sometimes atrophied by the demands of contemporary life and explores how fantasy provides restoration consolation and hope within a cultural context that too often decries such ideas Each chapter focuses on a representative text providing author background and engaging relevant scholarship on a variety of relevant thematic issues Offering new insights on these classic texts by drawing upon post secular critical approaches this work is suitable for both new and seasoned students of fantasy **The Inklings and Culture** Monika B. Hilder,Sara L. Pearson,Laura N. Van Dyke,2020-11-24 How did five twentieth century British authors C S Lewis J R R Tolkien Charles Williams Owen Barfield and Dorothy L Sayers along with their mentors George MacDonald and G K Chesterton come to contribute more to the intellect and imagination of millions than many of

their literary contemporaries put together How do their achievements continue to inform and potentially transform us in the twenty first century In this first collection of its kind addressing the entire famous group of seven authors the twenty seven chapters in *The Inklings and Culture* explore the legacy of their diverse literary art inspired by the Christian faith art that continues to speak hope into a hurting and deeply divided world
