

THE HEART OF BUDDHISM

GUY CLAXTON

A Simple Introduction to Buddhist Practice

"With a rare combination of lucidity and humour, Guy Claxton lets the ancient traditions of Buddhism address the timeless riddle of being human in a contemporary, secular voice."

The Heart Of Buddhism Practical Wisdom For An Agitated World:

The Heart of Buddhism: A Simple Introduction to Buddhist Practice Guy Claxton, 2013-04-11 This classic Buddhist title explains why Buddhism is now so appropriate to our personal social and global situation [The Heart of Buddhism](#) Guy Claxton, 1992 [Transformative Phenomenology](#) David Allan Rehorick, Valerie Malhotra Bentz, 2008-01-01 The fourteen authors in this collection used phenomenology the study of consciousness and hermeneutics the interpretation of meaning to conduct deep inquiry into perplexing and wondrous events in their work and personal lives These seasoned scholar practitioners gained remarkable insight into areas such as health care and illness organ donation intercultural communications high performance teams artistic production jazz improvisation and the integration of Tai Chi into education All authors were transformed by phenomenology s expanded ways of seeing and being **The Routledge Companion to Mindfulness at Work** Satinder K. Dhiman, 2020-09-08 Given the ever growing interest in the benefits of mindfulness to organizations and the individuals who work in them this Companion is a comprehensive primary reference work for mindfulness including creativity and flow in the workplace including business healthcare and educational settings Research shows that mindfulness boosts creativity through greater insight receptivity and balance and increases energy and a sense of wellbeing This Companion traces the genesis and growth of this burgeoning field tracks its application to the workplace and suggests trends and future directions With contributions from leading scholars and practitioners in business leadership psychology healthcare education and other related fields The Routledge Companion to Mindfulness at Work is an extensive reference work which will be a vital resource to the fields of management and organizational studies human resource management psychology spirituality cultural anthropology and sociology Each chapter will present a listing of key topics a case or situation that illustrates the application of the themes workplace lessons and reflection questions **The Complete Buddhism for Mothers** Sarah Napthali, 2024-12-03 Firmly grounded in the day to day reality of being a mother this revised and updated edition of *The Complete Buddhism for Mothers* gives personal and honest advice based on Buddhist teachings as applied to the everyday challenges of bringing up children Become a calmer and happier mother with *The Complete Buddhism for Mothers* fully revised and updated for the modern mother Entering parenthood can be a time of great inner turmoil for a woman yet parenting books invariably focus on nurturing children rather than the mothers who face the challenge of raising them This book is different Bound together in this edition *Buddhism for Mothers* and *Buddhism for Mothers of Young Children* explore the joy of being with your children in the all important present moment inspiring you to be more patient loving and attentive towards your family members other parents and most of all yourself Writing from personal experience and weaving in stories from other mothers throughout her narrative Sarah shows us how spiritual and mindful parenting can help all mothers to be more open and content Even if exploring Buddhism at this busy stage of your life is not where you thought you d be the personal and honest advice in this book is well worth reading Napthali is a lovely

writer The Sydney Morning Herald An oasis of calm and tranquillity Mind Body Funny uplifting reassuring real and wise A truly mothering book for mother Stephanie Dowrick *Buddhism for Mothers* Sarah Naphthali,2010-06-21 Become a calmer and happier mother with Buddhism for Mothers This is an excellent practical guide to everyday Buddhism not just for mothers but for everyone who has ever had a mother Vicki Mackenzie author of the bestselling Why Buddhism Parenthood can be a time of great inner turmoil for a woman yet parenting books invariably focus on nurturing children rather than the mothers who struggle to raise them This book is different It is a book for mothers Buddhism for Mothers explores the potential to be with your children in the all important present moment to gain the most joy out of being with them How can this be done calmly and with a minimum of anger worry and negative thinking How can mothers negotiate the changed conditions of their relationships with partners family and even with friends Using Buddhist practices Sarah Naphthali offers ways of coping with the day to day challenges of motherhood Ways that also allow space for the deeper reflections about who we are and what makes us happy By acknowledging the sorrows as well as the joys of mothering Buddhism for Mothers can help you shift your perspective so that your mind actually helps you through your day rather than dragging you down This is Buddhism at its most accessible applied to the daily realities of ordinary parents Even if exploring Buddhism at this busy stage of your life is not where you thought you d be it s well worthwhile reading this book It can make a difference *The Science of Consciousness* Trevor A. Harley,2021-02-18 Consciousness concerns awareness and how we experience the world How does awareness a feature of the mental world arise from the physical brain Is a dog conscious or a jellyfish and what explains the difference How is consciousness related to psychological processes such as perception and cognition The Science of Consciousness covers the psychology philosophy and neuroscience of consciousness Written for introductory courses in psychology and philosophy this text examines consciousness with a special emphasis on current neuroscience research as well as comparisons of normal and damaged brains The full range of normal and altered states of consciousness including sleep and dreams hypnotic and meditative states anesthesia and drug induced states as well as parapsychological phenomena and their importance for the science of consciousness is covered as well as the higher states and how we can attain them Throughout the text attempts to relate consciousness to the brain **Developmental Coaching** Tatiana Bachkirova,2011-04-16 Coaches often say that their coaching is developmental but what they mean by this varies significantly This groundbreaking book introduces a new theory of developmental coaching and a new framework for coaching practice It explores the most puzzling and debated aspects of human nature such as self free will and psychological evolution and then introduces both a new theory of developmental coaching and a new framework for coaching practice Tatiana Bachkirova addresses highly debated and complex ideas with ease and explains their relevance to everyday living and helping people to move forward in their lives To make these ideas real for coaches the book is written in a clear and engaging way with examples illustrations exercises and case studies Coaches who wish to enrich their practice will find

plenty to learn reflect on and apply immediately in their client engagements Coaches who see their own self as a crucial element of a coaching encounter will have an opportunity to explore and enhance their own developmental process Students of advanced coaching programmes will find this book both intellectually stimulating and a useful resource for practice

Developmental Coaching: Working with the Self, 2e Tatiana Bachkirova, 2022-03-04 Examining the self is at the heart of coaching and this book provides a comprehensive overview of knowledge on the Self from psychology philosophy and other disciplines Developmental Coaching outlines a theory of individual development with practical applications for coaches The Development of Self in Action DSA theory provides a credible explanation of the individual functioning desired changes and development that makes developmental coaching a rigorous theory based approach to practice Building on the influential first edition of this text Bachkirova enriches and refines the book with even further conceptual clarity and hands on advice These theoretical and practical approaches have been used and tested for over a decade not only in the actual delivery of developmental coaching but also in many teaching programmes numerous masterclasses and coaching supervision internationally This new edition also offers an additional section on professional development and coaching supervision for coaches in the area This book will be an invaluable resource for students on coaching programmes and coaching practitioners who are keen to understand more about developmental coaching and why it works This is the best book written so far about coaching in my humble opinion because it is so deeply considered so original and intelligent so relevant to practising coaches and so useful to those seeking practical wisdoms Dr Paul Lawrence Director Leading Systemically Honorary Research Associate Oxford Brookes University UK Tatiana masterfully interweaves a rich discussion of the scientific and philosophical foundations of her DSA model with practical tools and implications for coaches Angela Passarelli Ph D Associate Professor of Management College of Charleston USA Tatiana Bachkirova greatly enriches our understanding of both client and coach Mary Watts Emeritus Professor of Psychology City University of London UK Praise from the 1st Edition This book is a rare beast in the developmental area of coaching intelligent articulate and accessible Dr Bachkirova s work combines and extends many existing developmental approaches making previously opaque frameworks tangible and real Anthony Grant Director of the Coaching Psychology Unit University of Sydney Australia Tatiana Bachkirova is Professor of Coaching Psychology and Co Director of the International Centre for Coaching and Mentoring Studies at Oxford Brookes University UK She is a recognised international speaker and her many publications include over 70 research and conceptual papers as well as edited volumes
