The Khayyam Suite Charles Martin, 2025-03-04 A rich collection of poems inspired by the Persian lyric tradition In *The Khayyam Suite* acclaimed poet Charles Martin explores both the profound and the personal in verse that celebrates the spectrum of human experience At the heart of this collection is a study of the Rubaiyat the renowned poem cycle attributed to the Persian poet Omar Khayyam Martin pays homage to Khayyam's classical Persian poetic form the ghazal by infusing it with contemporary sensibilities creating a rich tapestry of contemplation and artistry By seamlessly blending Eastern and Western poetic traditions Martin offers a unique and thought provoking perspective on timeless questions that have captivated philosophers and poets throughout the ages Each long poem consists of forty quatrains mirroring those of Khayyam's Martin's verses reflect on modern existential dilemmas environmental crises and the intricacies of personal relationships From the haunting feeling of *On the Coming Extinctions* to the stark socioeconomic commentary in *On Capital* each poem invites the reader into a contemplative dialogue with the self Martin's poems are both a mirror and a window to the soul reflecting personal histories and illuminating the universal human condition This collection imbued with the lyrical charm and intellectual depth of Martin's writing is a profound commentary on love loss and the fleeting nature of life

American Hieroglyphics John T. Irwin, 2016-10-02 How the discovery of the Rosetta Stone led to new ways of thinking about language A brilliant new interpretation of major 19th century American writers J Hillis Miller The discovery of the Rosetta Stone and the subsequent decipherment of Egyptian hieroglyphics captured the imaginations of nineteenth century American writers and provided a focal point for their speculations on the relationships between sign symbol language and meaning Through fresh readings of classic works by Emerson Thoreau Whitman Poe Hawthorne and Melville John T Irwin's American Hieroglyphics examines the symbolic mode associated with the pictographs Irwin demonstrates how American Symbolist literature of the period was motivated by what he calls hieroglyphic doubling the use of pictographic expression as a medium of both expression and interpretation Along the way he touches upon a wide range of topics that fascinated people of the day including the journey to the source of the Nile and ideas about the origin of language Dark Horses X. J. Kennedy, 1992-10-01 In Dark Horses prize winning poet X J Kennedy gathers forty two new poems rich in sound and sense All display uncommon skill and an ability to treat matters both timeless and contemporary From the lighthearted ballad Dancing with the Poets at Piggy's to the darkly meditative lyric The Waterbury Cross the poems show Kennedy's wide range There are intimate portraits of a woman veterinarian and a young man dying of AIDS a song about the Sri Lankan festival of Buddha's tooth and a stark account of a confrontation with a homeless panhandler Emily Dickinson Leaves a Message to the World on the newly installed answering machine in her Amherst homestead Finding a Woodpile Skull the severed head of a black ant makes the poet laugh at his own expense as he plays ham Hamlet to a formic Yorick Enlivened by X J Kennedy's sardonic humor wit and insight into the human condition the dark horses of this newest collection represent the finely crafted work of one of America's best known and most widely respected poets *Water / Music* Peter Filkins, 2021-04-06 A diverse display of formal dexterity narrative power and lyrical resonance Peter Filkins's latest collection of poems explores the fraught relationship between the natural world and the human Exploring the space between nature and culture the poems of Water Music anchor themselves in the timely and the timeless Rich and diverse in their formal intricacy they move with ease from narrative to meditation from close physical observation to the haunts of memory and from lyric sorrow to the pleasure of living in the world Water Music embraces and celebrates life's mystery and the soul's repose amid talismans at twilight the whirl of birds *Resistance to Science in Contemporary American Poetry* Bryan

Walpert,2011-09-26 This book examines types of resistance in contemporary poetry to the authority of scientific knowledge tracing the source of these resistances to both their literary precedents and the scientific zeitgeists that helped to produce them Walpert argues that contemporary poetry offers a palimpsest of resistance using as case studies the poets Alison Hawthorne Deming Pattiann Rogers Albert Goldbarth and Joan Retallack to trace the recapitulation of romantic arguments inherited from Keats Shelly and Coleridge which in turn were produced in part in response to Newtonian physics modernist arguments inherited from Eliot and Pound arguments influenced in part by relativity and quantum theory and postmodernist arguments arguments informed by post structuralist theory e g Barthes Derrida Foucault with affinities to arguments for the limitations of science in the philosophy sociology and rhetoric of science Some of these poems reveal the discursive ideologies of scientific language reveal in other words the performativity of scientific language In doing so these poems themselves can also be read as performative acts and therefore as forms of intervention rather than representation Reading Retallack alongside science studies scholar Karen Barad the book concludes by proposing that viewing knowledge as a form of intervention rather than representation offers a bridge between contemporary poetry and science **Deep Gossip** Sidney Wade,2020-04-07 A great and frequently subversive book by a lyric poet at the height of her craft Throughout her seven critically acclaimed collections Sidney Wade has established herself as a poet with a serious but light touch capable of the clarity and inventiveness it takes to work a problem to both pleasure and resolution Playing with and challenging form in all directions the 27 new and 96 selected poems in Deep Gossip bristle with a sly wit that trips and delights the reader Inspired by landscape language music and living things as well as the occasional bout of political outrage Deep Gossip is a smart collection Praise for Other Books by Sidney Wade The quick closely observed poems in Sidney Wade s beguiling Bird Book move from page to page like their subjects in flight on air a murmur sweeping across the horizon William Souder Sidney Wade s linguistic and philosophical turns in Bird Book confirm that she is both the supreme heir to Wallace Stevens and one of the most original poets in the language Randall Mann This is a beautiful wise and timely collection Daniel Anderson As impressive and thrillingly exact as these poems are concerning matters ornithological it is the exquisite music earth sprung bright and resonant of Wade s radically short line that so enchants me the free play of interlinear rhyme phonemic harmonies and small bursts of metrical rhythms that yield more vitality and delight than any gathering of poems I have encountered in a very long time B H Fairchild Her poems are a particular and splendid instance of what Hopkins meant by poetry proper the language of inspiration Richard Howard **Words Brushed by Music** John T.
