The Herzog Affair:

The Herzog Affair Robert Derek Steeley, 1980 "Martyr to the Truth" Charles J.T. Talar, 2012-10-18 In his autobiography Joseph Turmel 1859 1943 has left an intensely personal account of his struggles to reconcile his Catholic faith with the results of historical critical methods as those impacted biblical exegesis and the history of dogma Having lost his faith in 1886 he chose to remain as a priest in the Church even while he worked to undermine its teachings He did so initially in writings published under his own name and as his conclusions became increasingly radical under a veritable team of pseudonyms He was excommunicated in 1930 His account of his life is less a discussion and defense of his ideas than it is a moral justification of his conduct Turmel is associated with the left wing of Roman Catholic Modernism along with Albert Houtin Marcel Hebert and Felix Sartiaux **The Bettencourt Affair** Tom Sancton, 2018-08-07 An NPR Best Book of 2017

Heiress to the nearly forty billion dollar L Or al fortune Liliane Bettencourt was the world s richest woman and the fourteenth wealthiest person But her gilded life took a dark yet fascinating turn in the past decade At ninety four she was embroiled in what has been called the Bettencourt Affair a scandal that dominated the headlines in France Why It s a tangled web of hidden secrets divided loyalties frayed relationships and fractured families set in the most romantic city and involving the most glamorous industry in the world The Bettencourt Affair started as a family drama but quickly became a massive scandal uncovering L Or al s shadowy corporate history and buried World War II secrets From the Right Bank mansions to the Left Bank artist havens and from the Bettencourts servant quarters to the office of President Nicolas Sarkozy all of Paris was shaken by the blockbuster case the shocking reversals and the surprising final victim It all began when Liliane met Fran ois Marie Banier an artist and photographer who was in his youth the toast of Paris and a prot g of Salvador Dal Over the next two decades Banier was given hundreds of millions of dollars in gifts cash and insurance policies by Liliane What exactly was their relationship It wasn t clear least of all to Liliane s daughter and only child Fran oise who became suspicious of Banier s motives and filed a lawsuit against him But Banier has a far different story to tell The Bettencourt Affair is part courtroom drama part upstairs downstairs tale and part characterdriven story of a complex fascinating family and the intruder who nearly tore it apart An Introductory Guide to EC Competition Law and Practice Valentine Korah, 1994 *Accidental*
